The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lisa, Leanne and Jared's first mission.

Girl Jordan: You guys are gonna love meeting Yusaku and his friends. But also we'll need Kimimaro and Brainiac 5 to come with for this one.

Me: Any particular reason?

Girl Jordan: You'll see.

Nico: Anyone else want to go with Lisa, Leanne, and Jared? Besides 1 Rabbid?

Loki: I'll go

Jack Atlas: I'm on a roll today. So me and Carly are coming too

Lincoln: I'll go too then.

Me: Okay.

Darcy: And me too because of how much I love Lisa like a sister.

Lisa Loud: Aww thank you very much Darcy.

Nico: Anyone else?

No one else raised their hands.

Me: Okay lets go.

We were off to Den City!

We arrived.

Me: Wow so this is Den City.

Nico: Nice place.

Eli: It sure is.

Lisa Loud: Indeed. It will be a most amazing city for us to have our missions.

Nico: It sure will.

Me: Yeah.

We saw Yusaku and Skye and friends.

Yusaku: Girl Jordan? Is that you?

Girl Jordan: Yusaku! Skye!

They hugged.

Skye: LINKY!

They hugged too.

Lincoln: I'm glad you're okay too.

Yusaku: Team Loud Phoenix Storm! Wow it's an honor.

Me: You too Yusaku.

Girl Jordan: These are your ambassadors here.

Lisa Loud: Pleasure to make your acquaintance. I'm Lisa Loud.

Jared: I'm Knudson, Jared Knudson.

Leanne Nikos: And I'm Leanne Nikos

Me: It's part of a special diplomatic mission program we made.

Yusaku: I see.

Me: Yep.

Kimimaro: I am Kimimaro Kaguya.

Brainiac 5: And I am Brainiac 5 of the Legion of Superheroes. It's a pleasure.

Jack Atlas: I'm Jack Atlas.

Carly: And I'm Carly Atlas.

Yusaku: The Signers of Light and Dark. It's an honor.

Darcy: I'm Lisa's best friend Darcy.

Yusaku: It's a pleasure and it's an honor to have you all here.

Girl Jordan: I should tell you guys all about what happened with Yusaku when we get to his work place.

Me: Okay.

The Rabbid gibbered.

Lisa Loud: (Sighs) And this is a Rabbid.

Skye: It's so cute.

Me: It sure is.

?: What's going on?

Me: Huh?

On Yusaku's device emerged a black robot creature.

Ai: Oh hello there. I'm Ai, Yusuku's partner and friend.

Girl Jordan: He's one of the reasons why I have Brainiac 5 with us.

Me: Okay.

Yusaku: Follow us.

We went to Yusaku's work place.

We arrived.

Me: Wow!

Nico: Nice place.

Yusaku: Thanks. It's home and it's also where we access the Duel Grid World. It's a world in cyberspace. I go as Playmaker.

Me: Cool! What kind of deck do you have?

Yusaku: I use a Cyberse Deck.

He showed me his cards.

Me: Hmm. Ooh Digital Matrix themed in a way.

Yusaku: That's right.

Skye: I go as Blue Maiden or Blue Angel and I use the Trickstar and Marincess cards.

She showed her deck and it was cool.

Me: Gymnastic Magicians and Mermaid Princesses in a way.

Skye: That's right.

Me: Cool!

Jack Atlas: Today is already a big day for me. I just thought by coming here, I would make it an even bigger day.

Me: Yep it's Jack and Carly's day to shine.

Lincoln: The reason? One of his enemies, Don Piero escaped from prison and is back for revenge. Our mission later today is to defeat him and send him back to prison.

Me: Yep. Lincoln told us in advance. He's the chief clairvoyant and psychic of the team and lets us know in advance what's coming our way.

Yusaku: I see.

Me: Yep. So Yusaku what can you tell us about yourself?

Yusaku: Well, I didn't have a good life growing up.

Me: What happened?

Yusaku: It was awful.

He told us his history and it was shocking! He told us how he was tortured and abused relentlessly because of an evil hacker group called the Knights of Hanoi who are trying to destroy the entire Duel Matrix and rid the world of Ai and his kind the Ignis. But he told us that the Knights were merely puppets or the true mastermind of it all and that was Ai's fellow Ignis, Lightning, and he was trying to destroy all the Humans forever!

When he was done WE WERE SHOCKED AND HORRIFIED BEYOND ALL WORDS!

Me: Oh my fucking god!

Lincoln: Yusaku oh my god! You had it rough!

Yusaku: Yeah they damaged me!

Kimimaro put his hand on his shoulder.

Kimimaro: (Sympathetically) Yusaku I completely understand how you feel. I went through the exact same level of pain you went through.

Yusaku: You did?

Kimimaro: Yes. My clan was wiped out in a failed invasion on the Hidden Mist. I was the only survivor. I was found by Orochimaru of the Sannin and he did all kinds of terrible experiments on me and tortured me brutally. I was even poisoned by him and dying. Until J.D. saved me from myself.

Me: It was in the future but yes.

Nico hugged Yusaku and so did the Rabbid. But the Rbbid also humped his leg!

Lincoln: Now cut that out little one.

Lincoln got the Rabbid off.

Eli: Rabbids are not the brightest lightbulbs in the closet if you know what I mean.

Skye: I see.

Girl Jordan: I had Kimimaro come with because he went through the exact same level of pain Yusako went through.

Me: Very understandable reason G.J.

Lincoln: Yeah.

Me: What about you Ai? What can you tell about you?

Ai: Well I'm one of the 6 Ignis. There are six of us in the Duel Matrix. I represent the element of dark. My comrades are Flame, Aquas, Windy, Earth and Lightning. Lightning is the traitor out of us as you heard.

Me: Like Elemental Artificial Intelligence.

Ai: Yes in a way. But after we defeated Lightning the first time, I lost all my faith in my friends and humanity.

Me: Oh no.

Brainiac 5: I can relate.

Ai: Really?

Brainiac 5: Yes. I found out that my ancestor is the Original Brainiac.

Me: Brainiac of the Prime Universe was one of the Justice League's most dangerous enemies and in the 31st Century, during Nerissa's missions there we battled Brainiac there and also helped Brainy here remind him that he has friends close to him. It was how we helped him restore his faith and all that.

Ai: You think there is hope for me?

Me: Absolutely Ai. You have friends here on Earth and in Cyberspace. One thing I learned about friendship is that you still have friends that will always be there for you and help you overcome many obstacles and challenges along the way.

Ai: Wow! That is good advice.

Me: Yeah.

Ai: Then I will gladly be with you all my friends.

Me: Awesome!

Nico: By the way, both Brainiac and Carnage are dead

Girl Jordan: Yeah.

Skye: Good. Also Jordan nice tattoo.

Girl Jordan: Thanks. Lincoln's sister Luna got it for me.

Me: That is a really cool tattoo for her. Makes her look tough as nails and ready to kill.

Nico: Yeah.

Girl Jordan: (LAUGHS) Yeah it does.

Me: Yeah!

Carly Atlas: I agree there.

Skye: Also Carly I love your outfit.

Carly Atlas: Thanks. It's my Dark Signer Outfit. It's part of what I do.

Me: I said the same thing to her when we first met. I complimented her on it.

Carly Atlas: Yeah.

Nico: So, any of your enemies active right now?

Yusaku: Yes there is. Our enemy Baira is back. She is dangerous.

Me: What can you tell us about her?

Skye went over her history.

Klarissa aided Kiyoshi Kogami with his Ignis project, alongside Aso and Dr. Genome. She was uncomfortable with the experiments that they put the kidnapped children through. Klarissa and Aso acted as older sibling figures to Kogami's son, Ryoken. After Kogami's death, the three helped Ryoken form the Knights of Hanoi to avenge Kogami's death and prevent the Ignis from destroying humans. Baira aided Varis in his attack on the Cyberse five years prior to the events of the series.

Klarissa was one of the doctors who oversaw Skye Zaizen's condition, after she was defeated in LINK VRAINS and infected with a prototype of the Deleted virus created by the Knights of Hanoi. By

Baira's own admission, Skye was used as a test subject for the Deleted virus.

As the Knights of Hanoi began their full-scale attack on LINK VRAINS, Baira provided the Deleted virus to Dr. Genome for use in subjugating defeated Duelists as they searched for Playmaker. She and Faust joined Varis on a rooftop as Varis lamented the naivety of the lesser, glory-seeking members of the Knights who did not know their true purpose. She and Faust reassured Varis that Genome was making his move and that they'd provided him with the Deleted virus. When Playmaker defeated a Knight of Hanoi and questioned him as to how to cure the Deleted, Baira purged the Knight's data before he could expose her. She and Faust later assisted their fellow Knights against SOL Technologies' A.I. Duelist army, defeating them all in seconds.

After defeating the A.I., Baira and Faust returned to the Knights' control room. They noted that the defeat that SOL Technologies had suffered would keep them quiet for a while. Baira asked if Faust was really okay with helping Varis commit an historical cyber-crime despite treating him like a little brother, and discussed their plan to lure Playmaker out with the Deleted virus in order to capture his Ignis and find the Cyberse before Dr. Kogami's plan came to fruition.

Klarissa ended her shift at the hospital early, observing the Deletion of a Duelist in a car outside and then heading home, unaware that she had been recorded on the security cameras. She logged into LINK VRAINS, finding Frog and Pigeon. Observing that they were journalists, she asked if they knew where Playmaker was, and prepared to Delete them, but as she noted that they really didn't know where to find Playmaker, Blue Angel showed up and aggressively challenged Baira to a Duel, stating she was in a very bad mood. Baira was surprised that Blue Angel had returned to LINK VRAINS, much to Blue Angel's irritation. Baira revealed to Blue Angel that she was used as a test subject to create the Deleted virus and that she was its creator, and Blue Angel furiously vowed to defeat her. Accepting her challenge, Baira conjured a Data Storm, and the two Speed Dueled. Blue Angel quickly Link Summoned "Trickstar Holly Angel" and began dealing damage to Baira with her burn effects. Baira warned Blue Angel that her Deck had become too well-known and that she was prepared to counter it. She set up her "Temple of the Kings", using it to activate her "Current Corruption Virus" the same turn she set it and combined it with "Dark Mummy Surgical Forceps", knocking Blue Angel off her Duel Board, though Blue Angel was able to keep "Holly Angel" on the field with "Trickstar Perennial". Baira's "Surgial Forceps" and "Virus" cards continued to press Blue Angel back; by drawing a Trap Card, the effect of "Surgical Forceps" inflicted 500 damage to Blue Angel, and by using her "Malevolent Malpractice" Skill, she brought out two "Dark Mummy Infusers" to protect "Surgical Foreceps" from Traps and trigger her "Root Ransom Virus" to sap the ATK of Link Monsters to zero and negate their effects. She attacked "Holly Angel", depleting most of Blue Angel's LP, but protected "Holly Angel" once again with "Trickstar Perennial". Blue Angel used her Skill on her next turn, which would allow Baira to draw three cards. Baira noted that Blue Angel would lose if she drew a single Trap, but despite her ratios, she was unable to draw a Trap and her cards were banished. Blue Angel's move had allowed her to assemble enough monsters to Link Summon "Trickstar Bella Madonna" and destroy the "Infuser" linked to it, allowing Baira's own "Virus" to affect "Surgical Forceps", though "Bella Madonna" herself was unaffected and defeated Baira. As Baira lost, she reflected on how Blue Angel had been able to turn the Duel around through hope, and wondered how she had fallen this low. Deciding that it wasn't too late to make amends, she released the Deleted as her LP fell to zero. After the Duel Baira commented that Blue Angel was back, and Blue Angel replied that she was only fighting for herself. Baira revealed that she had freed the Deleted, and Blue Angel asked her why. Baira claimed that Blue Angel was able to change her heart, and that she may have fought for herself, but could change those around her. She encouraged her to carry her hopes onto others by fighting for everyone, before being purged, vanishing into golden data. Unbeknownst to Klarissa, Yusaku Fujiki and Kal Kolter had discovered her identity and found her in her apartment. They were prepared to question her, but instead saw a screenshot of Varis closed her field of vision. Despite not being logged in, she wasn't waking up, and they called doctors for her. After Playmaker defeated Varis in their second Master Duel, she was released.

After awakening, Klarissa was arrested and placed in a high-security prison. Ryoken, Specter, Aso and Dr. Genome rescued her, and she asked them if a new battle was starting. Ryoken confirmed that there was.

While Varis rescued Playmaker and Ai from Windy and Lightning, Baira and her fellow Knights attacked Windy's fabricated Cyberse, defeating his Echoes. After defeating the Echoes, Baira, Genome and Faust entered Windy's palace to find Varis on 100 LP, though Baira believed that Varis wouldn't lose. Specter and Soulburner arrived and Lightning attempted to capture them, though the FIRE Ignis, "Flame" blocked Lightning's efforts and freed Playmaker and Ai. Varis then defeated Windy, and ordered the Commanders to erase him. Baira and the other Commanders unleashed a virus that impaled Windy on spikes, but Lightning rescued him. Bohman and Harlan then arrived, and Lightning revealed Jin Kolter.

Lightning revealed that he had been behind the destruction of the Cyberse, though he couldn't settle matters due to Baira and Dr. Genome's virus infecting Windy and he fled after declaring war on humanity. Baira and the Knights remained in Windy's palace as Playmaker and Soulburner pursued Lightning, Bohman and Harlan. Varis decided to let Playmaker and SOL Technologies battle the Ignis for now, and ordered the Knights to let SOL Technologies know the Ignis' location.

When it was done we were shocked.

Me: WHOA! And she uses a Virus themed deck! Wicked! Both Biological and Computer Virus types. Wicked combo.

Skye: It sure is.

Nico: Where is she now?

Ai: Scans show she is in the Molten Destruction zone.

Me: The Volcano Area. Infernal.

Nico: Yeah.

Me: Also guys you have to be wary. We're going to run into the Blackwing Eatos 12 Carriers. They are the Embodiments of the Aliens of Ben Tennyson and they are easily recognizable because they have pitch black angel wings, piercing red eyes and black clothes and the powers of those aliens.

Skye: I think I saw one earlier. She was super smart and had lightning powers.

Me: I think I know who that is. Also we are going to encounter Dark Gale's Gene-slammers.

Girl Jordan: Dark Gale is the organization we destroyed during the Ridonculous Race remember?

Yusako: Oh right! I remember seeing that! I heard Scarecrow hit you guys hard.

Me: Yeah he sure did.

Jack Atlas: That was awful.

Nico: That was like an acid trip.

Me: Yeah.

Yusaku: At least you're okay.

Me: Yep.

Lisa Loud: That is true.

Nico: That was like an acid trip.

Me: Yeah.

Yusaku: At least you're okay.

Me: Yep.

Lisa Loud: That is true.

Nico: Lets get going.

We went to a machine Yusaku and Skye entered a portal and turned into PLAYMAKER AND BLUE MAIDEN and we flew in and we were flying beside them. We were in the Duel Matrix!

Me: WHOA! It feels like we're in Questworld!

Nico: WOW! Jonny Quest and his friends along with Zixx are gonna flip seeing this!

Eli: No kidding! This is amazing!

Jack Atlas: I agree!

Carly Atlas: So cool!

Nico: This is so cool!

Playmaker: It sure is!

Me: Wow!

We arrived in the Molten Destruction Zone.

Me: WHOA! Axel Brodie would feel right at home here because he uses a Volcanic deck.

Nico: He sure does.

Eli: WHEW! It's hot!

Nico: Keep your eyes pealed.

We looked around.

Me: Come out come out wherever you are.

Eli used the Force and found her!

Eli: Behind that rock!

I fired a blast of energy and it hit it and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMMMM!

She was drawn out and landed.

Me: Hello Baira.

Baira: What the!? Team Loud Phoenix Storm!? What are you all doing here?

Me: What else? To stop you and the Knights of Hanoi.

Nico: We know who the real puppet master is. If you come quietly, there won't be trouble.

Me: Lets make this easy for you. Surrender peacefully and we'll be on our way.

Baira: You think I'll give up?

Me: They always do it the hard way. Okay then. I activate THE SEAL OF ORICHALCOS!

THEY GASPED!

The seal formed and we were in a Seal Arena. I had an aura of darkness around me.

Me: People like you ALWAYS PISS ME THE FUCK OFF!

I looked up and I had the Seal of Orichalcos on my forehead and I had PIERCING RED EYES OVERFLOWING WITH INTENSE HATRED AND EVIL! AND THE NEGATIVE ENERGY COMING OFF OF ME WAS MINDBOGGLING!

Nico: J.D. has REALLY TAKEN OFF THE KIDDY GLOVES!

Me: This motherfucking bitch asked for it big time!

Blue Maiden: What happened to J.D.?

Eli: It's The Seal of Orichalcos. It's an evil card that was made bak 10,000 years ago by my enemy Dartz.

Jared: My daughter Heidi defeated Dartz long ago and sealed the Orichalcos demon inside her forever. Dad uses the Orichalcos whenever needed to show that he means business!

Blue Maiden: What are these symbols in the seal?

Eli: That's ancient Enochian. It's an Occult language from the 16th Century.

Lincoln: That's right.

Lisa: J.D., we can help you with this, right?

Me: Yes you all can. Just because I am pissed like this doesn't mean I want to fight alone. I will never let darkness tear that apart.

Nico: Good.

Eli: Lets get her!

Playmaker: First let me show you what I can do.

Me: Be my guest.

He summoned his monsters and they were cool!

Playmaker has several abilities in Yu-Gi-Oh! including the following cards and special summoning:

Firewall Dragon Singularity: A quick effect that returns cards to the hand and gives the card 500 ATK for each card returned

Balancer Lord: Allows you to Normal Summon a Cyberse monster during your Main Phase

Cynet Conflict: Negates the activation of a Spell/Trap Card or monster effect

U.A. Playmaker: You can Special Summon this card (from your hand) by returning 1 U.A. monster you control to the hand. You can only Special Summon "U.A. Playmaker" once per turn this way.

Dotscape: You can special summon someone's card out of the graveyard or from the deck.

We were amazed.

Me: WOW!

Eli: That was cool!

Me: It sure was.

Carly Atlas: Watch one of my powers. I summon EARTHBOUND IMMORTAL ASLLA PISCU!

She summoned her Earthbound Immortal!

Me: YEAH!

Carly: And this! EARTHBOUND IMMORTAL TRANSMIGRATION!

Aslla Piscu formed into an awesome badass fairy armor for Carly and it was cool!

Carly Atlas: THE EMPRESS OF HUMMINGBIRD FLAMES!

Nico: Wicked Cool Carly!

Playmaker: Balancer Lord, Attack!

He fired a blast of energy and blasted her.

Carly Atlas: YEAH! Watch this! HUMMINGBIRD FLAME SWORD DANCE!

She Danced and slashed her all over with intense flames and blasted her.

Baira: WHOA!

Me: That's just the start. When you lose you are in for a terrible surprise.

Baira: What's that?

Me: When you lose I'm going to kill you!

Baira: WHAT!?

Me: Your soul will be taken from you! This time You're going to Hell!

I'm only saying that to frighten her!

Nico: But not to the Black Abyss since you guys were just the puppets.

Me: That's right. Heidi made changes to it and the Orichalcos will only send your soul to the fires of Hell. Think of it as punishment for the Atrocities you did to Playmaker here.

Baira: What do you mean?

Me: Don't you recognize him Baira? Does the name Yusaku Fujiki ring any bells?

Lisa Loud (gets out Zecter): It should!

Jared: Because... (Gets out Zecter), you're looking at him!

Leanne Nikos: Yusaku is... (Gets out Zector) PLAYMAKER!

Baira: WHAT!? YUSAKI!? YOU TRAITOROUS WORM!

Me: We're getting payback for what you Hanoi fuckfaces did to him!

Playmaker: You only used me as a slave and nothing more!

Blue Maiden: I will never forgive you for that!

Lisa, Jared and Leanne activated them and fired energy blasts and blasted her all over the place.

Jack Atlas: I summon RED DRAGON ARCHFIEND!

He summoned his signature monster!

Jack: ATTACK! CRIMSON FLAME SPEAR!

It fired a massive blast of fire and blasted her down.

Girl Jordan: (Gets out Zecter) Lightning is gonna pay for his crimes!

Lincoln: (Gets out Zecter) And it will hurt!

They fired fired waves of lightning and water and blasted her.

But then a blast of water hit her and knocked her down.

Me: WHOA! What the?

But then the seal closed in and she screamed in agony as her soul was RIPPED OUT OF HER BODY AND IMPRISONED IN THE SEAL!

She fell down dead.

Me: That's the power of the Seal of Orichalcos.

I showed her soul in a card.

Me: See?

Blue Maiden checked for a pulse.

Blue Maiden: She's dead!

Me: Well yeah without a soul you're pretty much a lifeless husk.

I sent her to the M.O.E.

More of her men came.

Nico: Where did that water blast come from?

Girl Jordan: Look!

We saw a Mega Vaporeon!

Me: Whoa a Mega Vaporeon!

Nico: Where did that come from?

Me: I think I know. It's one of Dark Gale's gene-slammers.

Blue Maiden: I think she is.

Me: Lets see.

I used Telepathy and gasped!

Me: Irena Lair!

Nico: Wait is she?

Me: Yeah she's Irma's sister and she is also a Guardian like her sisters Irma and Hailey.

Nico: WHOA!

I went to help her.

Me: Irena it's okay.

All she did was use Hydro Pump

I got drenched!

Me: (Blubbers) WHEW! That felt good. Also it was hot here.

I fired waves of energy and blasted her down.

I snapped my fingers and she reverted back and was a girl with blue hair and blue eyes and had blue butterfly wings and had Mega Vaporeon on her forehead and her cutie mark was the Candrakar Symbol of Water with a blue butterfly on top and a mermaid on the bottom and a sea dragon in the middle.

I wrapped her in a blanket.

Me: Irena?

Irena Lair: (Groans) What happened? Where am I?

Me: You are in the Duel Matrix World. Long story. Also you were turned into a Mega Vaporeon by Dark Gale.

Irena Lair: (GASP) I remember!

She was in a blue suit and injected and in a burst of water she turned into MEGA VAPOREON!

She ran out.

FLASHBACK ENDS

Irena Lair: That was awful. Where's my sister Irma?

Me: She's back home at the estate. But she and Hailey are both at home and are awesome.

Irena Lair: I see. I work for Sonya's team as the Hydromancer of the team. Outside the team I am a member of a group called the Candrakar Musketeers. We are Guardans of Candrakar that act VERY MUCH like the Three Musketeers and our mission is to destroy all of Candrakar's Enemies there and on Earth.

Me: Wow! That is cool! We destroyed Phobos and Nerissa's dark side and banished them both to the Black Abyss.

Irena Lair: That is good.

Me: We're in the middle of a battle now. Lets get you new clothes.

I snapped my fingers and she had blue clothes and a water sword.

Irena Lair: I look great.

Me: You sure do.

Nico: Um OW!

Me: She is that smart.

Nico: And she is Brainstorm's Embodiment. No wonder.

Me: Yep.

Lisa Loud: That is very impressive that she knows that.

Bianca lost control and fired an energy bolt at Loki.

Loki deflected it and knocked her down.

I fired the Antidote Ray and injected her.

Me: Okay lets bring the science! Lets Begin The Experiement!

LORD DRAKKON! BRAINSTORM! BEST MATCH!

I used the Fullbottles of Lord Drakkon and Brainstorm and fired a beam of lightning and it formed into a dragon and blasted her down.

Irena Lair: Lets do it!

Irena fired waves of water and drenched her and knocked her down.

Lisa charged at her and blasted her with lasers.

Lisa blasted her with gears and energy.

Irena Lair: Lets dance!

Irena fired waves of water and knocked her down and the antidote took effect and she was back to normal with her orange eyes back.

Bianca Brainstorm: (GROANS) I feel like I was finished in decoding the 1,000th unified dimensional string equation.

Nico: Long story. (HEAD SPARKS) OW!

We won!

Nico: Anyone left?

Me: Nope we're clear.

Playmaker: That was cool!

Blue Maiden: It sure was!

Girl Jordan: That was really fun though.

Loki: Yeah!

We later came back.

May: Hey guys!

Maria: How did it go?

Me: Really awesome.

We told them everything.

May: Oh my god! Poor Yusaku!

Nico: Yeah no kidding!

Laney: Awful that happened to him.

Nico: Next time, Sonic, Turbo, and Tecna should come

Me: Awesome!

Sonic: YEAH! We'll get some speed in!

Turbo: WOOHOO! YEAH!

Tecna: (British Accent) Yeah this will be fun!

We arrived at the restaurant for Jack and Carly's date.

It was called the Golden Burgers Alps. It was a really good burger restaurant at the Boardtrot for us.

Carly Atlas: Here we are for our date!

Me: You will love this restaurant. It was made here on the Boardtrot recently.

Carly Atlas: Awesome!

Me: You guys have fun.

They went in.

Eli: Incoming!

We saw DON PIERO'S MEN COMING!

Tuddrussel: GET SOME!

We went at them and punched and bashed their heads in and smashed their faces in!

Poliwag and Horsea were eating spaghetti together.

They slurped noodles and then slurped one and then...

SMOOOCH!

They kissed.

Luna and Sam had a sandwich and ate it at both ends and then kissed too.

Jack Atlas: This food really is nice.

Carly Atlas: It sure is.

The burgers were really good.

POW BIFF SMASH WHAM!

The fighting with Don Piero's men really had a massive body count that had TONS OF MEN BEING KILLED AND MANGLED!

Poromon ate a burger and it was good!

Poromon: (Eating) MMM! Delicious!

The body count was still going up!

Nightbird: No one is disturbing htis date!

She fired lasers and blasted the men.

Sakura Haruno punched a man and sent him smashing into a bunch of them and I piledrove a man and broke every bone in his body and he belched a huge amount of blood.

Manaphy ate a burger and it was good.

Manaphy: (Eating) Mmm! Delicious!

Poromon: Sure is!

I punched more men and kicked a man in the crotch and he screamed like an opera singer.

We knocked them all out and down and they were defeated and dead.

Arcee: I think that's the last of them

Me: Yep.

Eli: That is all of them. WHEW! Man we REALLY let them have it.

Camie: I counted 20,012 of them.

Me: HOLY CRAP!

Sheila: These guys will NEVER terrorize the city or Neo Domino City again.

Later everyone came back.

Me: Hey guys.

We were sitting on the HUGE PILE of the mangled up, dead and brutally injured men.

Airi: Did you enjoy your date?

Carly Atlas: We sure do.

Man: (Groans) FUCK YOU ALL!

POW!

I punched him on his head and knocked him out.

Me: Shut the fuck up douchebag!

Carly Atlas: Man these guys really came at you.

Me: Camie counted 20,012 men.

Jack Atlas: WOW! That's a lot of them!

Poromon: It sure is!

Me: Yep.

Ymir: I haven't beaten up that many bad guys before.

Me: We've been up against big numbers of bad guys like this before.

Varie: It's true.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-five massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Don Piero starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Don Piero, he's in his hide-out in Neo Domino City, and he's still out to kill us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud!

Eli: Was that...?!

Lincoln: Yep. It's time.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Don Piero, he's in his hide-out in Neo Domino City, and he's still out to kill us.

EVERYONE GASPED!

Jack Atlas: I knew he'd be on the loose.

Carly Atlas: After what he did sending his men to kill us after we dealt with Ultratech and during our date, I think it's safe to say it's time to make our move.

Lincoln checked the computer and found Don Piero's hideout: it was in the north of Neo Domino City, but it's well-protected and there's over 900,000,000,000,000,000,000,000,000,000,000 bodyguards there along with more of his men, and many of the bodyguards there are either hired guns, local thugs, or contract killers for the Mafia.

Lincoln: It won't be easy to get in, the compound is well-protected with snipers and security systems and there's over 900,000,000,000,000,000,000,000,000,000,000 bodyguards there along with more of his men, and many of the bodyguards there are either hired guns, local thugs, or contract killers for the Mafia. This is going to be left up to me.

Me: Uh oh...!

Nico: (GULPS) Okay, Lincoln, we'll leave that to you. Alright, team, let's get ready to move, we're heading to Neo Domino City.

Lincoln: Don Piero made a huge mistake breaking out of prison thanks to the help of those snakes, now we're gonna make sure he gets sent back to prison, and this time for good.

The previous group came.

Abis Mal: Can me, David Cain, White Lightning, Dodgeball Wizard, Count Vertigo, Eccentro, Copperhead, Hank Scorpio, Sportsmaster and Spymaster go with you guys?

Nico: Yes you all can come with.

Varie: This is gonna be fun.

Laney: We're going to unleash an army of Duel Monsters on them.

Ymir: Cool! Can I do so too?

Me: Yes you can.

Vegeta: Bokrua, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping for Evil HERO Infernal Prodigy.

Qin: Cool!

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was our old enemy, Pyron from Darkstalkers, he's come back from the dead and he wants revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that Pyron?!

Lincoln: Yep, he's come back from the dead and he wants revenge.

Audrey Sauron: I don't believe him, it's been two years since we got rid of him and now he's back!

Ranka Ookami: Let me and Lincoln take care of him, he'll meet the same fate.

Lincoln: Right, Ranka.

Me: This'll be like what happened two years ago, and we still remember what you did to him.

Nico: Same here. Alright, team, let's go, Don Piero's moment of freedom is up!

Lincoln: He's heading right back to prison for good, and I'm also going to make sure to also absorb all of his men and bodyguards there as well, and once we get done with Don Piero, you're next, Pyron.

Ranka Ookami: You chose the wrong time to return and cause havoc, now you're about to face the consequences, Pyron, after we take care of Don Piero.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed out to Neo Domino City to take down Don Piero and throw him back in prison, and once we got done with him, Ranka Ookami and Lincoln are going to destroy Pyron and send him to The Black Abyss for good.

We were off to Neo Domino City

We arrived.

Me: Here we are.

Yusei: It's good to be home.

Camie: Amazing.

Yusei: I'll gladly summon Stardust Dragon against Piero.

Ymir: Cool!

David Cain: Let's call Brass Knuckles

Me: Good idea. Necrolai too.

We did so.

Brass Knuckles and Necrolai came.

Brass Knuckles: We're here.

Necrolai: And ready to kick some butt!

Breach: We're definitely summoning Stardust Dragon for this

Yusei: I said that earlier and yes we will.

Me: Yeah.

We walked around.

We saw the Facility and it was REALLY Busy. We saw that it was REALLY TORTURING numerous prisoners.

Me: I hope Sayer is there.

Dodgeball Wizard: How did Don Piero first appear?

Crow: It all started when I caught Jack blowing money on coffee

Jack Atlas: I need a cup of coffee to start my day.

Qin: Oh boy

Dragon: What happened after that?

Carly Atlas: I was there too. Crow challenged Jack to get a job. Jack accepted

Me: And the outcome must've been that Jack won right?

Carly Atlas: Not really. Jack got fired from a few jobs.

Copperhead: Yikes!

Me: That is TOTALLY unfair! All that just for a cup of coffee!

Varie: Yeah!

Jack: Yeah it is!

Me: I wouldn't be surprised that Piero had a hand in it.

Crow: Not really. It was really because we didn't have that much money at the time.

Weather Vane: I'm guessing that's when you two stumbled upon what Piero was doing?

Carly Atlas: That's right.

Misty Tredwell: Wow.

Sportsmaster: And I'm guessing the rest is history

Carly Atlas: Yeah.

Me: Wow. Also me and Zarya were not with you guys when you faced Don Piero the second time.

Zarya: We heard you guys took him down and sent him and his men in jail.

Camie: That was cool.

Beelzemon: It sure was.

Me: Yeah. But Don Piero deserves every ounce of pain he is getting to him. All mob bosses ever cause is nothing but pain and suffering and he will get what's coming to him.

Qin: That is for sure.

Laney: Yeah!

Me: I do have a plan though.

I pulled out my computer and started typing.

Nico: What are you gonna do?

Me: Hack into Don Piero's account and transfer all his money that he stole into Jack and Carly's accounts.

Hank Scorpio: Smart thinking.

Me: This will teach him to never underestimate the technological prowess of Team Loud Phoenix Storm.

I then sent NUMEROUS Emails to different companies that Don Piero was miles behind on his house rent and everything like electricity and water, heating and more.

Nico: What else did you do?

Me: He's about to get kicked out of his house and forced to live on the streets.

Nico: Nice!

Me: Wait for it...

GUNFIRE WAS HEARD AT HIS MANSION!

Me: I told NUMEROUS Rival cartels that Don Piero was going to klll them all. I told them to kill him before he kills them.

Nico: J.D. you are one SLIPPERY guy!

Me: Oh it gets better. Now we're going to kill ALL the gangs in Neo Domino City in one fell swoop.

Nico: Nice!

Lincoln then had a premonition!

LIncoln: Whoa! This is gonna be hot! We're going to face Jack's akuma, Inferno Terrorflame Dragon. The Hypothetical Akuma of Jack Atlas and a powerful master of fire and darkness. He looks very much like Majestic Red Dragon and is just as hot and powerful. He was made because of Sayer killing Carly and vowed to destroy him.

We gasped!

He showed a sketch of it and it looked like a glowing flaming version of Majestic Red Dragon!

Me: WHOA!

Kerchak: I was expecting Red Dragon Archfiend

Me: Me too. But Majestic Red Dragon is more powerful than Red Dragon Archfiend.

Kerchak: You're right.

Lincoln: That is true.

Nico: LOOK!

We saw a glowing figure in the sky and it was INFERNO TERRORFLAME DRAGON!

Me: WHOA!

It landed and roared!

Me: WOW! Jack is that you?

Inferno Terrorflame Dragon: Yes it's me.

Me: You look incredible as an Akuma version of one of your Signature Monsters!

Eccentro: We were expecting you to look like Red Dragon Archfiend

Inferno Terrorflame Dragon: I know.

Me: I told everyone that Majestic Red Dragon is more powerful.

Inferno Terrorflame Dragon: That is true.

Carly Atlas: Jack is that you?

Inferno Terrorflame Dragon: Yes Carly it's still me. And it's good you are not out to kill me anymore.

Carly Atlas: I am not that person anymore.

Inferno Terrorflame Dragon: Good.

Me: If you were a card you would be a Dark Syncho Monster in a way.

Inferno Terrorflame Dragon: That is definitely a possibility.

Me: Yep.

Brass Knuckles: You need to calm down!

Inferno Terrorflame Dragon: Not until Sayer is dead!

Me: Hmm. I KNOW!

ZOOM!

I ran and took Sayer from the prison and brought him over.

Me: Misty, Inferno Terrorflame Dragon, Carly, knock yourselves out.

Akiza: But leave him alive. I still have a score to settle with him

Me: Fair enough.

Carly: I was gonna say.

They bashed and pulverized the LIVING SHIT OUT OF HIM IN A MERCILESS FIGHT CLOUD!

FEROCIOUS SOUNDS OF FIGHTING AND BRUTAL BONE BREAKINGS!

LOUD CRUNCHING!

SCREAMS OF AGONY!

Nico: GOOD GOD!

Laney: OOH YIKES!

Camie: I've never seen someone's spine bend that way!

LOUD CRUNCH!

Qin: YIKES!

They really went at him and beat him up REALLY BAD AND LEFT HIM AS A BLOODY, BATTERED AND BROKEN MESS!

Me: WHOA!

Nico: You done yet?

They panted.

Me: Feel better?

Inferno Terrorflame Dragon: Much better! Thank you.

Carly Atlas: That felt good.

Misty Tredwell: Yeah.

I teleported him back to the Facility.

Me: His days are numbered. I was gonna banish him to the Warp till Akiza's day but I decided to just let you all beat the crap out of him.

Inferno Terrorflame Dragon: Thank you.

Me: Okay lets fight now.

Inferno Terrorflame Dragon: Gladly!

I fired waves of energy and blasted him all over!

Brass Knuckles bashed him all over with his metal fists!

Inferno Terrorflame Dragon: My turn! CRIMSON STAR BOMBER!

He fired a ball of intensely hot fire and I fired a blast of energy and it hit the ball and sent it back and blasted him down and knocked him out.

Me: YEAH!

Elena: Imagine if there were Akumas of Organization XIII!

Me: Don't jinx it Elena but yeah.

Nico: That will be cool.

Lola: Yeah.

Nico: Alright, now to get after Don Piero.

Lincoln: First, I'll absorb all of his men and let you all in. But, first, Selena.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Mantid is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Don Piero saw it, and he and his men let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, bastard!

Nico: Okay, now we can get after the bastard without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Don Piero and his men raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate.

Lincoln: That's right, keep at it.

While we were still outside, Lincoln turned into a swarm of bats and he swooped inside the complex and caught Don Piero's 900,000,000,000,000,000,000,000,000,000,000 bodyguards along with more of his men off guard.

Lincoln: (Deep Sapphire Blue Eyes turn Red with slit pupils) Alright, let the fun begin!

Lincoln's vampire fangs grew longer and he also morphed the tips of his thirty-five massive and long brown tails into Cell's stingers and went at the 900,000,000,000,000,000,000,000,000,000,000 bodyguards of Don Piero along with more of his men in the complex, and the bloodbath began as he slashed at their chests with his gold-armored dragon claws and he also slashed at them with his massive greatsword.

Then, he stabbed his stingers into the chests of the men he'd attacked, and he began absorbing them and he grew even stronger, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of them except for their clothes. Then, he went to the rooftops and he also attacked and absorbed the snipers leaving nothing but their clothes, and finally, he went back inside and we also went in, but then, we saw the mess he left.

Me: HOLY JUMPING GHOST PEPPERS! WHAT A MESS!

We saw it: oceans of blood were spilled all over the floor and there were the clothes of the men of Don Piero with puncture marks in the shirt. Then, we heard moans of pain and we saw Lincoln in the center and his muzzle was covered in blood as he was absorbing more of the bodyguards and he left only their clothes after he was done and the stingers changed back. Then, he grabbed another thug by the neck with his left hand and...!

HISS! CHOMP! SCREAM!

Lincoln sank his fangs deep into the gangster's jugular and sucked him dry of blood along with sucking out his lifeforce and vital organs, and when he was done, the thug was left as a dried-up mummified husk who got dropped to the floor. Then...!

LINCOLN RAISED HIS HEAD UP TO THE AIR AND HE LET OUT THE LOUDEST, MOST ANIMALISTIC, AND MOST MONSTROUS WOLF ROAR EVER!

EXCEPT FOR LINCOLN'S HAREM WHO HAD THEIR EYES CLOSED, WE DID THE MOST WILDEST WILD TAKES EVER WHEN WE SAW THE ABSOLUTE CARNAGE HE LEFT!

Luan: (Mr. Coconuts' Voice) YOWZERS! WHAT A MESS!

Me: What did we just unleash?!

Francis Stone: (LAUGHS HYSTERICALLY) You're an animal, Lincoln!

Jack Atlas: That's...gonna give us some nightmares.

Then, Lincoln absorbed the oceans of blood spilled out into his body through his skin.

Lincoln: Ah, now that was a good feast. Now, then...!

We got to the door of Don Piero's office, and already, he was panicking! Lincoln's killed and absorbed all of his men, and it wasn't long before he was next!

Don Piero: This...this can't end like this! Not like this!

?: Okay, on my signal. Three...two...! OPEN THE DOOR RIGHT NOW!

We blew the door open, and then, the spirits of Law Enforcement and Duel Monsters flew in and they attacked Don Piero and forced him outside of his compound, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Don Piero even more pissed off than ever.

Me: SAY HELLO TO MY LITTLE FRIEND!

I fired laser pistols and blasted more of his men all over!

Nico: You got some nerve breaking out of prison to come after us again, Don Piero!

Jack Atlas: We already ran into some of your men whom you sent after us on two occasions and gave them what for.

Carly Atlas: Before Lincoln turned them into his next meal. I knew you weren't going to stay gone for good, and those snakes in Hell were the ones who busted you out.

Count Vertigo: I was expecting for you to be pissed. But right now, you're panicking!

We were amazed by the transformations of Jack Atlas and Carly Atlas, but that made Don Piero mad.

Ed Cowart: Okay, now it's time you got your just desserts, you loan shark douchebag!

Ed Cowart proceeded to insult Don Piero.

Ed Cowart: You are nothing more than a short, dull and ugly midget and wear secondhand clothing and look at you, you're so fuckin bald that not even a wig can cover your baldass. Where do you get your clothing? An expensive clothing cause it looked like you shoplifted it! Your mother is dull and ugly and your father smelt of rotten eggs. By the way, your outfit, does it come in short sizes?

WE WERE LAUGHING HYSTERICALLY, AND THAT REALLY PISSED DON PIERO OFF BIG TIME!

Don Piero: YOU LITTLE SHIT! I WILL HAVE ALL OF YOU SHOT TO DEATH! YOU'RE ALL DEAD!

However, Tokatti used his photographic memory to training himself to hit Type Shadow on the exact points needed to make an additional title to save himself, after that the ToQgers then use the Calligraphy version of the Rainbow Rush to hit Type Shadow in the head causing him to go dizzy then fainted thus destroyed. Tokatti then repeats the action through Diesel-Oh to bring the Ressha back during the robot's fight with the enlarged Type Shadow, resulting in the Shadow being destroyed by ToQ-Oh and Diesel-Oh

Time to die, asshole.

Lincoln, Ranka Ookami, Nico, and I went after Pyron, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Pyron, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Ranka Ookami did the same by firing pink and white, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Elbia Hanaiman, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Pyron even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Pyron and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Pyron's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'11" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln charged at Pyron and he put the fire cosmic entity into a brutal bearhug so he couldn't escape, and then, Lincoln began absorbing Pyron into his body through his skin and he assimilated Pyron's immense powers and abilities such as the power to destroy worlds and consume them, Superhuman Strength, Superhuman Speed, Superhuman Durability, Heliokinesis, Photokinesis, Pyrokinesis, Energy Manipulation, Energy Generation, Energy Absorption, and Energy Projection, Flight, Gravity Manipulation, Matter Transmutation, Shapeshifting, Size Manipulation, Teleportation, Cosmic Awareness, and the 265 million years of knowledge from the planets Pyron consumed in the past, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals was flaring up like crazy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Pyron and Lincoln drained Pyron's soul completely dry of energy and power and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla as his rainbow, white, golden yellow, and blue energy aura flared up even more and it looked like a powerful raging rainbow fire.

We cheered wildly as we holstered our weapons and powered down and Ranka Ookami's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large pink and white planets orbiting around her legs, thirty-five smaller pink and white planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized pink and white planets orbiting around her wrists and ankles, and massive pink angel wings and twenty-four sets of large pink angel wings underneath her massive pink angel wings are permanent.

Ranka Ookami: And this is goodbye and good riddance forever. Thank you for helping me destroy Pyron for good, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Ranka.

Me and Nico: Our pleasure, Ranka.

Suddenly, Ranka Ookami wrapped her arms around Lincoln's waist, as her large chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ranka Ookami's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Ranka Ookami sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: And that is that for Pyron.

Lincoln: Yep. Now, we're rid of him for good.

Nico: That monster got what he deserved.

Me: That's for sure. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw a tornado form out of nowhere, and it transformed into a massive library and we saw the crest of The Witchcrafter Duel

Monsters come out of the books.

Lincoln: The Crest of The Witchcrafter Duel Monsters from the winds and library full of books.

Selene Arcangela: There's only one person who has books and wind as part of her specialty in The Witchcrafter Artisans Guild: Michelle Augustus, Avatar and Gene-Slammer of Witchcrafter Genni.

Emily Edelstein: I knew it was her, and you guys are going to love meeting her, Michelle Augustus, Avatar and Gene-Slammer of Witchcrafter Genni, is Lincoln's Guardian Angel from Michigan and she's a powerful master of wind, books, and magic. She's the bookworm, genius, and Book Master of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Michelle Augustus met Lincoln, and this one time, she and Lincoln created amazing books of many kinds including spellbooks and Illuminated Manuscripts including an Illuminated Manuscript of how Team Loud Phoenix Storm was created and it also included our many adventures. Plus, she really helped him with mastering the powers of light which she saw that he was born with, along with teaching him how to master the powers of wind, books, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome wind greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion because she tried to destroy their massive collection of handcrafted Illuminated Manuscripts and spellbooks out of spite to satisfy her need to cruelly humiliate and torture Lincoln, and the bitch got imprisoned in a book that also served as a prison and she was put in a bookcase for a month for her to learn her lesson.

Nico: Lynn, seriously?! What the Hell?!

Qin: Jeez.

Laney: I was so pissed that Lynn tried to destroy their massive collection of handcrafted books and Illuminated Manuscripts just because she can't stop humiliating, torturing, bullying, and harassing Lincoln for her own sick and twisted amusement.

Luna: That just proved her Dark Side was an absolute bullheaded moronic stupid idiot with gym socks for brains!

Caleb Maxwell: Even the bully jocks in my high school had more common sense than that bitch, but some of them were just like her, and I was so mad at them, I wanted to see their lives go down the drain.

Allie Maxwell: Well, their lives unfortunately didn't go down the drain, they actually succeeded in their lives before and after you died, Caleb.

Caleb Maxwell: Crap...!

Nico: Jeez, they really pissed you off in the past with the same antics Lynn had done to Lincoln.

Allie Maxwell: You don't know how close you are to the truth. Those guys thought they were bigger and stronger and Caleb was seen as easy prey just like Dad was. For Dad, it was because of his dirty scumbag relatives, and for Caleb, it was simply because he's Dad's son and that combined with what that shithead, Drake, had done, made Caleb so angry and furious, he wanted blood and revenge on them. I still remembered it, Caleb was so angry, he gritted his teeth angrily at the jocks, and blood came out of his tear ducts.

Marlene Maxwell: We may have our famous and fiery temper, but what Caleb had was far darker and far more horrific: this was pure hatred to the core.

Jack Howard: Even the NYPD Nightshift stayed clear of him when that happened to him.

Captain Whitten: I couldn't forget it. Drake's constant ruthless behavior towards Caleb that one time in NYU caused him to cry blood tears and he glared at the asshole with absolute hatred. If looks could kill, Drake would wind up dead.

We gulped in fear.

Me: Ooh boy.

Nico: Yep. The more we find out about Caleb, the deeper and blacker his ex-brother's sins become.

Me: Those 3 punches really hurt Piero. I hope it damaged his brain.

Hydros: I hope it did as well.

Stratos: Either way, he won't be terrorizing other ever again.

Electro: No, he won't.

Iron Lung: What now?

Bronze Kneecap: Let's all go get coffee!

Me: Okay but I'm only having donuts this time of day.

Nico: Yep. Great job today everyone.

Qin: That was fun!

Lola: YEAH!

Carly Atlas: (To the viewers) Man what a battle and an adventure.

Me: Yeah!

Jack Atlas: That was a good one.

We went to a coffee and donut shop and had good donuts.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we took down Don Piero, got rid of The Pool Zombie, got rid of Ultratech for good, and pissed off Dark Sebastian and those pathetic snakes again.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) (Rubs Lincoln's massive pecs) Uh oh, now he's about to get wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan.

Lincoln: (Seductive Voice)(Smirks) You guessed it.

Lincoln used his thirty-five massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

FLASH!

Don Piero was standing for a mugshot and he was in a prison jumpsuit and MAN WAS HE A BRUTALLY BEAT UP MESS! Don Piero was found guilty of Murder, Extortion and many crimes. He was condemned to the Uranus Prison Mafia Federal Section for eternity and ordered to pay $833,333,000,000,000,000,000,000,000,000,000,000,000 in restitution to Jack and Carly.

Desperate Doom Eagle. Also we're going to meet a gene-slammer of Evil HERO Infernal Prodigy.

Alright, and now, for tomorrow, the match-up is for Kannazuki Sora, and she and Lincoln are going to destroy Wagnard from Record of Lodoss War who's back for revenge.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to a planet of nuclear hot fire and peppers, but we also got bad news: it appears an old enemy of Riley "Ruby Carbuncle" Mackenzie has returned, the bad news: this old enemy is her older brother, Ryan Mackenzie, he and Riley never got along, in fact, he hated her the day she was born and he always insulted her at every turn, and he was brazen enough to do that in front of their parents which wasn't very smart, in fact, he was a stupid idiot who relied only on brawn, muscle, and brute force, and not on his brains, and he relied on the fact that he was the biggest and strongest of his school to get his way, but it proved to be his own undoing. His reliance on brawn, muscle, and brute force left him with a lack of thinking in the smarts department as Lincoln and Riley found evidence of every last one of Ryan's crimes including rape of girls who are friends with Riley. This made her so pissed off to the extreme, she reported it to the school and Ryan was expelled from school and arrested, and since he was eighteen at the time, he was thrown in prison for life and he got disowned by his parents forever.

But now, years later, we got word that Ryan has broken out of prison thanks to him bulking up even more in muscle in the past fourteen years since he got sent to prison, and now, he's out for revenge on Riley, but Lincoln's going to take down that stupid bully and absorb him and send his soul straight to Hell because he's not worthy of getting sent to The Black Gates or The Black Abyss, and we're going to meet Michelle Augustus, Avatar and Gene-Slammer of Witchcrafter Genni, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of wind, books, and magic. She's the bookworm, genius, and Book Master of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Michelle Augustus met Lincoln, and this one time, she and Lincoln created amazing books of many kinds including spellbooks and Illuminated Manuscripts including an Illuminated Manuscript of how Team Loud Phoenix Storm was created and it also included our many adventures. Plus, she really helped him with mastering the powers of light which she saw that he was born with, along with teaching him how to master the powers of wind, books, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome wind greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion because she tried to destroy their massive collection of handcrafted Illuminated Manuscripts and spellbooks out of spite to satisfy her need to cruelly humiliate and torture Lincoln, and the bitch got imprisoned in a book that also served as a prison and she was put in a bookcase for a month for her to learn her lesson.

Next up is Jaune Arc's day and we're going to battle Adam Taurus and make him pay!

See you all next time.

Yang and Blake Scorned Vengeance

HELL HATH NO FURY LIKE 2 WOMEN SCORNED!

Adam Taurus is gonna get his Butt Kicked BIG TIME!

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to Remnant, but as he was flying, he saw someone he hoped never to see again: it was our old enemy, that evil heartless human-hating monster, Adam Taurus, and when he saw The Monitor Orb embedded in his forehead, he knew Anti-Monitor was the one who brought him back from the dead once more to seek revenge on us again. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got big trouble, and you and Yang aren't going to like it, Blake.

Lincoln explained everything, and his harem were horrified.

Yang: I can't believe it, so Adam's back from the dead again.

Blake: I should've known, and Anti-Monitor was the one who brought him back.

Arianna Salem Rose: So, one of the many main enemies of Remnant has returned, and it's none other than Adam Taurus. Looks like we're getting payback on him.

Lincoln: That's for sure. We're gonna tell everyone about this in the morning, and when they hear of it, they're gonna be pissed.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready

with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to Remnant.

Then, Lincoln explained to us that as he was flying, he saw someone he hoped never to see again: it was our old enemy, that evil heartless human-hating monster, Adam Taurus, and when he saw The Monitor Orb embedded in his forehead, he knew Anti-Monitor was the one who brought him back from the dead once more to seek revenge on us again. When he finished, we were pissed.

Me: I can't believe it, so Adam Taurus, the first of Remnant's many main enemies has made his move at last.

Nico: That human-hating monster's gonna get it big time.

Salem: And this time, Opaline isn't going to save him.

Lincoln: No, she isn't, not this time, and I'm also going to get my own share of payback on him too: that psycho broke Blake's heart and he also cut Yang's arm off, and for that, I'm gonna rip out his jugular with my teeth and fangs and see him choke on his own blood before he dies.

WE GASPED!

May: Ooh boy. Adam's screwed big time.

Ed Cowart: I've also got some insults for that psycho, and I'm also going to give him the middle finger and tell him to suck eggs!

Me: Now, you're talking!

Suddenly, Lincoln's deep sapphire eyes glowed, and a viewing window formed, and when it came into full-view, we saw a planet, but then, it came into full-view and we saw that it was a deadly planet and what's even worse, it was chock-full of Cochleanians.

Nico: Whoa! The Cochleanians!

Lincoln 2: (Through Lincoln's Ebonwu crest) And I'd recognize that planet from anywhere, that planet is Cochle, it's a deadly and hostile planet, and as you guessed it, Cochle is none other than the home planet of The Cochleanians. Even J.D. and I stayed far away from that planet.

Shanan: I don't blame you though.

J.D. 3: (Through my crest) Same here, we stayed away from Cochle. But, this is our chance, now we can destroy Cochle forever.

Me: Awesome.

Buster Bunny: We also got to get rid of The Cochleanians, we can't have them running loose.

Lincoln: We'll deal with them first, and as for destroying the planet, leave that part to me.

Poromon: Why do I got the feeling that you're gonna do something crazy and stupid?

Lincoln's Guardian Angels: Excuse us?! What did you just say?!

Lincoln's Guardian Angels glared at Poromon who had a drop of sweat come down his face.

Poromon: (Nervously) Uh, nothing.

Poliwag: Smooth move, chucklehead.

Poromon: Nobody asked you, ya Pudding Head!

Poliwag: RUFF!

Lincoln: Oh for fuck's sake.

CRACKS FINGERS!

LOUD CRUNCH!

Lincoln cracked his fingers!

Ed and Mascots: WHAT A PEST!

Edd: That's disgusting.

Ed and Mascots: MAKE HIM STOP!

ED AND THE MASCOTS WERE RUNNING AROUND LIKE HEADLESS CHICKENS AND WE LAUGHED HYSTERICALLY!

Me: That gag still cracks me up!

Nico: Same here!

We stopped laughing hysterically.

Nico: And, Poromon, we've seen J.D. do lots of things that were considered crazy and stupid, but whatever you got planned, Lincoln, I hope it ends with their planet being destroyed forever.

Lincoln: You got it. Alright, let's finish breakfast and head out.

Nico: Got it.

Jaune woke up to see Noctowl staring at him

Noctowl: Morning Jaune. Time for breakfast.

Jaune: Oh be right there!

He went and got dressed and went to the table and we gave him steaks and sausages and he really piled on the protein.

We finished our breakfast, and we got onboard The U.S.S. Valorous Phoenix, and we set out to the hostile planet, Cochle, to destroy The Cochleanians and destroy the planet itself and wipe it from the infinite fabric of the universe forever. We went to the ship and we were off.

The U.S.S. Valorous Phoenix was flying through space and we were flying through the Black Eye Galaxy.

Nico: Captain's Log, Stardate 12984.1: The U.S.S. Valorous Phoenix is en route to the home planet of the Cochleanians, Cochle and we're going to blow that entire planet to smithereens and destroy the Cochleanians forever.

Me: I have a feeling this is gonna be a brutal mission.

Qin: Yeah no kidding.

Camie: I'm ready for this.

Me: We'll have to fly only in the sky and use diversions to get them away from us.

Qin: That is for sure.

Lola: I agree.

Poromon: But we're ready for this.

Hard Man: I'm ready to kill some of these monsters.

Nico: Hard Man I want to thank you, Blizzard Buffalo and your teams for coming.

Hard Man: No problem Nico. This will be awesome.

Kiara Kessler: I agree there. I'm ready.

Nico: Kiara, are you proud of Kalin for how far he's come?

Kiara Kessler: I sure am. My brother has really come a long way in his journey.

Me: First he was hellbent on wanting to kill me. But as time went on he started to open up and became a force of good.

Carly Atlas: Yeah Kalin is a good guy when you get to know him.

Misty Tredwell: That's true.

Lincoln: I agree there.

Nico: Yeah I remember. We first met him when we took down Scarface.

Me: Yeah that was awesome and cool.

Nico: And now, he's a Core Member.

Me: Yep.

Morpheus: And my archenemy.

Qin: Yep.

Chloe Yoriyama: I know.

Me: Chloe is there anymore information you can give us about the kinds of aliens you were slammed with? Other than the fact that they are blind and hear amazingly well?

Nico: Any info would be nice

Chloe Yoriyama: Well they have impenetrable hides and not even conventional weapons like bullets and missiles can destroy them.

Me: What about nuclear bombs?

Chloe Yoriyama: No not even nukes can kill them. Not even radiation can kill them.

Me: Wow. Maybe magical weapons can kill them. Energy blasts and elemental weapons might work.

Chloe Yoriyama: Yes they can work. But also they are weak against ultra high frequency sonic noises can make them weak and render them easy to destroy.

Me: Good we do have a weapon to use.

Ben: I can use Ultimate Echo Echo and Echo Echo for that.

Me: Perfect.

Nico: Good that works. So the sonic sound users will be handy for this. Thanks Chloe.

Chloe Yoriyama: Anytime.

Me: Yeah. Man yesterday was awesome!

Jack Atlas: We brought down Don Piero and his men.

Carly Atlas: WOW! No kidding! We killed over 50 million men and brought him down and sent him to jail.

Nico: It was intense.

Me: Yeah we summoned all our monsters and let all hell loose on him.

Eli: We sure did. Also he even had the audacity to offer us money and women!

Me: Yeah! Also you know what that mission also reminded me of?

Nico: What?

Me: Our very first mission as shinobi outside the village when we went and killed Gato.

Naruto: I remember that! That was our first mission and it was awesome.

Nico: Gato?

Me: Gato of Gato Shipping. He was a Shipping Magnate and he ruled over the Land of Waves with an Iron Fist.

I told them what he did and more and it was horrible! Tazuna came to us to help us destroy Gato so he an build a bridge to connect to the mainland and Gato hired rogue ninjas and bandits to kill Tazuna. But thanks to us we killed Gato and freed the Land of Waves from his tyranny.

Nico: WHOA! That is amazing!

Me: Yep. That was awesome.

Sakura Haruno: I remember how fun that was. It was cool.

Me: Yep.

Jack Atlas: My Akuma was amazing too.

Me: I was expecting it to look like Red Dragon Archfiend but Majestic Red Dragon is just as awesome.

Nico: Some of us were thinking that too

Me: Yeah. But it was therapeutic for Carly, Misty and Inferno Terrorflame Dragon to mercilessly thrash Sayer too.

Akiza: It sure was. Thanks for keeping him alive for me to want to settle a score with him in the future.

Me: No problem. I was going to have him banished to the Warp till your day, but I decided not to do that and let him suffer from his injuries.

Nico: Good idea.

Akiza: Good idea.

Nico: And then, we had coffee since it started the whole thing to begin with!

Me: I just had tea because it was too late for coffee.

Qin: Yeah.

Laney: Too true.

Jack Atlas: I know.

Me: Look on the bright side, at least Don Piero will NEVER Terrorize

Neo Domino City again.

Qin: Too true.

Camie: Yeah. He deserves to be in prison.

Me: Some of his criminal men are in the clink too and without a doubt he will get beaten to death there. Just like what happened with James Whitey Bulger.

Ymir: Who?

Me: He was a Boston Mob Boss that was arrested a while back and was killed in prison back in 2018.

Nico: I remember seeing that on the news. Good riddance.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a scary looking forest planet with two moons.

Me: So that's planet Cochle. Scary place.

Ymir: (GULP) This is gonna be scary.

Me: Yep. We're going to have to approach this very cautiously.

We teleported down and stayed quiet.

Me: (Whispers) So this is Cochle. Scary planet.

It was a forest and jungle planet and it was creepy. The sky was sea foam green and the view of the two moons was incredible. The trees were creepy and scary.

Me: Wow what a creepy place.

Nico tested something out and threw a pebble and it hit a tree.

Cochleanians Came and smashed the tree and we stayed still and they left.

Lincoln put up silence barriers to prevent them from hearing us and only us can talk to each other.

Me: WHEW! Thanks Lincoln.

Nico: I was hoping to take some of them out!

Me: We still can.

I fired waves of energy and blasted them and blew them to pieces.

Nico fired waves of energy and blasted them and blew them apart.

Me: That did it!

Horsea squirted ink far away from us

They went to it.

Me: That will keep them Busy for a bit.

We walked around and it was a scary planet.

Me: Wow this place is creepy.

Lincoln: Yeah.

Me: Look there.

We saw what looked like an INSECT HIVE CASTLE.

Me: It looks like some kind of hive.

Chloe Yoriyama: It is. I forgot to mention that the Cochleanians have a social structure that is very similar to the insects like ants and termites and beetles. They are ruled by a single queen.

Me: Very interesting and similar to insects on Earth.

Nico: Then let's pay her a visit!

Lincoln: Okay, guys, we're in for a very dangerous battle, we're here on Cochle, and we're going to kill every last Cochleanian and destroy the planet, Cochle, forever.

Me: Yep.

Nico: These monsters aren't going to hurt anyone ever again, that's for sure.

Eli: And these things rely on sound, right? So, this means we got to resort to stealth as well.

Lincoln: Right.

Lincoln took flight as he went off of the ground and Ymir saw Lincoln flying, but he's not using his thirty-five sets of angel wings, but they were still spread out.

Ymir: How did he...?

Elizabeth Herodias: I taught him how to fly before he got his angel wings. We'll need to do the same so as not to cause any noise.

We did just that.

Nico: Alrighty, let's get started.

Me: Good thing Lincoln made silence barriers for us so we can talk to each other.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent a general after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another demon general after us?!

Nico: Even after you sent those fucking snakes running to Hell yesterday, they still want to cause a lot of trouble for us. Those bastards and bitches are an absolute pain in the ass.

Lincoln: Either way, I'm going to absorb him and drain his soul and send him to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for The Cochleanians) Got them. I spotted The Cochleanians, they're resting, but we got to approach them carefully, so Andre, I'm afraid you can't go and slam your greatsword onto the ground.

Andre Lupescu: Darn.

Nico: He's right, those things are monsters that rely on sound, so we can't let them hear us.

Andre Lupescu: Understood.

Lincoln: (Sensed the next demon general) And the next demon general sent by those snakes is also coming right for us, but the best part, those snakes are going to watch as their next demon general is also absorbed by me.

Me: (Smirks) That'll piss them off big time.

Nico: (Smirks) Here's hoping they get another asskicking while trapped in Hell.

Lisa heard a Pokemon Cry even though it was a quiet one.

Lisa Loud: Look guys.

We saw a Porygon.

Me: A Porygon. Perfect for you Lisa.

Lisa Loud: Indeed.

Porygon: I don't like this place.

Me: It's scary I know.

Lisa Loud: Here you go.

She gave her food.

Porygon: Thank you.

She stayed with Lisa.

But then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion blasted off next to a patch of forest miles away!

Me: WHOA! What did that!?

Nico: WOW!

Laney: LOOK!

We saw a Mega Flareon!

Me: A Mega Flareon! Wow!

Nico: How'd that get here?

Me: I think it's one of Dark Gale's work.

Nico: It might be.

Taranee Cook: Let me see.

She used Telepathy and gasped!

Taranee Cook: That's my sister Tyra!

Me: She must be the Fire Guardian of the Candrakar Musketeers.

Taranee: That's right. Lets go!

We went to her.

Taranee: Tyra it's me Taranee!

All she did was use Fire Blast.

We absorbed the fire and it made us stronger.

Me: Looks like we got to fight.

Me and Taranee fired waves of fire and water and blasted her down.

I snapped my fingers and she reverted back and was a girl with red hair and red eyes and had fire angel wings and had Mega Flareon on her forehead and had the Candrakar symbol of fire with a Phoenix, Dragon, Salamander and a Fire Wisp on it. We wrapped her in a blanket and brought her over.

Me: Whew. This place is far too dangerous for her.

Nico: Yeah.

She woke up.

Tyra Cook: (Groans) What hit me?

Taranee: Tyra? Are you okay?

Tyra Cook: Taranee? (Gasp) It is you!

She hugged her.

Tyra Cook: What happened? What is this place?

Me: This is the Alien planet of Cochle. You're on a very dangerous world right now. This planet is home to aliens that are blind and will kill if you make the tiniest bit of noise. But we put up a silencing barrier so they won't hear us. As long as you are with us you'll be okay.

Tyra Cook: Oh man! Thank you.

Me: You're welcome. Also you were turned into a Mega Flareon by Dark Gale.

Tyra Cook: (GASP) I remember.

She was in an orange suit and she was injected and in a massive burst of fire she turned into MEGA FLAREON!

She blasted them and burned the members of Dark Gale and blasted out of the place.

FLASHBACK ENDS

Tyra Cook: It was awful.

Me: I know but we destroyed Dark Gale.

Nico: It's true.

Qin: Yeah.

Nico: Your role in Sonya's team?

Tyra Cook: I am the Fire Master of the team. Also outside the team I work as a Guardian of Candrakar and help destroy our enemies.

Me: Well we destroyed all your enemies and redeemed Nerissa. Phobos was destroyed and Nerissa was redeemed.

Nico: Yep.

Tyra Cook: Wow.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her amazing new Guardian Clothes and a fire sword.

Tyra Cook: I look amazing.

Me: You sure do. Now we got to crown a queen.

Nico threw a pebble far away from us and it hit a tree and drew many Cochleanians away.

Me: Good.

We took off to destroy The Cochleanians and destroy the planet, Cochle, and send the next demon general sent by The Order of The Dark Universe and The Dark Church of Malphas to The Black Abyss.

We got to the hive where The most Cochleanians and the queen were at, and it was really uneasy: the air there was heavy, but we knew The Cochleanians were there.

Lincoln: Now, to force them out.

Lincoln made a clone of Flip, and then, he fired a blast of lava that hit the clone and melted his three butt-cheeks and testicles, and then...!

LOUD BELLOW OF AGONIZING PAIN!

FLIP LET OUT THE LOUDEST BELLOW OF PAIN EVER, AND THAT GOT THE COCHLEANIANS OUT IN FULL FORCE AND THEY ATTACKED THE CLONE AND THEY TORE HIM APART!

Me: Whoa!

Nico: Brutal.

Chloe Yoriyama: Just like in A Quiet Place. Now, they're out in full force.

Me: Yep.

Out came the queen and she was a beautiful woman creature with no eyes but had butterfly wings and dark blue skin and had a black clothes and had an insect staff.

Queen: Team Loud Phoenix Storm what an unpleasant surprise!

Me: We aim to please.

Queen Yixannia: Please forgive me I forgot my manners. I am Queen Yixannia and you are on my domain of Cochle.

Me: Too bad it will be the only time we meet. But why are you doing this to us!? What has Earth done to you?

Queen Yixannia: It's part of my plan to make me and my people the most greatest race of all. You see, for years I had a dark ambition. I wanted to make my race the most superior race in the entire universe by sending my race to the planets I want to destroy all life to make way for my people to live on those planets as the new dominant species of their worlds. I want to make sure that all the people of those worlds are dead. Of course there was resistance but

I figured it wouldn't be long till they had difficulty fighting my people. Until I heard about how you all fought back and destroyed my people on another version of Earth. That is when he came to me with a proposal.

Me: Who and what kind of proposal?

Queen Yixannia: The one you call Dark Chase Young came to me from the Warp and made an interesting request. Dark Chase Young called the us from the Warp and the asked us to attack Earth and destroy EVERYTHING! We were going to attack you all in 3 weeks!

WE GASPED!

Nico: He's either brave or stupid!

Me: Yeah! Why would you trust a monster like Dark Chase Young!? Especially after all the atrocities he commited?

Queen Yixannia: Quite frankly I don't trust him one bit. As an Uber-Cochleanian, I don't trust anyone except me and my race. I was going to kill him after I was done with him.

Me: Get in line because we already called dibs on him on Kimiko's day. Also you would not be able to kill him anyway no matter how hard you tried. He's immortal like us and is very deadly as a fighter and a monster.

Queen Yixannia: Ah so he would be a challenge to us. Well you can have him then if you make it off of this world in one piece.

Me: Thanks. But also your motives are very similar to what the Highbreed of the planet Augstaka were going to do. They wanted to wipe out all impure races all over the universe.

Queen Yixannia: I see. Well as much as I enjoyed our little chat, I'm afraid it's time for you all to die! ANGELS ATTACK!

THEY ROARED AND WENT AT US!

I fired a massive sonic blast and destroyed them!

Porygon charged at her and blasted her with lasers.

I fired waves of energy and blasted her all over.

Me: You kill the queen, you kill the entire hive!

Xenia fired laser arrows and blasted her.

Lana fired waves of ice and froze her.

Lola fired waves of fire and burned her.

Eli got out his Core Medals and fired waves of energy and blasted her.

Eli's medals were Ahsoka Tano, Aayla Secura and Padme and he fired waves of energy and blasted her.

Nico got out his Core Medals and fired darkness blasts and blasted her.

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a 12'5" extremely muscular male demon with curved horns on his head and massive black fallen angel wings and dressed only in black shorts and loincloth and carrying a massive demonic greatsword came out along with many other demons.

Cocytus Malefic: Oh great, they sent Samael, another demon general of Hell to attack us, and he also has his army with him.

Lincoln: Time to put an end to this.

Belial charged at us, but Lincoln charged at Samael and he really trashed the hulking demon general as he punched and kicked him and slashed at him all over the place, and he was really working up a sweat, and finally, he knocked Samael down.

Then, Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Samael, and he began absorbing him and he assimilated his massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Samael except for his loincloth and shorts and Lincoln drained Samael's soul of energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Me: Nice one, Lincoln!

Nico: Way to teach that demon a lesson.

That made Samael's men angry, but then, Lincoln's massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out, and then...!

Lincoln: (SAVAGE LOUD WOLF ROAR)

Lincoln let out a savage loud wolf roar and that caused Samael's men to slit their own throats and they killed themselves and they were sent back to Hell.

Me: WHOA!

Nico: Oh man, Lincoln caused them to commit suicide and they were sent back to Hell by roaring at them! Talk about intimidation to the core!

Back in Hell, seeing what happened to Samael getting taken down and absorbed by Lincoln and the soldiers of Samael committing suicide and sent back to Hell royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC AND CAUSED SO MUCH HAVOC IN HELL, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at The Cochleanian hordes with silver bullets from his guns, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at them as they got hit and most of them got killed. Then, the barrier deactivated and Caleb then lands and rejoins us.

The Cochleanians roared at us.

James Blunt: That's right, get angry with us. (Smirks) But, then again, you're just monsters who have no place in this universe anymore.

Cage Blunt: You've lived for too long.

The Cochleanians went ballistic, but Andre Lupescu fired at them with one of his silver-plated guns in his left hand while he holds his massive greatsword slung over his shoulder and more of them got hit by silver bullets and more of them wound up dead. Lincoln took that chance to use his Cell stingers to absorb them and he gained all of their strengths and powers and he also drained their souls as well and the stingers changed back.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomachs of the remaining Cochleanian hordes, and a cluster of rainbow, white and blue heavenly flames exploded out behind them, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'11" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and Me: NOW, GO TO HELL, YOU VICIOUS

MONSTERS!

Lincoln, Nico, and I did one final powerful energy slash that hit the remaining Cochleanian hordes hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and the remaining Cochleanian hordes were on their last legs and they were really really mangled.

Then, Lincoln, Nico, and I absorbed the last remaining hordes of The Cochleanians, and we left nothing of them.

Winter Icyin: (British Accent) Everyone, back to the ship!

We ran back to the ship, and then, Lincoln flew right into a spot on the planet and he flew deeper and deeper into the planet, and then, he found it: Cochle's core, both the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely hot with temperatures ranging from 72,000–90,000℉ or 39982-49982°C, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat, and we saw it through a viewing mirror I made.

Eli: Whoa, Lincoln's growing stronger!

Lisa Loud: Sweet Einstein, he's absorbing the immense heat from the planet's core.

Then, we saw Lincoln literally fly into the planet's core, and then, we saw his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet into his body and he was really growing even stronger than ever.

Me: HOLY GUACAMOLE ON WHEAT TOAST!

Nico: HE'S ABSORBING THE CORE OF THE PLANET INTO HIM AND HE'S GETTING STRONGER THAN EVER!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, but then, we saw a rainbow fire aura flare up around those two auras as well, and then, he disappeared in a flash of light and reappeared in The U.S.S. Valorous Phoenix.

Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Hurry, we need to get out of here. The planet's going to crumble.

We immediately set a course for home, and we got back just in time too: Cochle suddenly began to turn into a brittle shell and it crumbled and turned to dust.

Luna: Dang...!

Anna Anyanova: Incredible.

We cheered as we holstered our weapons and we powered down, and Chloe Yoriyama's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large black and dark blue planets orbiting around her legs, thirty-five smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Nico: That's it for Cochle, but man, Lincoln, you really were crazy to head deep into the planet's core and you absorbed it.

Me: Yeah. I've done a lot of crazy things before in the past, but you, that was beyond crazy! But, it worked.

Lincoln: Yep. Cochle is gone forever along with every last Cochleanian, and absorbing the core of the planet along with every Cochleanian and gained their powers and abilities made me even stronger than ever. So, here's what'll happen, any evil planets we do come across, I'll absorb its inhabitants and plunge deep into the planet and absorb its core.

Shanan: Absorbing the inhabitants and the cores of evil planets we come across?! What the?!

Nicole: We've seen Dad do a lot of wild things, Shanan, but Lincoln's got a point, there are other evil planets out there, and they need to be destroyed along with its inhabitants, and who knows, maybe he'll add them to his collection.

Lincoln: No, Nicole, those planets are nothing but evil and deserve to be destroyed, and I do have the power to destroy planets that are truly evil along with creating new planets thanks to the omnipotent force of The Aura Star that I gained from feeding on Diana Dharmok's blood, but that I only used for prison planets. I haven't created new planets for the species that've lost their planets before, but one day, that'll come true.

Me: YEAH!

Stewie: They won't hurt anyone anymore.

Me: Good fucking riddance to bad rubbish. But Lincoln that was so cool! You sucked in the entire planet!

Qin: Yeah!

Camie: WOW!

Ymir: Well done!

Lincoln: Aww it was nothing.

STEWIE THEN VOMITED!

Me: WHOA!

Brian: Stewie are you alright?

Stewie: I just puked out of fear. That's all!

Brian: Like with what happened when you saw Chris's smut magazine.

Stewie: DON'T FUCKING REMIND ME!

Me: Cleanup on Aisle 12!

We cleaned up the puke.

Nico: Nice job Porygon!

Porygon: Thanks Nico. That was fun.

Poromon: Want some beer?

Porygon: Oh no thanks. I can't drink or I would short out.

Me: Oh yeah.

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Me: Still a darn shame Porygon didn't air.

Deadpool: Yeah your episode didn't air.

Porygon: How come?

Me: It caused a lot of seizures. The Strobe Light Effect.

Laney: Flashing lights can cause seizures. Especially in those with epilepsy.

Porygon: Oh I get it.

Poromon: We're gonna visit a more pleasant planet later

Me: Okay. Me and Eli will come with too.

Qin: Good idea.

Poromon: Yeah.

Hard Man: That's one evil planet we no longer have to worry about.

Nico: Oh, Hard Man, what do you like to do in your free time?

Hard Man: I'm a blacksmith robot. I make armor suits made of the same material I'm made of.

Me: WHOA! Hard and cool.

Qin: Yeah.

Lincoln: (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them. Whoa, and three of them are Another Blake Belladonna, Another Jaune Arc, and Another Yang Xiao Long.

Me: WHOA!

Blake Belladonna: Another Me? And Another Yang? And Another Jaune?

Lincoln: Today is Jaune's big day against Adam, but it's also yours and Yang's chance to get payback on Adam, same with me.

Me: (WHISTLES)

Nico: First time we got three Anothers of our teammates. This is gonna be good.

Eli: We got Another Blizzard Buffalo, Roadhog, Rough Diamond, Sangre, Volcania the Fire Cannon and Blue Blooded Oni.

Me: Yep and Hard Man, Kiara Kessler, Hina Hard, Hera Kristiansen, Abigail Howenshead and Akatsuchi (Naruto) are up.

May: COOL!

We went to the gym and we saw the Anothers!

Nico: There they are!

We saw Another Roadhog, Rough Diamond, Sangre, Volcania the Fire Cannon and Blue Blooded Oni.

Me: Yep.

They reverted back and were the gene-slammers of Fenrir the Nordic Wolf, Jormungardr the Nordic Serpent, Guldfaxe of the Nordic Beasts, Nordic Smith Ivaldi, Tanngnjostr of the Nordic Beasts, Dverg of The Nordic Alfar, Sleipnir of the Nordic Beasts, Svartalf of the Nordic Alfar, Nordic Beast Gullinbursti, Mara of the Nordic Alfar, Tanngrisnir of the Nordic Beasts and Hraesvelgr, the Desperate Doom Eagle

We were introduced to the Knutsen sisters! We met Ingrid, Hanna, Anette, Nora, Ashild, Anna, Agnes, Anniken, Aina, Emma, Aslaug and Astrid Knutsen.

Astrid Knutsen: (Norwegian Accent) Good to see you Nico.

Nico: Same here girls.

Me: Wait you all have the same last name like I do. Are we related?

Emma Knutsen: (Giggles) No we aren't related. Our last name is spelled K-N-U-T-S-E-N.

Me: OH! That's different. We sound like we shared the same name there. For a second I thought we were related in a sense. But that is cool that you are the gene-slammers of legendary Nordic Creatures in Duel Monsters.

Qin: Crazy huh?

Me: Yeah except we aren't related by blood.

Blake: I'll still have my turn. Yang already had hers.

Me: Yep. Oh by the way girls, are the Another Blizzard Buffalo and Jaune, Blake and Yang hostile or Friendly?

Astrid Knutsen: Friendly and Thor and Loki are in for a surprise.

Me: I have a feeling it'll be awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: Take that!

Me: Now we wait.

Poromon: It won't be long now

Me: Yep.

Lola: Yeah.

Me: Oh there they are.

We saw Another Blizzard Buffalo, Jaune, Blake and Yang!

Me: YEAH!

Another Blizzard Buffalo: (In a girls voice) This is gonna be good.

They reverted back and were the gene-slammers of Odin, Father of the Aesir and Thor and Loki, Lords of the Aesir!

Nico: (GASP) Olivia Odin, Talia Thor and Leia Loki!

Thor: Talia!

Loki: Leia!

Odin: Olivia!

Olivia, Talia and Leia: FATHER!

They went and hugged them.

Odin: Oh my daughter thank goodness.

Thor: Thou had me worried.

Loki: It's good to see you all.

Me: Wait the Daughters of Lord Odin, Thor and Loki!? That is cool!

Olivia Odin: It's good to be home.

Odin: It's good to have you all here.

Talia Thor: We also have all of Blizzard Buffalo's powers too besides our fathers.

Me: I can see that.

Blizzard Buffalo: That is cool!

Me: Yep.

Nico: And your friends?

They reverted back and they were mini versions of Jaune, Blake and Yang!

Jaune: (GASP) Joan!

Blake: Brie!

Yang: Ying!

They hugged them!

Jaune: Oh my sister!

Blake: We're happy to see you.

Yang: Yeah.

Ying: Same here.

Brie: You are heroes to us.

Joan Arc: You sure are.

Me: Your sisters no doubt?

Jaune Arc: That's right.

Me: Cool!

Kaito: (gets out Boonboomger gear) Did Swartz promise you anything?

Zocks: (Gets out King Ohger gear) Because we can grant it instead

They got weapons from said teams.

Olivia Odin: No he didn't.

Talia Thor: He was scared of our power.

Leia Loki: And I used my powers fo mischief and made him get explosive diarrhea that lasted for 12 hours and we ran.

Sakura Knudson: That explains why I heard NASTY Grunt noises and liquid farts in the bathroom!

Me: GEEZ!

Nico: Okay I did NOT need to hear that.

Sakura Knudson: Sorry.

Sougo: (gets out Boonboomger Ridewatch) You should be proud of Jaune, Joan.

Geiz: (Gets out King Ohger Ridewatch) He started out rough but he's grown into a fine Huntsman

Sougo got BunRedArmor while Geiz got KuwagataOhgerArmor.

Joan Arc: I know he has. I'm proud of him.

Brie: Me too for Blake.

Ying: And me for Yang.

Me: Cool. Lets separate you all first.

Lincoln: I was about to say the same thing.

He separated them.

Me: Lets get it on!

Nico: (gets out Blizzard Buffalo's Ridewatch) Chill out!

May: (Gets out Rough Diamond's Ridewatch) (Imitating Cave of Wonders Tiger God) KNOW THIS! ONLY ONE MAY ENTER HERE! ONE WHOSE WORTH LIES FAR WITHIN! THE DIAMOND IN THE ROUGH!

Maria: (Gets out Volcania's ridewatch) I WILL BLAST YOU!

Kiara Kessler: (Gets out Roadhog's Ridewatch) LEARN TO DRIVE YOU ROADHOG!

They used the powers of Blizzard Buffalo, Roadhog, Rough Diamond, Sangre, Volcania the Fire Cannon and Blue Blooded Oni and blasted the Anothers!

Me: YEAH!

Then Spiral Pegasus, Another Saber (Version 2), Flag Smasher, Blood Falcon, Destructobot and Falcon (Zombie Marvel) came.

Me: WHOA!

Nico: Nice team Spiral Pegasus!

Spiral Pegasus: Thanks Nico.

Me: Napalm Man and his team are up.

Napalm Man: Damn Straight!

Me: YEAH!

But then PURPLE FIRE EXPLODED OUT AROUND US!

Me: WHOA!

Then out came Evil HERO Infernal Prodigy!

Me: WHOA! Evil HERO Infernal Prodigy!

Nico: FLAMING!

Evil HERO Infernal Prodigy: (In a girls voice) That is for sure! (To Azula) And nice to finally meet you Ancestor!

Azula: (GASP)

Nico: Satzuki Zoro!? Whoa!

She reverted back and was a girl with black hair and orange eyes and had red and black clothes and fire angel wings and had Evil HERO Infernal Prodigy on her forehead, skirt, shirt and arm and had the symbol of the Fire Nation on her shirt and an Anti-Ozai symbol on her shirt.

Satsuki Zoro: Good to see you Nico and ancestor, if we see Ancestor Ozai, I'm going to be the one that burns him into dust.

Azula: That you can count on!

Satsuki Zoro: I got this. INFERNO INCINERATOR FIRESTORM!

She fired a massive blast of fire and blasted the Anothers and I caught the ridewatches and purified them!

Me: OH YEAH! Wait you're descended from Zuko and family?

Satsuki Zoro: I sure am. I am from 1,000 years in the future from the age of Avatar Korra and I do everything in my power to erase the evil bad blood of Ozai the Terrible.

Me: WOW!

Nico: Nice job!

Satsuki Zoro: Thanks. That was fun.

Me: It sure was. Do you have a good memory of Nico?

Satsuki Zoro: I sure do. When me and Nico found numerous bandits invading Ba Sing Se and we brought them down and they were easy to defeat.

Nico: Yeah they were fun.

Me: Wow!

Nico: Yep.

They hugged.

Nico: I've missed you.

Satsuki Zoro: Same here.

We went back home.

It appears an old enemy of Riley "Ruby Carbuncle" Mackenzie has returned, the bad news: this old enemy is her older brother, Ryan Mackenzie, he and Riley never got along, in fact, he hated her the day she was born and he always insulted her at every turn, and he was brazen enough to do that in front of their parents which wasn't very smart, in fact, he was a stupid idiot who relied only on brawn, muscle, and brute force, and not on his brains, and he relied on the fact that he was the biggest and strongest of his school to get his way, but it proved to be his own undoing. His reliance on brawn, muscle, and brute force left him with a lack of thinking in the smarts department as Lincoln and Riley found evidence of every last one of Ryan's crimes including rape of girls who are friends with Riley. This made her so pissed off to the extreme, she reported it to the school and Ryan was expelled from school and arrested, and since he was eighteen at the time, he was thrown in prison for life and he got disowned by his parents forever.

But now, years later, we got word that Ryan has broken out of prison thanks to him bulking up even more in muscle in the past fourteen years since he got sent to prison, and now, he's out for revenge on Riley, but Lincoln's going to take down that stupid bully and absorb him and send his soul straight to Hell because he's not worthy of getting sent to The Black Gates or The Black Abyss.

And we got all of TLPS and The M.O.E. here.

Lincoln: Whoa! We're here on a planet of nuclear hot fire and peppers, and I know what we're going to do here, not only am I going to rescue the six girls, but we got big trouble. Riley, your brother's here!

Riley Mackenzie: WHAT?!

Me: Whoa, you know him?

Lincoln: Unfortunately, she does, and so do I.

Lincoln got out a picture of a male with red hair, he was strong-looking in appearance, but he was also really mean.

Nico: Damn, this guy looks like one really mean bastard.

Lincoln: Yep, and he's someone who I really hate. His name is Ryan Mackenzie, he's Riley's older brother, but he and Riley never got along, in fact, he hated her the day she was born and he always insulted her at every turn as she was growing up, and he was brazen enough to do that in front of their parents which wasn't very smart.

Me: What an idiot.

Lincoln: Yep, he was a stupid idiot who relied only on brawn, muscle, and brute force, and not on his brains, and he relied on the fact that he was the biggest and strongest of his school to get his way, but it proved to be his own undoing. His reliance on brawn, muscle, and brute force left him with a lack of thinking in the smarts department as we'd found evidence of every last one of Ryan's crimes including rape of girls who are friends with Riley.

Nico: HE DID WHAT?!

Riley Mackenzie: You heard it, he raped my friends, and this made me so pissed off to the extreme, I reported it to the school and Ryan was expelled from school and arrested, and since he was eighteen at the time, he was thrown in prison for life and he got disowned by his parents forever. I thought I was rid of him forever.

Lincoln: Afraid that wasn't easy, Riley. We got word that Ryan has broken out of prison thanks to him bulking up even more in muscle in the past fourteen years since he got sent to prison, and now, he's out for revenge on Riley, but I'm going to take down that stupid musclebound bully and absorb him and send his soul straight to Hell because he's not worthy of getting sent to The Black Gates or The Black Abyss.

Hard Man: This guy is gonna be in for one rude awakening.

Kiara Kessler: That's for sure. Lincoln's gonna smash that repulsive ape into paste. Now, let's go find Ryan and make that repulsive ape pay for the years of Hell he gave Riley.

Lincoln: Right. (CRACKS KNUCKLES) Ryan, you better be ready. What I'm gonna do to you will make what Riley did years ago seem like a walk in the park and a slap on the wrist!

We got a move on to go after Ryan Mackenzie, and Lincoln was gonna have more than a few violent words with that bastard, same with Riley who's also got more than a few violent words with her evil ex-older brother.

We got a move on, and there we saw our target: Ryan Mackenzie, a male 6'11" massive musclebound hulking bully with the same red hair as Riley and dressed only in tattered jumpsuit pants, but he was one really mean-looking bastard.

Riley Mackenzie: There he is. RYAN!

Ryan turned around and when he saw us, he roared in anger and pounded on the ground with both fists!

Ryan Mackenzie: You bitch, get down here so I can smash you and all of you into paste!

Lincoln: Oh, go bury your head in a bucket of cement, you repulsive ape!

Andre Lupescu fired a massive wave of snow, ice, and darkness that hit Ryan Mackenzie, and then, we landed.

But, before we could attack him again, Ryan Mackenzie was hit by winds, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair with green streaks and green hair band, green eyes, massive green angel wings, she has Witchcrafter Genni on her forehead and right arm, white short-sleeved blouse, green sleeveless strapless dress top, white gloves, green skirt with Witchcrafter Genni on it, green knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, winds, books, magic, phoenixes, and angels on the coattails, and on the back is Witchcrafter Genni, she has a wind greatsword in her right hand, and with her are the six girls.

Lincoln: (GASPS) Michelle Augustus, Avatar and Gene-Slammer of Witchcrafter Genni.

Michelle Augustus: That's correct, and I got the girls away from that repulsive ape, and it looks like Riley's really pissed now.

Riley Mackenzie: You have no idea, Michelle. I thought we were done with you, Ryan, but it looks like I was wrong.

Lincoln: And since you got disowned by your parents years ago after Riley got you expelled and arrested for all your crimes including rape, we don't have to hold back! Time to pay, you moron.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Ryan Mackenzie, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT

THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON RYAN MACKENZIE! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT RYAN MACKENZIE WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

Then, Andre Lupeau went after Ryan Mackenzie and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns. That alone was enough to get him so pissed off, we suddenly saw him grow from 6'11" to 12'6" and his already huge muscles grew even larger than ever as he roared and pounded his chest like a gorilla.

Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane.

Then, Skippy balanced himself on his tail and delivered a hard kick to Ryan Mackenzie's crotch, and he groaned in pain. But, his crotch suddenly regenerated: a sign that he also gained superhuman regeneration, in addition to superhuman strength, superhuman durability, superhuman endurance, hardened muscular system, and superhuman speed.

Then, Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Ryan Mackenzie, and he began absorbing him and he assimilated his massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, superhuman strength, superhuman speed, superhuman durability, superhuman endurance, hardened muscular system, and superhuman regeneration, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Ryan Mackenzie except for his tattered jumpsuit pants and Lincoln drained Ryan Mackenzie's soul of energy and sent him to Hell forever and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla. We cheered as we holstered our weapons and powered down and we headed back to The World Tree Estate.

Lincoln: And that is it for Ryan Mackenzie.

Riley Mackenzie: I'll make sure to tell Mom and Dad about it later on today. But, I'm sure they heard the news of his escape.

Me: They'll be glad to hear he won't hurt anyone else ever again.

Lincoln: That's for sure. Ryan has caused enough trouble to Riley for the last time, and now, he's gone for good and he's never coming back. (To Michelle Augustus) And it's so good to see you again, Michelle.

Michelle Augustus: You too, Lincoln, it's been eight years since we last met.

Suddenly, Michelle Augustus had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Michelle Augustus was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Michelle Augustus: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Michelle Augustus and hugged her, and Michelle Augustus is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and thirty-four other sets of large sized angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, thirty-five massive and longer brown wolf tails with rainbow markings and rainbow tips, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Michelle Augustus: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and thirty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the thirty-five massive and long brown wolf tails with rainbow markings and rainbow tips, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Michelle Augustus, Avatar and Gene-Slammer of Witchcrafter Genni, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of wind, books, and magic. She's the bookworm, genius, and Book Master of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Michelle Augustus met Lincoln, and this one time, she and Lincoln created amazing books of many kinds including spellbooks and Illuminated Manuscripts including an Illuminated Manuscript of how Team Loud Phoenix Storm was created and it also included our many adventures. Plus, she really helped him with mastering the powers of light which she saw that he was born with, along with teaching him how to master the powers of wind, books, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome wind greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion because she tried to destroy their massive collection of handcrafted Illuminated Manuscripts and spellbooks out of spite to satisfy her need to cruelly humiliate and torture Lincoln, and the bitch got imprisoned in a book that also served as a prison and she was put in a bookcase for a month for her to learn her lesson.

Me: Can we see this Illuminated Manuscript of how Team Loud Phoenix Storm was created?

Michelle Augustus: Sure.

Michelle Augustus got out the Illuminated Manuscript of how Team Loud Phoenix Storm was created: it was a red hard-covered book with gold decorations painted on the hard cover with a phoenix painted in gold and it also had jewels embedded in the four corners of the cover. Then, I opened it up and inside the pages, we saw how many of us had gotten our powers, and it also included our many adventures and the friends and allies we'd met, how Lincoln, Clyde, and I formed our harems, and of the many powerful battles we'd fought in, and all of it was perfectly detailed.

Nico: Holy moly. This is really awesome!

Qin: It's like our beginnings are being told and in medieval style.

Me: Really amazing.

We then saw in the pages how we met The NYPD Nightshift along with Caleb Maxwell, and the pages also gave accurate details on his birth and what happened to him while he was growing up along with Drake's change from caring brother to ruthless abusive monster and the living Hell he put his older brother through along with the encounters with Cage and Travis drunk on Demon Blood and run-ins with The Big Claw Gang to his death in 1985 and his eventual return from the dead in 1993 eight years later thanks to Lincoln's Dark Side Eternal Purification along with his transformation.

Caleb Maxwell: She even got the details of how we met and of my life.

Lincoln: Michelle's specialty has been creating not only Illuminated Manuscripts, but also, spellbooks as well, and she knew of the massive libraries of spellbooks I have in my room.

Eli: Libraries?!

Lincoln: You didn't think I'd have just one library of spellbooks, now did you?

Me: He's right, I saw it for myself.

Nico: Mastering all forms of magic from reading all those spellbooks, now we can also add in Master Magician of the Arcane Arts along with you being chief clairvoyant and psychic of the team.

Me: I was about to say, Nico, along with being considered The Jack of All Trades.

Luna: That's right, that's who our bro is.

Laney: Over the years, Lincoln developed many talents along with his talent with writing comics and many other talents he'd learned.

Lana: We were amazed ourselves with how Lincoln had grown and developed his talents.

Lisa Loud: But, despite wanting to be proud of how much he'd grown, those insidious Dark Sides in us wanted to destroy him even more and they fueled even more hate in us.

Lori: Dark Chase Young's literally nothing but a miserable monster who gets off on the suffering and pain of others. When the big day comes for him to bite the dust, we're gonna also join in as well and really give him more painful scars.

Lynn: And if he's got a problem with that, he can eat my gym shorts.

Caleb Maxwell: Gross.

Luan: Better yet, we can make him eat one of your gym socks.

WE GASPED!

Lori: Just the stench of Lynn's feet would be enough to kill him, but making him eat Lynn's gym socks, that's overkill.

Lincoln: I have to side with Lori on that one. Plus, you know what happened when Anna stuffed one of Lynn's gym socks in Chandler's mouth?

Luan: (Suddenly remembers) Oh, now I remember.

Lynn: It was puke city.

Luna: Stuffing his mouth full with one of your gym socks. It was horrendous, and it gave him a nasty case of bad breath.

Nico: Gross.

Lincoln: We had to run far away from Chandler whenever he opened his mouth, it still stunk like Lynn's sweaty feet. We made her swear to wash her feet as well so we avoid an incident like that again, and now that you're here, Michelle.

Lincoln with his massive muscular arms still wrapped around Michelle Augustus' waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Michelle Augustus: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Michelle Augustus with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Michelle Augustus: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Michelle Augustus.

Michelle Augustus had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Michelle Augustus's waist, and he leaned down to her face and kissed her on the lips, and with Michelle Augustus's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Michelle Augustus had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Michelle Augustus: (In Heaven) My God. Oh, Lincoln, you better tell the guys to not hide in their rooms! The six girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the six girls, he had an atomic red blush on his cheeks and muzzle, but he didn't have a nosebleed. The six girls are Ruria von Dina, Io Kujou, Latifa, Maika Ou, Chisa Misawa, and Sakuno from Princess Love Life!

Lincoln: Oh wow, it's Ruria von Dina, Io Kujou, Latifa, Maika Ou, Chisa Misawa, and Sakuno from Princess Love Life!

Nicole: So, those were the girls Michelle had gotten away from that rapist, but the guys ran right into their rooms again even though Michelle said they shouldn't hide in their rooms. Guys, get out here.

We did so.

Nico: We know Emily told us, but it was hard-wired into our brains.

Me: Thanks to Travis Tackett and Red Savarin.

Luna: It's been hard wired into them.

Nicole: But, of course, they always keep the warning hard-wired into them.

Suddenly, Caleb Maxwell disappeared into a swarm of bats and flies out and heads out into the city and captured some large musclebound thugs sent by Adam Taurus to kill us, and then, he came back with them tied up and he threw them at our feet.

Caleb Maxwell: Guys, Adam sent these thugs here to kill us.

Nico: Nice one.

Suddenly, Lincoln grabbed one of the musclebound thugs by the neck with his left hand and...!

HISS! CHOMP! SCREAM!

Lincoln sank his fangs deep into the thug's jugular and sucked him dry of blood along with sucking out his lifeforce, muscle mass, strength, and vital organs. Then, he did the same thing to the other thugs as he sank his fangs deep into his jugular and sucked him dry of blood along with sucking out his lifeforce, muscle mass, strength, and vital organs, and they were left as dried-up mummified husks and he also drained their souls of energy and sent them to The Black Abyss.

Brittney: He sank his fangs deep into their jugulars and sucked them both dry of blood along with sucking out their lifeforces and vital organs.

Me: This'll serve as a warning to that black-hearted racist that we're coming for him later on today, and we're gonna make him pay for what he's done.

Blake: He's going to pay for what he's done, and this time, he's never ever coming back.

Nico: We'll also have to make sure Selena and her friends also disable any traps set by those pack of snakes.

Lincoln: That'll be done later today when we do go after that black-hearted genocidal racist, and I'm gonna also cut off his arm as well, he did the same thing to Yang, so it's fair that he gets the same kind of treatment as well.

Me: I agree completely. I hope that sword of yours is really sharp enough to do so.

Nicole: We had all our weapons infused with the molecular structures of Stellar Cometite, Venusite, and Neutronium, Dad, not only making them indestructible, but also, the swords are sharper than ever and can cut through even the strongest of metals, and that also means cutting right through skin, sinew, bone, and muscle.

Lincoln: That monster's in for one hell of a surprise, and there's no way Opaline's going to save his ass this time, he's done for good. Are you girls okay?

Ruria von Dina: Yes, we're okay, thanks to you.

Then, when Ruria von Dina and the other three girls saw who it was that saved them from Ryan Mackenzie, their faces turned atomic red upon seeing the 10'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and gold version of The Trinity Mirror behind the gold halo, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The

Ruria von Dina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sakuno: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ruria von Dina, Io Kujou, Latifa, Maika Ou, Chisa Misawa, and Sakuno with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: At least, we got rid of Riley's brother, and I still remembered hearing about what he did before I joined the team. What he did to her friends was unforgiveable.

Lincoln: It was bad enough he hated Riley and always insulted her at every turn when she was growing up, but to also rape her friends like that just because of their connections to her, that was going too far, and Riley did what was right in reporting him and getting him expelled, arrested, and sent to prison.

Nico: If there's one thing we can't stand, it's rapists.

Me: Yep, they're the scum of the earth.

Caleb Maxwell: I've killed a lot of rapists before in the past, and I left their bodies lying in an alley riddled with bullets galore.

Carter Kenrick: So, the reports we had of rapists being left in an alley riddled with bullets, that was you.

Cage Blunt got right in between Carter Kenrick to defend Caleb Maxwell.

Cage Blunt: Don't even think about it, Carter.

Travis Tackett: We've killed rapists before, and like J.D. said, they're the scum of the earth. Caleb also hated them that much, back in 1984, one month before the LaGuardia High School tragedy, when he heard that an old bully of his was about to try and rape his mother and sister, Caleb kicked him hard in the crotch and sent him flying into a wall with a kick to the stomach, and the rapist got taken away and Caleb swore if he ever saw him again, he would break his neck.

Nico: Damn. Did he live up to that threat?

James Blunt: No, he didn't. A year later, the guy was stabbed to death by an inmate.

Me: Jeez.

Cage Blunt: Better than getting killed by me and Travis.

Lincoln: The LaGuardia High School tragedy took place back in 1984, that was his senior year, and he met you two when he was in college.

Travis Tackett: Right.

Caleb Maxwell: I would've thought my senior year would be the point where I'd graduate and leave the school for college, but instead, my senior year became a baptism by blood thanks to that very day.

Allie Maxwell: We held a memorial for those who died, and Caleb, Josh, Ashley, Sharon, and Ryan all paid their respects as well, but everyone still treated Caleb like an outcast, and that made his life go even darker than ever.

Caleb Maxwell: And then, when I got to college, that's when all hell would break loose for me.

After Lincoln and all of us toon down Ryan Mackenzie and Lincoln absorbed him and sent him to Hell, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Michelle Augustus saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-five massive and long brown wolf tails even more stronger than ever and massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Michelle Augustus: My God, I was right that Lincoln's really grown into an 18-year-old 10'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-four massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and

he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Michelle, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Michelle Augustus: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Michelle Augustus: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Buffy Blain got out a videotape.

Buffy Blain: Speaking of the incident at LaGuardia High, this tape I have here is an aftermath of the incident. After Caleb, Josh, Ashley, Sharon, and Ryan put down their classmates and teachers turned into vampires along with Leonard Davis, the twin brother of their principal, Robert Davis, who was shot and killed by a surviving teacher, they had a run-in with the very world Caleb became a part of.

Buffy Blain put the put the tape in and the video played on the big screen and it showed New York in the daytime hours in 1984, and Caleb Maxwell, who's eighteen at that time, was with Josh Parsons, Ashley Reynolds, Sharon Daniels, and Ryan Daniels, and just a day ago, they've survived the vampire nightmare at LaGuardia High School. They don't have classes at this time, so they're walking around the city.

Past Sharon Daniels: It's over.

Past Ryan Daniels: Thank God.

Past Josh Parsons: But, all our friends..., our teachers...

Past Ashley Reynolds: All of them are gone.

Past Caleb Maxwell: I can't believe Principal Davis would do this, and just to save his own brother. This...this cannot be forgiven, not at all.

Past Sharon Daniels: But, I can't believe those idiots continued to treat you as an outcast, there's no way we're going to let them get away with this.

Past Ryan Daniels: And they're spreading rumors the teachers are going to bar Caleb from graduating and get him expelled. This has to stop!

Past Josh Parsons: That's for sure! The police are still investigating about what happened, but if only they knew the real truth.

Past Caleb Maxwell: Josh, would they really believe us if we told them of what we'd seen?

Past Sharon Daniels: Caleb's right, there's no way they'd believe us.

Suddenly, they saw some figures walking past them, and Caleb Maxwell felt an uneasy presence from them. Then, the figures continued walking, and then, they followed them.

Past Sharon Daniels: Who are those figures?

Past Josh Parsons: I don't know, but whoever they are, their presence seemed...inhuman.

The four of them followed the figures to a building, but this was no ordinary building: this was The Supreme Yuridia Authority, the gathering place of many vampire cats here in New York and all over the world.

Past Sharon Daniels: They went into there.

Past Ryan Daniels: Supreme Yuridia Authority, established in 1776? How old is this institution?

Past Caleb Maxwell: This doesn't look like any college we've known here in New York. But, then again, what is this place? And the presences I felt, these many individuals here have the same presence as well, and why do I feel a sudden attachment to this place?

The four of them treaded carefully and they approached the doors to Yuridia, and they managed to get inside so as not to attract any attention. When they got inside, they were awestruck by the architecture in the building: it looked medieval, but modernized as well.

Past Josh Parsons: Wow, this place is truly incredible. I want to document this.

Past Sharon Daniels: Josh, put your camera away, what if they have a security system here?

Past Caleb Maxwell: Let's just get going, this place is giving me an uneasy feeling.

They continued onwards, but as they proceed, they saw old portraits of many aristocrats that seemed to go back even further than 1776, the day of Yuridia's founding, perhaps back many centuries ago.

Past Sharon Daniels: Just how old are these portraits?

Past Josh Parsons: Many of them go back even further than 1776, perhaps many centuries ago.

Suddenly, Caleb felt more presences.

Past Caleb Maxwell: Guys, we should run...now! I feel like we're being surrounded!

Past Ryan Daniels: I don't feel anything.

Past Caleb Maxwell: Ryan, I'm not kidding, we all need to go now.

Past Ashley Reynolds: Screw you. Alright, whoever you are, you better come out now!

Past Sharon Daniels: Ashley, we've already been through enough with what happened last night! Now, you just got us in more trouble! That's it, time to run!

Caleb, Sharon, Josh, and Ryan immediately got ready to run, except for Ashley who wanted to fight. But then, they saw two figures come out: one was a male white-furred cat with long orange hair and dressed in a long black long-sleeved trenchcoat, black shirt, black pants, and black knee-high boots, and the other was a female white-furred cat with blonde hair, sleeveless black top, black pants, and black knee-high boots and they had knives and guns on them.

Past Ashley Reynolds: Bring it on! I ain't scared of you!

Male: I think you're gonna regret saying that.

Suddenly, the two of them took their sunglasses off, but when they opened their eyes, Caleb's blood went cold: their eyes were crimson red and they had fangs and black claws on their fingertips: they were vampires!

Past Caleb Maxwell: Vampires?!

The others gasped, and immediately, more of them came out, and they too were vampires too.

Past Caleb Maxwell: Now, wait a second! We promise we will not tell anyone about what we saw here today! Please, we've already been through enough since last night and...! Ashley, don't just stand there, apologize! You guys too! Start apologizing!

But, then, Ashley Reynolds spat at Caleb's face and she also punched him hard in the jaw and sent him flying into a wall back first! The impact caused him to scream in pain!

Past Ashley Reynolds: Back off! I want to fight them right now!

Ashley was a tough fighter and she wasn't going to be denied! But, that act of spitting in Caleb's face and punching him hard in the jaw and sending him flying back first into a wall that caused him to scream in pain was the last straw as he slowly got up, but they saw blood tears falling from his eyes!

Past Caleb Maxwell: Ashley Reynolds...!

Caleb's voice was dangerously calm and now, but in reality, he was dangerously angry now!

Past Sharon Daniels, Past Ryan Daniels, and Past Josh Parsons: Oh no...!

Past Caleb Maxwell: You know, I can take dealing with your temper and your short fuse, but when it came to trying to get us out of trouble, you decided to block out our warnings and wanted to fight because your blood was boiling with rage! That right there is what always gets you in trouble!

Past Ashley Reynolds: You shut up! These guys all want to fight, and that's exactly what I'm going to give them! I don't want to hear any advice from Drake's punching bag who can't even fight back, so don't you dare give me lip!

WE GASPED!

Nico: Oh Hell no! She did not go there!

Me: She did!

Marlene Maxwell: And here's where Caleb really lost it.

We then watched the screen more, and there we saw it: Caleb's blood tears flowed down even more and his anger reached its peak!

Past Caleb Maxwell: YOU SHUT YOUR GODDAMN MOUTH, BITCH!

Past Ashley Reynolds: (Suddenly freaked out) What the?!

Past Ryan Daniels: Oh no! He's lost it!

Past Caleb Maxwell: If you think everything's going to go your way, you're sorely mistaken, you bitch! I've taken more than enough of your bad temper and short fuse, but I've had enough! You better cool down right now, or I swear I'm gonna put you through far worse than Hell itself! I'm trying to save our lives from being ended by vampires, and we've been through that nightmare yesterday, I'm not going to let you jeopardize our lives just because you want to fight them! No, never again!

But, Ashley Reynolds in her anger took a knife from the male vampire and she went at Caleb Maxwell as he raised his arms in defense, and she stabbed him right in the right palm of his right hand and he let out a bloodcurdling scream of pain!

Past Sharon Daniels: CALEB!

The male vampire shot her with a tranquilizer dart to the ass and she fell to the ground!

Past Sharon Daniels: You better pray Caleb doesn't try to end you when you wake up, Ashley.

Caleb Maxwell was wincing in pain as he removed the knife in his right palm and he tried to stop the bleeding, but the male vampire stopped him by putting his right hand on Caleb's right shoulder as if to calm him down.

Male Vampire: Hurry, get a nurse here.

A nurse came in and she tended to Caleb's right hand as she stitched the wound and bandaged it.

Past Caleb Maxwell: You..., you were willing to tend to my wounds? But, why? I was the one who led us in here, it was all my fault.

Male Vampire: No, it wasn't. Plus, you bear the mark and it was a matter of time before you finally found out more about the world you and your mother and her side of the family were part of.

Past Caleb Maxwell: What...? Mom and I and her side of the family, a part of...?

Past Josh Parsons: Caleb, what is he talking about?

Suddenly, Ashley Reynolds woke up, but she was pissed off and tried to attack Caleb, but then, the male vampire offered him a taser gun.

Male Vampire: Go ahead. Show her what happens when she relies on brute force to get her way.

Past Sharon Daniels: Caleb, no don't!

Past Ashley Reynolds: You bitch! If you shoot me, I will...!

Suddenly, Caleb Maxwell grabbed the taser gun.

Past Caleb Maxwell: I'm done with your bad-tempered bullshit, Ashley, forever! Go to Hell!

Caleb Maxwell raised the taser gun at Ashley Reynolds!

Past Ashley Reynolds: Screw you! DIE!

Ashley Reynolds charged at Caleb Maxwell!

Past Josh Parsons: NO!

Then, Caleb pulled the trigger and Ashley Reynolds got hit and tased and knocked out and gave the taser gun back.

Past Josh Parsons: Oh God, Caleb, what did you...?

Past Caleb Maxwell: She's been knocked out by the taser gun. But, Josh, when she wakes up, tell her I do not want to deal with her ever again. She needs to get her temper in check and until she does, I don't want anything to do with her from now on.

Caleb Maxwell made a brave stand, and Josh, Sharon, and Ryan knew Ashley trying to get her short fuse and temper in check would be like asking a fox to guard the chickens: in other words, the choice he made for her wasn't a good one, she always wanted to get angry and solve things with her temper and her short fuse, along with fighting someone, but a line was drawn when it came to friends.

Past Josh Parsons: We apologize for what happened, so we will take our leave.

Josh Parsons, Sharon Daniels, and Ryan Daniels left with Ashley Reynolds being carried by Ryan and Caleb went to a chair and sat down as he covered his eyes with his hands and contemplated what he just did not knowing the other vampires were watching him.

Female Vampire: Should we...?

Male Vampire: No, let's leave him alone. He's got a lot to think about.

The other vampires left as the video ended.

Me: Whoa, so what started out with following two figures wound up leading to...!

Caleb Maxwell: The discovery of The Supreme Yuridia Authority and the world of the vampires that I belonged to since the 1940s. Of course, I lived up to what I said, I didn't have anything to do with Ashley until she dealt with her short fuse and her temper, and being as stubborn as ever, she refused to do anything with her short fuse and temper, so I cut off all contact with her, in essence cutting ties with her. But, when the incident at NYU hit and she and Josh got killed by her dad, let's just say that it wounded me in the heart.

Anna Anyanova: That was guilt. Sure, she had a temper and short fuse, but she was still your friend.

Caleb Maxwell: And that hurt the most.

Selene Slytherin: I hear that. Oh, and we got to go, we're telling everyone in Hogwarts about what Natalie told us.

Lincoln: Everyone's gonna want to hear this. Go ahead, girls.

Lincoln's Guardian Angels got a shower and they left for Hogwarts, where they're met by Professor McGonagall.

Professor McGonagall: Ah, Selene, Elizabeth, Helena, Renee, and all of the Guardian Angels, what brings you here?

Elizabeth Gryffindor: Professor McGonagall, we've got troubling news to share with you and all of Hogwarts. Can you gather everyone at The Great Hall?

Professor McGonagall: Of course.

Professor McGonagall did just that, and all the students, teachers, and ghosts arrived at The Great Hall, and Lincoln's Guardian Angels were standing in front of everyone.

Helena Hufflepuff: Everyone, thank you all for coming. We have some troubling news to share with all of you, yesterday, we met Natalie Draco Malfoy and she told us all the troubling news: she found out that Tom Riddle over a hundred years ago and Salazar Slytherin a thousand years ago were offered ultimate power by a black hair kid with reptilian eyes.

Elizabeth Gryffindor: We immediately knew they made a deal with Chase Young before he was finally separated from his Dark Side last year, and his deal was this: he offered them both ultimate power in exchange for destroying the entire human race except for Pureblood Wizards.

EVERYONE IN HOGWARTS GASPED IN SHOCK AND HORROR!

Hermione Granger: (British Accent) So, all this time, Salazar Slytherin and Tom Riddle's genocidal racial hatred towards all humans except for pureblood wizards, it was all the doing of Dark Chase Young!

Ron Weasley: (British Accent) This changes everything. This whole thing was another fiendish scheme made by that draconic nightmare over a thousand years ago.

But, it wasn't just everyone in Hogwarts that was shocked: this revelation was also broadcast to all of Diagon Alley and the Wizards and Witches of London and across the world!

Professor Snape: (British Accent) Ms. Gryffindor, thank you for bringing this revelation to life.

Professor Dumbledore: (British Accent) Indeed. Now, we know who is to blame for Salazar Slytherin's genocidal hatred a thousand years ago.

Harry Potter: (British Accent) Now, the entire Wizarding World will no doubt mobilize for war against Dark Chase Young.

Anna Anyanova: That's for sure.

Lincoln's Guardian Angels left and came back to The World Tree Estate.

Nico: We saw the whole thing thanks to Lincoln. You've got all of Hogwarts and the entire Wizarding World mobilizing for war.

Lincoln: Now, that draconic nightmare's in for a world of Hell!

Me: Damn straight.

Sonia the Hedgehog: Wow, we're here in Jolly Roger Bay, it sure is beautiful.

Lincoln: It sure is, Sonia, and it's perfect for our first date, shall we?

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Sonia the Hedgehog, Coco Atarahi, Universe 666 Airachnid (Transformers One), Enno, Faris, Akula, Kiseki, Thetis, Vivian, Aisha Belka, Joy the Golden Dog, Sadness the Fennec, Disgust the Cat, Aniexty the Red Panda, Envy the Mouse, Ennui the Sloth, CAN-I.D, CAN-Sp.D, and CAN-St.D got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirty-five massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Enno: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Sonia the Hedgehog, Coco Atarahi, Universe 666 Airachnid (Transformers One), Enno, Faris, Akula, Kiseki, Thetis, Vivian, Aisha Belka, Joy the Golden Dog, Sadness the Fennec, Disgust the Cat, Aniexty the Red Panda, Envy the Mouse, Ennui the Sloth, CAN-I.D, CAN-Sp.D, and CAN-St.D and hugged them in their abnormally massive and powerful muscular arms, and Sonia the Hedgehog, Coco Atarahi, Universe 666 Airachnid (Transformers One), Enno, Faris, Akula, Kiseki, Thetis, Vivian, Aisha Belka, Joy the Golden Dog, Sadness the Fennec, Disgust the Cat, Aniexty the Red Panda, Envy the Mouse, Ennui the Sloth, CAN-I.D, CAN-Sp.D, and CAN-St.D placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Sonia the Hedgehog, Coco Atarahi, Universe 666 Airachnid (Transformers One), Enno, Faris, Akula, Kiseki, Thetis, Vivian, Aisha Belka, Joy the Golden Dog, Sadness the Fennec, Disgust the Cat, Aniexty the Red Panda, Envy the Mouse, Ennui the Sloth, CAN-I.D, CAN-Sp.D, and CAN-St.D and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and thirty-four sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Jolly Roger Bay, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, nineteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sonia the Hedgehog, Coco Atarahi, Universe 666 Airachnid (Transformers One), Enno, Faris, Akula, Kiseki, Thetis, Vivian, Aisha Belka, Joy the Golden Dog, Sadness the Fennec, Disgust the Cat, Aniexty the Red Panda, Envy the Mouse, Ennui the Sloth, CAN-I.D, CAN-Sp.D, and CAN-St.D with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Sonia the Hedgehog, Coco Atarahi, Universe 666 Airachnid (Transformers One), Enno, Faris, Akula, Kiseki, Thetis, Vivian, Aisha Belka, Joy the Golden Dog, Sadness the Fennec, Disgust the Cat, Aniexty the Red Panda, Envy the Mouse, Ennui the Sloth, CAN-I.D, CAN-Sp.D, and CAN-St.D are now in your harem, Linky.

Sonia the Hedgehog, Coco Atarahi, Universe 666 Airachnid (Transformers One), Enno, Faris, Akula, Kiseki, Thetis, Vivian, Aisha Belka, Joy the Golden Dog, Sadness the Fennec, Disgust the Cat, Aniexty the Red Panda, Envy the Mouse, Ennui the Sloth, CAN-I.D, CAN-Sp.D, and CAN-St.D showed the marks Lincoln made on the right sides of their necks.

Eli: I was surprised that Sonic's sister also had feelings for Lincoln.

Sonic the Hedgehog: I wasn't. In fact, I was the one who introduced Sonia to Lincoln, and it was then love at first sight in less than a second.

Jenna: You girls had no trouble at all.

Enno: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and thirty-five massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later the mascots and me and Eli and most of us were on Naboo.

Me: Planet Naboo.

Yang: Phew. It's only Naboo.

Poromon: We thought this would be perfect.

Me: It's awesome being here. Especially with Star Wars Day right around the corner.

Nico: Fast approaching.

Eli: It sure is.

Jaune: This is Jar Jar's planet, right?

Me: Yep this is it.

Qin: Cool.

Eli: Wait I sense a figure coming.

We saw a figure coming and it was a cloaked figure and it stopped in front of us.

Me: And who are you?

She revealed herself and it was REY!?

Me: Rey!?

She opened her eyes and they were yellow and red and it showed she was corrupted by the Dark Side of the Force!

Me: (GASP) You're a Sith Version of her!

Eli ignited his lightsaber!

Dark Rey: (British Accent) And I came to kill you all!

She ignited a red blade lightsaber and it became a staff!

She tried to stab Manaphy… all while May was watching

But I kicked her away and fired a blast of energy and blasted her down.

Manaphy headbutt her.

Me and Eli clashed with her!

(DUEL OF THE FATES PLAYS)

Sparks flew all over the place and massive fiery explosions blasted off all over.

I slashed her lightsaber and broke it in two!

I kicked her in her face.

Me: Your so-called Grandfather is going to pay the ultimate price for his crimes!

Eli fired a blast of Force Lightning and Dark Rey fired Force Lightning!

LIGHTNING STRUCK ALL OVER!

Astrotrain: (to May) No verbal response to her trying to kill Manaphy?

May: (EXPLODES IN FIERY RAGE) NO ONE DOES THAT TO MY

DAUGHTER!

SHE FLARED UP HER POWER AND WENT AND PUNCHED DARK REY IN HER STOMACH SO HARD THAT SHE BELCHED OUT BLOOD!

I then kicked Dark Rey in her face!

Eli kicked her in the back!

Nico punched Dark Rei!

I used Plo Koon's Judgement and electrocuted her all over!

Springer: Have some of this!

He fired laser blasts and blasted her.

I pinned her down with my foot on her back and my lightsaber against her head. Barely touching her.

Me: Palpatine will die on May 4th! The Sith's days of terrorizing the universe are over! What do you say to that?

Dark Rey: The Jedi will fall again!

Me: I don't think so!

Rey Skywalker: (British Accent) You may be me, but I will never BECOME YOU! I Am all the Jedi!

Dark Rey: Well I am all the Sith!

Me: The Sith are all dead! Along with all the planets they had. We destroyed them all! Palpatine spouted only lies and bullshit! He used people and killed COUNTLESS Lives in a terrible war that destroyed THOUSANDS of planets! No more! In 3 days he is going to meet his end at our hands. COUNT ON IT!

We tied her up.

Nico: No killing her?

Me: No she's not worth it. It's Palpatine we want and he is the Greater Threat. Dark Rey, Dooku, Maul, Vader, all of them? They were just pawns in his reign of terror.

Nico: Good point.

Anakin: Looking back I can't believe I fell for his lies.

Me: Well we'll all get a chance to make him pay for his crimes Master Anakin.

Lola: Yeah.

Poromon: Besides, he is a terror to everything.

Dark Rey: I hope you all die!

Me: Tell him this: (Whispers in her ear) DO YOUR FUCKING WORST!

POW!

I knocked her out with a punch and beamed her to the M.O.E.

Poromon: That settles that.

Laney: Yep. Wait look!

We saw a Mega Leafeon!

Me: Ooh a Mega Leafeon.

Nico: What's that doing here?

Me: I think it's one of Dark Gale's work.

It used Razor Leaf!

Me: WHOA!

We ducked and the leaves cut a lot of grass.

Me: YIKES!

Cornelia: Let me see here.

She used telepathy and gasped!

Cornelia: CIerra!

Me: Your sister no doubt!

Cornelia: Yep.

Lillian: Oh wow!

Cornelia: Lets go help her.

Me, Cornelia and Lillian went and face her.

Cornelia: Cierra it's me Cornelia!

Lillian: And Lillian!

All she did was use Vine Whip on Horsea.

She spun her around and made her REALLY DIZZY!

Horsea: WHOA! I'M GONNA BE SICK!

She spun her around so much that it made her REALLY SICK AND DIZZY!

Horsea: OH BOY! (VOMITS ON MARIA)

Maria: HEY!

Poliwag: That's one way of attacking her.

Maria: Oh hardy har har!

Me: Looks like we do it the hard way.

Me, Cornelia and Lillian fired waves of energy and blasted her all over.

Then I snapped my fingers and she reverted back and was a girl with green hair, green eyes, had leaf angel wings and had Mega Leafeon on her forehead and the symbol of Earth for Candrakar with a Gnome, Dryad, Minotaur and Tree Spirit on it on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: Whew.

She woke up to see Horsea's stern gaze.

Cierra Hale: (Groans) Huh? A Horsea?

Horsea: You made me throw up all over Maria!

Cierra Hale: What happened?

Maria: Horsea calm down.

She picked her up.

Cornelia: Cierra?

Cierra: Cornelia? Lillian? Nicole? Wow!

She hugged them!

Cornelia: We're so glad you're safe.

Cierra: Me too.

Me: You were turned into a Mega Leafeon by Dark Gale.

Cierra Hale: (GASP) I remember!

She was in a Green suit and injected and in a swirl of leaves she turned into MEGA LEAFEON! She slashed and cut them and busted out.

FLASHBACK ENDS

Cierra Hale: It was awful.

Me: I know. We destroyed them.

Nico: Yeah.

Cierra Hale: Good.

Nico: What's your role in Sonya's team?

Cierra Hale: I am the nature master of the team and I use the power of nature to bring down our enemies. Outside the team I work as a Guardian of Candrakar and defeat their enemies.

Me: Many of their enemies were destroyed. Phobos is dead and Nerissa was redeemed. We destroyed her dark side.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave Cierra new Guardian Clothes and a leaf sword.

Cierra Hale: I look awesome.

Me: You sure do.

Cierra Hale: Also where am I?

Me: You're on the planet Naboo. This is the home planet of Jar Jar Binks as well as Queen Amidala.

Cierra Hale: Wow! This is beautiful!

Me: It sure is.

Porygon: It sure is.

Teresa: (to Porygon) It's been several years since your episode caused seizures. They seriously need to let things go.

Porygon: I know! That is nuts.

Me: Most times they have to put the needs of the people before others. You ever heard of that saying The Needs of The Many outweigh the Needs of the Few?

Teresa: Yeah.

Me: Well in this case, peoples health is far more important for the safety of the worlds wellbeing to make sure it doesn't happen to anyone else.

Teresa: Okay I think I understand.

Nico: I also don't get the rumor that some people hate Jar Har. I think he's cool.

Me: I do too. I don't care what people say about him.

Camie: Yeah.

Qin: He's awesome.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-five massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Adam Taurus starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Adam Taurus, he's on Remnant, and he's still out to kill us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud!

Eli: Was that...?!

Lincoln: Yep. It's time.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Adam Taurus, he's on Remnant, and he's still out to kill us.

EVERYONE GASPED!

Jaune Arc: I knew he'd make his move.

Blake: Now, we can finally end him for good.

Yang: And make him pay for everything that bastard's done.

Lincoln: That's for sure.

Sychar: He has no men with him, but there's still the traps of Dark Sebastian and his minions. Let me take care of that.

Sychar fired a ball of blue energy which hit the trap and forced out Dark Sebastian's army of demons and monsters and destroyed them.

Selena Mendez: Whoa!

Camie Elextor: There's no mistaking it, you're a real angel, Sychar. Your name meaning "The End", it's Hebrew, and angels were also part of the Hebrew religion same with Christianity.

Sychar: That is correct. Now, then, I think we should hurry to get to Remnant before Adam Taurus causes any harm to the people.

Nico: Uh right. (In his head) He's not only powerful and has knowledge of everything from eons past, but he's also psychic. Wow. (Out Loud) Alright, let's get going.

Lincoln: (Deep Sapphire Blue Eyes turn red) You've lived for far too long, Adam. It's time we finished you off for good, and this time, you're never coming back. This is for what you did to Yang and Blake!

The previous group came.

Pyros: Can me, Baron Mordo, Myotismon, Lord Drakkon, Hydros, Lythos, Stratos, Electro, Iron Lung and Bronze Kneecap go with you guys?

Nico: Yes you all can come with us. This is gonna be brutal!

Qin: It sure will be.

Xion: Nico, which Gene Slammer do you think you'll meet next?

Nico: Evil HERO Infernal Sniper next.

Me: Ooh this one is gonna have a powerful shot.

Camie: Yeah.

Ymir: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was our old enemy, Wagnard from Record of

Lodoss War, he's come back from the dead and he wants revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that Wagnard?!

Lincoln: Yep, he's come back from the dead and he wants revenge.

Sora Kannazuki: We'll deal with him after we get rid of Adam.

Lincoln: Right, Sora.

Nico: Wagnard has no idea how much more powerful we've gotten in the past, and it'll serve as a prelude to what'll happen to a certain prick we hate. Alright, team, let's go, we're off to Remnant, Adam Taurus, you're going to RUE THE DAY YOU MESSED WITH TWO OF LINCOLN'S FUTURE WIVES, YOU SON OF A BITCH!

Lincoln: That's for sure! I'm gonna tear him to shreds and once we get done with him, you're next, Wagnard.

Sora Kannazuki: You chose the wrong time to return and cause havoc, now you're about to face the consequences, Wagnard, after we take care of Adam Taurus.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed out to Remnant to destroy Adam Taurus and send his ass to The Black Abyss forever, and once we got done with him, Sora Kannazuki and Lincoln are going to destroy Wagnard and send him to The Black Abyss for good.

We were off to Remnant

We arrived on Remnant.

Me: Here we are guys.

Ymir: So this is Remnant.

Me: Yep.

Ruby Rose: We had a lot of awesome adventures here.

Myotismon: Let's call Mojo.

Me: Good idea. And lets call Nergal and Motor Ed too since Adam affected Yang and Blake the most.

Nico: Good idea.

We did so.

Motor Ed: We're here guys. Seriously.

Nergal: Indeed we are.

Mojo Jojo: I, MOJO JOJO, am raedy!

Me: Cool! Also Nergal, I've been wanting to see this.

Nergal: Mmm what is it?

Me: The Skyblade sisters here have a little challenge here for you.

Skyblade Triplets: We are Sylvia, Starla and Skybolt Skyblade and we challenge you Nergal to a Pizza-Cookoff!

Bai Tza: Do you really think now is the time for this?

Me: Come on Bai Tza, I've been wanting to see them in action for a while now.

Nico: Oh let them have their fun. We still have before the next Akuma comes so we got plenty of time to kill.

Bai Tza: Okay.

Nergal, Nergal Jr. and Sis were ready and so were the Skyblade Triplets.

Me: Okay We're going to make 5,000 pizzas and you have 1 hour to make them.

Starla Skyblade: This is gonna be fun!

Me: Whoever gets to 5,000 wins!

Nico: WHOA! What a contest. This will be fun.

Me: Ready?

They were ready!

Me: SET...

It was gonna be fun!

Me: GO!

Skyblade Triplets: FEATHER THE STORM!

THUNDERCLAP!

They flew into the air as fast as lightning and made dough in the sky and did flips and tricks and made lots of toppings and more and baked the pizzas in the sky with all kinds of tricks and more.

Lythos: Look at them go!

Nergal was making pizzas as fast as he can.

Then numerous pizzas in boxes came down and piled into a pyramid and Laney counted them on a scale.

Nergal only made 30 dozen pizzas! They made 10,000 pizzas! And Nergal only made 432!

Me: THE SKYBLADE TRIPLETS WIN! But they made Double than the amount!

Starla Skyblade: WOOHOO! Sorry we tend to get carried away.

Me: No worries.

Nergal: I coudn't even keep up! And I didn't see them move.

Luan: I got them on camera. Look.

She played it in slow motion and we saw them move in an atomic formation and they made dough, sauce and toppings and baked in synchronous formation and style and it was amazing!

Me: WOW! That is awesome teamwork and acrobatic moves!

Nergal: WOW! That is really impressive teamwork! Well done!

Skybolt Skyblade: Thanks!

Rainbow Dash: That was awesome!

Me: Lets eat.

We got to eating.

Me: (EATING) MMM! Delicious!

Nico: (Eating) It sure is!

Poromon: (Eating) Yummy!

Shego: While that was going on, we made an Elemental Katana for the upcoming fight

Me: Cool!

Qin: Awesome!

Aunt Sis: That was amazingly well done girls.

Silvia Skyblade: Thanks. We had lots of years of practice for it.

Rainbow Dash: That was awesome! You three have what it takes to be awesome Wonderbolt Chefs!

Starla Skyblade: Yeah we get that a lot.

Electro: Can I use my electricity to make the pizza hotter?

Me: I don't think it works that way Max. But you can try.

He did so and made the cheese piping hot and tasty.

Me: Yummy.

We had a lot of leftovers.

Me: We're gonna be set on pizza for a while.

Nergal: We sure are.

Nico: Yep.

Suddenly, Lincoln got a premonition, and he had a wild nosebleed!

He went flying and crashed into a tree and then...

BONK! BONK BONK BONK BONK BONK!

Lincoln got hit with 6 coconuts!

Patrick: DAHAHAHA! That guy got hit in the head with 6 coconuts!

Me: OOH! Ouch! You okay?

Lincoln: Yeah I'll be fine. But hubba hubba.

Me: Uh oh, Smoking Hot Bikini Akuma Alert?

Lincoln: Yep, her name is Blake Cat, the Hypothetical Akuma of Blake Belladonna, and she's a terrible bringer of bad luck. Anyone that she crosses the path of BRINGS TERRIBLE BAD LUCK THAT LASTS FOREVER! She was made because of Adam Taurus wanting to kill her and the Faunus for revenge and she swore to make him suffer with the fury of Friday the 13th.

Lincoln got out his sketchbook and we saw her, she was a smoking hot Cat Faunus with black angel wings and a two-piece bikini with Blake's emblem on it.

Me: (Wolf Whistles)

Nico: Whoa!

Me: HUBBA HUBBA! I've heard of that old superstition, Black Cat Crosses your path and it's bad luck, but this is amazing. Even though I don't believe in superstitions and all that bullshit.

Lynn: Uh oh, and she's wanting to cross Adam's path and end him, right?

Lincoln: Yep. Come on, we still got time to take her down before we go after that monster.

Suddenly, Lincoln had another premonition.

Lincoln: Whoa, heads up, we got another Akuma, his name is Sir Flaresun of Remnant, the Hypothetical Akuma of Jaune Arc and a master of solar fire and magic and is a deadly swordsman and a very formidable force. He was made when Cinder Fall killed Pyrrha and he vowed to avenge Pyrrha and kill Cinder Fall.

Lincoln got out his sketchbook again and we saw him: he looked like a medieval knight with angel wings, a fire aura and The Sun surrounding him, and the emblem of Jaune Arc on the tunic.

Me: Whoa!

Nico: Oh man, it's gonna be like facing a medieval knight from England. Looks like we got two Akumas to take care of.

Lincoln: I'll take care of Blake Cat, then, we take care of Sir Flaresun of Remnant.

Me: Okay.

Sandman: No second Akuma for Yang?

Me: That one will probably appear another time.

Nico: Yeah.

We got a move on, and we saw a lot of Adam Taurus' men flattened by anvils and hurt by tons of random items and more of them got burned to ashes. They were flattened by ships, submarines and more!

Nicole: Yikes! Looks like our two hypothetical Akumas have been busy killing Adam's men.

Lincoln: They sure took care of them.

Me: This takes Tex Avery style comedy to a whole new level of funny.

Janet Jinx: She is definitely a master of bad luck!

But then...

KRABLANG!

She got hit in the face with a huge bowling ball!

Janet Jinx: OW!

I pulled it off her and she spit out some teeth and blood.

Me: Ouch! You okay?

Janet Jinx: Yeah that wasn't because of me though. We must be getting close though.

Then, we saw the first hypothetical Akuma: Blake Cat, the hypothetical Akuma of Blake Belladonna.

Blake Cat: You've made it guys.

Me: We did, and you know who we're after, right?

Blake Cat: That asshole, Adam.

Lincoln: Yep, I'm going to rip him apart and make him suffer for what he did.

Me: YEAH! And wow Blake, You look hot in that!

Blake: I sure do.

Blake Cat: I sure do. (GIGGLES)

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and they glowed with intense light.

Lincoln: And Sir Flaresun of Remnant, you can come out now.

Then, we saw the second hypothetical Akuma: Sir Flaresun of Remnant, the hypothetical Akuma of Jaune Arc.

Sir Flaresun of Remnant: You've arrived just in time. Where's Cinder? I'm gonna make her pay for what she did to Pyrrha.

Me: I want Cinder dead too. Not the Good Cinder though.

Bronze Kneecap: Jaune? Is that you?

Sir Flaresun of Remnant: Yes it's me.

Me: You look awesome as a knight. My first Akuma was also a Knight like you. Expect he was for fire. You are for the Sun.

Sir Flaresun of Remnant: That is interesting.

Mojo Jojo: I guess getting you to calm down is out of the question.

Sir Flaresun: It is.

Me: We'll deal with her in the future, Jaune. Right now, you've got to calm down.

Sir Flaresun fired solar fire at us, but we absorbed it and we got stronger.

Nico: I guess that's a no.

Lincoln: We'll deal with you in a second. But, first.

Lincoln flew at Blake Cat and he pinned her to the ground.

Lincoln: Gotcha.

Blake Cat: (Smirks) Oh really.

Suddenly, Blake Cat wrapped her legs around Lincoln's waist: big mistake, kitty. Suddenly, Lincoln wrapped his massive muscular arms around her waist and he leaned down and kissed her with very intense passion and she followed and returned the kiss with equally intense passion as they had a hot makeout session.

Then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Blake Cat: (Swooning) What...a...manly hunk of a wolf!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Blake Cat with black gems on the gold lightning bolts and black crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Blake Cat saw it, and she knew what that meant: she's now part of Lincoln's harem and they both continued their intense makeout session, and then, they stopped and Lincoln helped her up.

Lincoln: Okay, one down. (Unholsters his massive greatsword) One to go. En Garde!

Sir Flaresun: Very well. (Draws his sword) Have at thee!

Me: (Draws my sword) HAVE AT THEE!

CLANG!

We clashed and really went at him!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Mojo charged at him and blasted him with lasers

He dodged them.

Sir Flaresun: My turn!

He fired massive blasts of fire and we absorbed the blasts and we fired more blasts and smashed him down.

Lincoln and Sir Flaresun went at each other as their swords clashed and sparks came out of their blades and fires started to form, and Caleb dodged one of them.

Caleb Maxwell: Why, you! Lincoln, get out of the way!

Lincoln did so, and Caleb Maxwell went at him, and then...!

POW! BANG!

Caleb Maxwell: TAKE THAT!

CALEB DID A RIGHT GUN PUNCH WITH HIS RIGHT GUN TO SIR FLARESUN'S STOMACH AND FIRED A BLAST OF BLACK AND CRIMSON RED ENERGY AT HIS STOMACH!

Sir Flaresun: Nice try, knave! HAH!

SLASH! UNEARTHLY SCREAM

SIR FLARESUN SLASHED AT CALEB'S CHEST LEAVING A TEAR ON HIS SHIRT AND A SLASH MARK ON HIS CHEST AND BLOOD CAME POURING OUT!

Allie Maxwell: CALEB!

Caleb Maxwell suddenly let out a chuckle, and then, it suddenly turned to full-blown cackling: we knew that meant he was in deep shit!

Caleb Maxwell: Did you honestly think that would hurt me?! I have been dealt with worse injuries than this! But, with what you did, you just crossed a serious line! (Crimson Red Eyes turn brighter) And I'm going to enjoy seeing your bright light burn out forever as you drown in eternal darkness forever! (LAUGHING MALEVOLENTLY)

Caleb was levitating off the ground, and his wound healed and his shirt repaired itself, but then, we saw the skies turn black and red: HE'S UNLEASHED HELL ITSELF AND NOTHING IS GOING TO STOP HIM!

THEN, HE WENT AT SIR FLARESUN AND HE FOUGHT LIKE A WILD DEMON BLASTING AND SHOOTING AT HIM! THE BAT OUT OF HELL HAS BEEN UNLEASHED AGAIN!

Timothy Maddock: (British Accent) I was afraid of this. I knew Caleb would unleash the bat out of Hell that's been inside him.

Then, Sir Flaresun plunged his sword into the ground.

Sir Flaresun: I surrender.

Caleb Maxwell: Surrender? What folly...! You should know that I don't accept any sort of surrender, I wouldn't stop until I see your blood spilled out in front of me. But since you're Jaune's hypothetical Akuma, I'll stop.

Caleb Maxwell turned to walk back to us, but then, he spun around and...!

Caleb Maxwell: HAH!

POW!

CALEB MAXWELL LANDED A POWERFUL ROUNDHOUSE KICK TO SIR FLARESUN'S FACE AND SENT HIM FLYING INTO A TREE KNOCKING HIM DOWN AND OUT AND SENT TO THE M.O.E.

Caleb Maxwell: Hah, did you think I'd just let you off that easily?

Nico: Holy fucking shit on a stick! Allie, your brother really is that dark and dangerous!

Allie Maxwell: I knew despite his transformation, he can still show that dangerous side of him, the dangerous side of him that led to the deaths of so many of The Syndicate's thugs.

Me: No kidding!

Qin: Yeah.

Riku: That was intense.

Me: It sure was!

Qin: Now for the main event,

Lincoln: Alright, now let's get going.

Nico: Alright, now to get after Adam Taurus.

Lincoln: (Sensed another trap) You little...! Selena, your brother's Dark Side set another trap by the time we got here to Remnant.

Selena Mendez: That two-faced...! We're on it, Lincoln.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Adam Taurus is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Adam Taurus saw it, and he and his men let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, bastard!

Nico: Okay, now we can get after the bastard without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Adam Taurus raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate.

Lincoln: That's right, keep at it, your time's up, you son of a bitch!

Suddenly, the spirits of Remnant's heroes appeared and they attacked Adam Taurus and they really thrashed him all over the place showing him no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Adam Taurus even more pissed off than ever.

Nico: You got some fucking nerve returning back from The Black Gates, Adam Taurus!

Me: I thought we were finally done with your ass!

Lincoln: Especially for what you did to Yang by cutting off her arm and breaking Blake's heart, you really are nothing more than a piece of shit!

Adam Taurus: SHUT UP! SHUT THE FUCK UP AND DIE!

Adam Taurus ran at Lincoln to kill him, but Lincoln slashed at Adam Taurus right in the chest with his massive greatsword leaving a nasty scar on his chest and Adam Taurus screamed in pain: the wound wasn't healing, in fact, it was getting even worse!

Shana Kyouka: It's one of the effects of The Shining Rainbow Master Sword, any wound inflicted on the guilty, it doesn't heal that quickly, in fact, it only makes the pain far worse than ever.

Rana Blastheart: We crafted The Shining Rainbow Master Sword that's only for Lincoln to use to not only destroy evil, but purifying those with good within that've been poisoned by evil.

May Harime: And since Adam Taurus is nothing but pure evil, he's going to be destroyed.

Toadlily Sakai: That wound Lincoln inflicted on Adam, it's a slow acting poison that's going to kill him soon.

Rana Kuchiki: But, after everything he did to Yang and Blake, this is nothing compared to what he's really going to do to him.

Kitana Oak: Which is to rip to pieces for what he did!

Zelda Kusajishi: And no one is going to say a prayer for you, you piece of shit!

Blake: No, you deserve only eternal damnation.

Yang: Along with a major asskicking!

Me: BIG TIME!

POW!

I punched him in his face and kicked him in his stomach and punched him in his nose and bashed him in his mouth and kicked him in his face and knocked him down!

Me: TAKE THAT YOU FUCKFACE!

Iron Lung: No Opaline to help you this time!

Adam Taurus: I DON'T NEED HER! I WILL KILL EVERY LAST FAUNUS AND MAKE THEM SUFFER! (LAUGHS INSANELY!)

Nico: I don't think so!

Xenia: YEAH!

But then we saw weird purple scales spread on him!

Me: (GASP) OH NO!

Eli: THOSE ARE D.G. Cells! He was infected by the cells of The Dark Gundam!

Me: UH OH!

Me: This is gonna be good!

Adam Taurus: Don't you fucking fools get it!? I'm trying to save this world! BY WIPING OUT ALL OF THAT FUCKING BITCHES KIND, THE FAUNUS!

Me: That's fucking crazy!

Adam Taurus: DON'T YOU FUCKING GET IT!? BY WIPING OUT THE FAUNUS WHICH ARE RUINING ALL OF REMNANT I WILL MAKE SURE ALL OF US REPOPULATE THIS WORLD TO ITS BEST AND AS LONG AS THERE ARE NO FAUNUS THEN WE CAN REGAIN WHAT IS RIGHTFULLY OURS AND NO FAUNUS WILL EVER SET FOOT ON THIS WORLD AGAIN! (LAUGHS INSANELY) THAT'S IT! THERE IS OUR SOLUTION! THE BEST SOLUTION! AND I WILL MAKE IT A REALITY! I WILL DESTROY THIS ENTIRE FUCKING PLANET AND REBUILD IT FROM SCRATCH AND MAKE IT MY WORLD WHERE NO FAUNUS WILL BE WELCOME! (LAUGHS LIKE A FUCKED UP LUNATIC!)

Me: YOU'RE FUCKING INSANE!

Nico: He has gone nuts!

Eli: YOU THINK I'M GOING TO LET YOU DO THAT!? THEN YOU HAVE ANOTHER THING COMING!

Jaune: As long as he is in that Gundam I can't get near him.

Me: Then we'll take him down.

Stratos: You're a Faunus too, dirtbag!

Adam Taurus: (LAUGHS INSANELY) THEN I WILL KILL YOU ALL TO START!

Eli: SHUT YOUR FUCKING MOUTH! (ECHOING) ERUPTING! BURNING! FINGER!

He fired a massive energy blast and it hit him and exploded!

We were amazed by the transformations of Blake and Yang, but that made Adam Taurus madder than ever and he ran at them to kill them again, but the wound Lincoln inflicted on him just became worse.

Ed Cowart: Okay, now it's time you got your just desserts, you human-hating bastard!

Ed Cowart proceeds to insult Adam Taurus!

Ed Cowart: Hey, bull boy, Silver Samurai called, he wants his sword fighting techniques back! You look like a dollar discount bootleg samurai but with no honor. Now, I see why Blake left you, you're an abusive, sociopathic human-hating douchebag that makes even Magneto look nicer. Hope you like your arms, teeth, legs, and even your nose broken, Bull Boy! Your sword's as fuckin sharp as a fuckin bowling ball. Sorry to disappoint you, but Lincoln's giving Blake and Yang a much happier life than you could, and that's counting the time you cut Yang's arm off, you blonde-hating psycho! By the by, do you dye your hair by eating hair of the Uzumaki? If so, The Uzumaki Clan called, they want their hair color back! You're also a dollar discount bootleg Magneto but without any mutant powers! And the outfit? Where'd you did get it? A thrift store? And one last thing, I may be a human, but my finger can transform, guess which one?!

Ed Cowart reveals his middle finger via the Transformers transforming sound effect!

Me: SUCK EGGS, ADAM! (FLIPS MIDDLE FINGER) AND UP YOURS, ASSHOLE!

THAT REALLY REALLY ENRAGED ADAM TAURUS TO NO END!

Adam Taurus: DAMN YOU! DAMN YOU! WHO DO YOU THINK YOU ARE?! I DON'T CARE IF YOU ARE IMMORTAL GODS, YOU'RE ALL DEAD! I WILL KILL EVERY LAST ONE OF YOU AND DRINK YOUR BLOOD! ALL HUMANS WILL DIE!

Suddenly, Caleb Maxwell glared at Adam Taurus with vengeance in his crimson red eyes.

And by the time we get done with you, the last thing you're going to see in your miserable life is your own blood spilled all over Remnant.

Caleb Maxwell said that with a cold hatred in his voice and Adam Taurus glared at Caleb Maxwell with hate: but, he didn't know this is a true dark angel of vengeance he was staring at, someone of pure dark hatred and rage guiding his every move.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF ADAM TAURUS TO NO END! NOW, THE BATTLE TO FINALLY DESTROY ADAM TAURUS WAS ON!

Lincoln, Blake, Yang, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Adam Taurus, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Adam Taurus and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive

greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at him as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Jack Atlas, Carly Atlas, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Adam Taurus even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Adam Taurus and he got hit hard and one of the blasts hits The Monitor Orb embedded in his forehead and shattered, and not only did we gain a massive power boost, but Adam Taurus clutched his head and screamed in pain.

Then, Lincoln formed and fired a rainbow energy ball that hit Adam Taurus on the back and he was left with a burning scar on his back, and he also took Adam Taurus' sword and he slashed off Adam's right arm and he screamed in pain, and after that, Adam Taurus' sword merged with his greatsword.

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Adam Taurus and we all found ourselves not only in Heaven, but also, in space.

Same with Tyra Cook

Tyra Cook: NO! We control the power! It doesn't!

They concentrated and reigned in the powers of Mega Flareon and Mega Leafeon and transformed and blasted Adam all over.

Me: YEAH!

Jaune and Adam clashed swords once again

CLANG CLANG CLANG CLANG CLANG CLANG!

Jaune: You make me sick Adam!

Pyrrha: Break his sword, Jaune!

Jaune: Gladly!

He clashed more and channeled energy and then...

CLANG!

ADAM'S SWORD SHATTERED INTO A MILLION PIECES!

But Jaune wasn't done. He then sliced off Adam's right arm

SLASH!

HE SCREAMED IN EXCRUCIATING PAIN!

Jaune: That's what you get for slashing off Yang's arm

Yang: Payback's a bitch, ain't it?!

Blake then kicked Adam in the groin.

Lori Loud, Rattle Shake, Bisca Mulan, Mr. Krabs, Golden Locks, Crimson Chin, Catman, Fluttershy, Lilja, Sólrún Jóhannsdóttir, Daffodil Bloom, Bluebell, Fluttershy (G5), Tornado Bolt, Seabreeze, Life Skylanders, Teresa and Arpeggio VS Leonard the Pig King, Beagle Boys, Tech Gear Golem, Penelope Spectra, Fright Knight, DC Catman, Hamhock and Mr. Pig (Theme including Rattle Shake) - Nico's rescue was destroying the planet Cochle

---

Leonard was first.

Leonard: (to Lori) Nico's rescue was destroying the planet Cochle. I can imagine that was a challenge.

Lori: It literally was! The planet was a forest planet and the creatures were ALL OVER the place!

Rattle Shake: the planet Cochle was a REALLY Dangerous place and it was full of Cochleanians and it was essentially a death sentence to many creatures all over the universe! We met the queen of the Cochleanians and she was what we call the Uber-Cochleanian, Very similar to the Uber-Morlocks from the movie The Time Machine and we found out that she sent NUMEROUS Cochleanians to the planets she wanted destroyed. Her goal?

Destroy all life in the galaxy and claim it all only for herself and her kind!

THEY GASPED!

Leonard: THAT'S TERRIBLE AND THAT'S INSANE! That's interstellar supremacy and bigotry!

Bisca Mulan: Yeah no kidding! That was horrible and we found out they wanted to rule the galaxy with ONLY THEM in charge!

Mr. Krabs: Which was very similar to the Highbreed's motives from Ben's experiences.

Fluttershy: That was horrible that they were willing to do that!

Lilja: (Icelandic Accent) What they did was total interstellar racism and supremacy to the extreme!

Sólrún: (Icelandic Accent) Yeah no kidding! But in the end, the Hunters became the Hunted!

Daffodil Bloom: We blew that entire planet to smithereens and made sure none of those monsters remained at all!

Bluebell: I agree there too! But you should have seen what the planet looked like from space. It was an alien jungle planet with 2 moons.

Fluttershy (G5): It was scary and creepy.

Tornado Bolt: Yeah and we found out something shocking! Dark Chase Young called the Cochleanians from the Warp and the queen to attack Earth and destroy EVERYTHING! She was going to attack the Earth in the next three weeks!

THEY GASPED AGAIN!

Leonard: OH MAN! So you guys stopped that attack before it even happened!

Seabreeze: (Swedish Accent) Yeah no kidding! We stopped what would have been a HORRIBLE Apocalyptic Catastrophic Nightmare from happening.

Stealth Elf: Yeah!

Leonard: Boy no kidding! I'm glad you guys got there just in time!

Lori: Lets just say we were literally in the right place at the right time before it happened.

Leonard: Thank goodness! That's another one of Dark Chase Young's evil plans thwarted! Lets do it!

Lori used the Core Medals for Cyclone, Evil Wind Man and Evil Tornado Man and got a powerful wind sword!

Lori: THE WIND SWORD OF A THOUSAND CYCLONES!

Leonard: COOL!

Lori: And this too. CYCLONE TORNADO STYLE NINJA ART: TORNADO FORCE BLADEDANCE!

They fired waves of wind, leaves, grass, flowers, fruit, weeds, wood and energy and blasted them down.

Hydro Man (to Luna): I heard Lincoln's rescue was on a planet of nuclear hot fire and peppers. How was it?

Luna: IT WAS REALLY SPICY DUDES!

They told the story. We battled Riley "Ruby Carbuncle" Mackenzie who has has returned, the bad news: this old enemy is her older brother, Ryan Mackenzie, he and Riley never got along, in fact, he hated her the day she was born and he always insulted her at every turn, and he was brazen enough to do that in front of their parents which wasn't very smart, in fact, he was a stupid idiot who relied only on brawn, muscle, and brute force, and not on his brains, and he relied on the fact that he was the biggest and strongest of his school to get his way, but it proved to be his own undoing. His reliance on brawn, muscle, and brute force left him with a lack of thinking in the smarts department as Lincoln and Riley found evidence of every last one of Ryan's crimes including rape of girls who are friends with Riley. This made her so pissed off to the extreme, she reported it to the school and Ryan was expelled from school and arrested, and since he was eighteen at the time, he was thrown in prison for life and he got disowned by his parents forever. But now, years later, we got word that Ryan has broken out of prison thanks to him bulking up even more in muscle in the past fourteen years since he got sent to prison, and now, he's out for revenge on Riley, but Lincoln's going to take down that stupid bully and absorb him and send his soul straight to Hell because he's not worthy of getting sent to The Black Gates or The Black Abyss.

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death once more. Wagnard, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Lincoln, Sora Kannazuki, Nico, and I went after Wagnard, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Wagnard, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Sora Kannazuki did the same by firing pink and white, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Sora Kannazuki, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Wagnard even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Wagnard and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Wagnard's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into Wagnard's chest, and then, Lincoln began absorbing Wagnard and he assimilated Wagnard's dark magic and knowledge of The Dark Arts, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

We cheered wildly as we holstered our weapons and powered down and Sora Kannazuki's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large pink and white planets orbiting around her legs, thirty-five smaller pink and white planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized pink and white planets orbiting around her wrists and ankles, and massive pink angel wings and twenty-four sets of large pink angel wings underneath her massive pink angel wings are permanent.

Sora Kannazuki: And this is goodbye and good riddance forever. Thank you for helping me destroy Wagnard for good, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Sora.

Me and Nico: Our pleasure, Sora.

Suddenly, Sora Kannazuki wrapped her arms around Lincoln's waist, as her large chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sora Kannazuki's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Sora Kannazuki sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: And that is that for Wagnard.

Lincoln: Yep. Now, we're rid of him for good.

Nico: That monster got what he deserved.

Me: That's for sure. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw lights descend from the skies, and a collection of statues formed and we saw the crest of The Witchcrafter Duel Monsters in the skies.

Lincoln: The Crest of The Witchcrafter Duel Monsters formed from the lights from the skies and the collection of statues.

Selene Arcangela: There's only one person who has sculptures and light as part of her specialty in The Witchcrafter Artisans Guild: Marcella Thornton, Avatar and Gene-Slammer of Witchcrafter Golem Aruru.

Emily Edelstein: I knew it was her, and you guys are going to love meeting her, Marcella Thornton, Avatar and Gene-Slammer of Witchcrafter Golem Aruru, is Lincoln's Guardian Angel from Michigan and she's a powerful master of light, sculpture, painting, photography, drawing, and magic. She's the Sculptor, Painter, Drawer, and Photographer of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Marcella Thornton met Lincoln, and this one time, she and Lincoln created amazing sculptures and they even made the sculptures of all The Gods and Goddesses of The Ancient World, they even took pictures of all the ancient buildings and ruins all over the world, painted many beautiful paintings, and drew many drawings that were featured in an art show in school. Plus, she really helped him with mastering the powers of light which she saw that he was born with, along with teaching him how to master the powers of light, sculptures, paintings, drawings, photography, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Luan with a blazing passion because she tried to destroy the many sculptures, drawings, paintings, and photos they've made and taken out of spite to satisfy her need to cruelly humiliate and torture Lincoln, and the clown got thrown in a psych ward for a month.

Nico: Luan, seriously?! What the Hell?!

Qin: Jeez.

Laney: I was so pissed that Luan tried to destroy their massive collection of sculptures, drawings, paintings, and photos they've made and taken just because she can't stop humiliating, torturing, bullying, and harassing Lincoln for her own sick and twisted amusement.

Luna: That just proved her Dark Side was an absolute psycho who thinks everything is a joke to her.

Caleb Maxwell: I've dealt with those sorts of people before in the past, and I wanted them to pay for it big time. (GROWLS)

Allie Maxwell: Well, their lives did go down the drain, they failed in their lives before and after you died, Caleb, because many of them had gotten caught in legal trouble.

Caleb Maxwell: And I missed it all because I died, damn.

Nico: Jeez, they really pissed you off in the past with the same antics Luan had done to Lincoln.

Allie Maxwell: You don't know how close you are to the truth. Those guys thought the lives of those around them are nothing more than toys to mess with, and that made Caleb so angry and furious, he wanted blood and revenge on them. I still remembered it all too well, Caleb was so angry, he gritted his teeth angrily at the jocks, and blood came out of his tear ducts.

Marlene Maxwell: We may have our famous and fiery temper, but what Caleb had was far darker and far more horrific: this was pure hatred to the core.

Jack Howard: Even the NYPD Nightshift stayed clear of him when that happened to him.

Captain Whitten: I couldn't forget it. Drake's constant ruthless behavior towards Caleb that one time in NYU caused him to cry blood tears and he glared at the asshole with absolute hatred. If looks could kill, Drake would wind up dead.

We gulped in fear.

Me: Ooh boy.

Nico: Yep. The more we find out about Caleb, the deeper and blacker his ex-brother's sins become.

Me: That is for sure!

Shiv: Don't get too comfortable, Blake.

Webstor: Adam might be done.

Bane: But you still have your big day in the future.

Blake: I know. I'm just glad he is gone.

Me: So are we.

Vexen: You guys have anymore pizza?

Firefly: I'll heat it up!

Me: We got more than enough for everyone.

Nico: Yep. Great job today everyone.

Yang: (To the viewers) Adam is gone and he had it coming.

Me: Yep.

We had more pizza and went back home to Earth.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we finally got rid of Adam Taurus forever, destroyed and absorbed the Cochleanians and sucked in the core of Planet Cochle and in the process, foiled another of Dark Chase Young's plans, absorbed and banished Ryan Mackenzie to Hell, and pissed off Dark Sebastian and those pathetic snakes again.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) (Rubs Lincoln's massive pecs) Uh oh, now he's about to get wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan.

Lincoln: (Seductive Voice) (Smirks) You guessed it.

Lincoln used his thirty-five massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alright, and now, for tomorrow, the match-up is for Maasa Myoudou, and she and Lincoln are going to destroy Malcho, that evil dragon from Aladdin: The Animated Series who's come back for revenge yet again

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Maine, but we got really bad news: our old enemy, Andre Linogue, the 4,000-year-old has returned from the dead and is back terrorizing the people of the small town of Little Tall Island, off the coast of Maine, by creating a massive blizzard that cut the island off from the rest of the world. So, we're going to head down to Little Tall Island, and we are going to destroy Andre Linogue once and for all and we're sending him to The Black Abyss forever, and we're going to meet Marcella Thornton, Avatar and Gene-Slammer of Witchcrafter Golem Aruru, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of light, sculpture, painting, photography, drawing, and magic. Azulongmon's day to shine is next and also AKU IS BACK! The Brave 12 and the Sovereign of the East are in for a really explosive battle!

See you all next time.

Eastern Sovereign VS Shogun of Sorrow

Azulongmon's Day to Shine

Aku: Long ago in a distant land, I, Aku, the shapeshifting master of darkness, unleashed an unspeakable evil. But, a foolish samurai warrior wielding a magic sword stepped forth to opposed me. Before the final blow was struck, I tore open a portal in time and flung him into the future where my evil is law. Now, the fool seeks to return to the past and undo the future that is Aku.

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to Japan, but as he was flying, he saw someone he hoped never to see again: it was our old enemy, the evil monster, Aku, and when he saw The Monitor Orb embedded in his forehead, he knew Anti-Monitor was the one who brought him back from the dead to seek revenge on us. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got some serious trouble.

Lincoln explained everything, and his harem were horrified.

Ronnie Anne: Uh oh. Aku's back, that's not good.

Lincoln: It's been many years since that day we set out on our journey to stop him and his minions. Now, he's returned once more, but we're not the same as before, and we recruited all of his minions into The M.O.E. (Sensed that I, Vince, Sakura, Laney, Varie, Fu, Jessie Quest, Ashi, Lisa, Naruto, and Samurai Jack also had the dream) And I'm not the only one.

Lily the Mermaid: J.D., Vince, Sakura, Laney, Varie, Fu, Jessie

Quest, Ashi, Lisa, Naruto, and Samurai Jack also had the dream.

Avi: That monster isn't our father.

Ami: Yes, he deserves to die once and for all.

Aki: Without a doubt, and our mother has already joined The Masters of Evil along with our Demon selves.

Ani: He will no doubt be in for the shock of his life.

Ali: Aku's reign of terror will end once and for all.

Ari: That's for sure, we've all had enough him for an eternity.

Lincoln: That's right. Aku will pay for this, for all of the evil he's committed. We're gonna tell everyone about this in the morning, and when they hear of it, they're gonna be pissed.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to Japan.

Then, Lincoln explained to us that as he was flying, he saw someone he hoped never to see again: it was our old enemy, the evil monster of darkness, Aku, and when he saw The Monitor Orb embedded in his forehead, he knew Anti-Monitor was the one who brought him back from the dead to seek revenge on us.

Nico: Oh man...!

Me: We all had that same dream last night. So, Aku has finally returned, has he?

Ashi: I truly thought we were done with him, but Anti-Monitor has crossed the line.

Samurai Jack: It has been many years since we fought him. But, we are not the same as we were long ago.

Vince: That's right. We've grown a lot more powerful since then, and Aku is in for one nasty surprise.

Fu: One that'll end him forever.

The rest of The Brave 12 also agreed.

Eli: He's in his Petrified tree form in a desert wasteland on Glaren.

Me: Perfect.

Selena Mendez: We've heard about that from Lincoln, and we all knew about Aku. That demon was the reincarnation of The Black Mass until the Gods, Odin, Ra, and Rama destroyed it, but the piece of it survived and crashed down to Earth, and it formed into the monster himself.

Camie Elextor: And only the enchanted sword can destroy him forever.

Lincoln: And we'll also add in The Elements of Harmony as well, Aku is a demon of pure darkness, and righteousness and light are two of the many weaknesses that demons despise.

Vince: Awesome!

Caleb Maxwell: If righteousness and light are two of Aku's weaknesses, won't prayer also work as well?

God: (Divine Heavenly Godly Voice) (Through Lincoln's crest and Third Eye) Yes, it will work and it'll weaken him.

Lincoln: And that'll enable us to deal the killing blow that ends his life.

Me: Awesome. And we're going to be teaching more moves to the

UA Academy students.

Nico: Awesome. Say, maybe, Lincoln can teach them that awesome finishing move he used on many villains.

Lincoln: You mean this.

Suddenly, Lincoln's massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and we all found ourselves not only in Heaven, but also, in space.

Me: Yep, that's the one!

Then, we were back in the dining room.

Eli: That finishing move is still really awesome! You got to teach the students that move.

Lincoln: They'll get a chance to see it for themselves, Eli, and learn how to do that finishing move. Alright, let's finish breakfast and head out.

Nico: Got it.

Azulongmon woke up to see Dracozolt staring at him

Dracozolt: Morning Azulongmon! Time for breakfast.

Azulongmon: Oh be right there.

He went down to the table.

Me: Morning Azulongmon.

Azulongmon: Morning everyong.

We were having lots of breakfast foods and man were we hungry.

We finished our breakfast, and we headed out to UA Academy to teach more moves to the students and take down the next villain for Nico's rescue.

Me: Good guys! You're doing great!

We had a training arena set up to look like Evil Sasuke's home compound and we were blowing it to smithereens.

Izuku: FIREBALL!

He used the Fire Character and fired a fireball and it hit a house and blasted it into flaming embers!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMMM!

Me: Good Izuku!

Ymir: DARKNESS THUNDERBOLT!

She used the Dark Character and fired a black lightning bolt and blasted another house and blew it into a bunch of fiery matchsticks!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMM!

Me: Nice Ymir! You're learning fast!

Ymir: This is cool!

Qin: It sure is!

Camie fired waves of light with the Light and Aurora Character and blasted more houses into oblivion!

MASSIVE FIERY EXPLOSIONS!

Camie: YEAH!

Me: Great job!

They were learning fast!

Napalm Man: Explosive!

Nico: Napalm Man, I want to thank you, Spiral Pegasus, and your teams for coming

Napalm Man: No problem Nico. This is gonna be so fun and cool!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOMMMM!

A massive explosion from Tsuyu blasted another house apart.

Tsuyu: YEAH!

Nico: Nice one!

Qin: That was fun!

Pyra Fennikusu: I'm always up for some fun! EXPLOSION BEAM ATTACK!

She fired a beam of energy and it hit a bunch of houses and exploded with intense power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSIONS!

Nico: YEAH! TAKE THAT!

Qin: WOW! I forgot Pyra is the gene-slammer of Blast Magician.

Rarity: That is so amazing darlings.

Nico: Pyra, what do you like to do in your free time?

Pyra Fennikusu: Boy I haven't thought about it. But if I were to pick it would be being a Demolition Specialist for destroying abandoned buildings.

Me: That's a great job. Blowing up buildings to make way for new ones.

Pyra Fennikusu: It sure would be.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

A massive fiery explosion blasted off and destroyed a building because of HImiko using the Thunder Character!

Himiko: YEAH! Wow that was cool using lightning like that.

Rei Miyamoto: It sure was!

Horsea: I can help you with that!

Mascots: We can too!

Me: (LAUGHS) The mascots can use their skills for that too.

Pyra Fennikusu: I would like that.

Me: The mascots are good with demolition stuff.

Camie: Too true.

We watched and everyone was doing great.

Me: You all are doing great.

Sirius: Yeah this is fun!

Me: It sure is. Many more where those came from.

Yang: Guys thank you so much for helping me and Blake.

Blake Belladonna: Looking back I can't believe I thought I loved Adam.

Nico: He was a bad boyfriend.

Me: That's an understatement.

Eli: HE WAS THE ABSOLUTE WORST!

Qin: YEAH!

Lincoln: I agree there! What a jerk! You and Yang deserved better than him.

Me: And now you have Lincoln.

Jaune: I helped kill him too.

Me: You sure did Jaune.

Jaune: That Gundam he piloted was amazing.

Eli: That was one of the Dark Gundam's 4 Kings.

Jared: It sure was.

Me: He was totally fucked up in the head because of D.G. Cells. He was really going to kill everyone on Remnant.

Camie: What an absolute monster!

Xenia: YEAH!

Jared: Those cells REALLY Fuck you up big time.

Nico: In the wrong hands, they can destroy someone's mind

Me: Yeah no kidding.

Qin: Yeah.

Jaune: My Akuma was cool though. I looked like a knight of the sun.

Me: You sure did and Mojo Jojo turned Adam into swiss cheese.

Lola: Yeah!

Nico: It was pretty humiliating for him to get his ass beat by Mojo!

Me: Yeah! Beaten by a superpowered monkey!

Qin: No kidding!

Me: Yeah!

Allenby: I'm just glad Adam is gone forever.

Qin: Same here.

Jared: Yeah. I don't know how Anti-Monitor got his hands on Dark Gundam Cells but if he has them then our enemies are gonna be more fucked up than ever.

Nico: Maybe we can destroy them before they can be used.

Lincoln: Good idea. I'll have to look and see where they are so we can destroy them.

Nico: Okay.

Eli: I wouldn't be surprised if Ulube was brought back.

Jared: You remember Ulube right Nico?

Nico: Don't remind me

Jared: Good. I have a feeling he is going to return on Lisa's big day as well. I just know it.

NIco: Oh boy. But for now we'll cross that bridge when we get to it.

Me: Okay. Okay lets lets take a break.

We rested up.

Rainbow Dash: Boy that was awesome seeing the Skyblade Triplets do their stuff.

Camie: That was so awesome and cool.

Nico: It sure was!

Me: Yeah!

Poromon: We have MORE Than enough pizzas to last a week!

Me: Well we're going to be really hungry later today. I have an awesome new restaurant I want to show all of you guys.

Nico: What is it?

Me: It just opened up in town. You'll love it.

Camie: Looking forward to it.

Lincoln: Okay, guys, we're in for a very dangerous battle, we're here at UA Academy, but here's the bad news: it appears another Evil Sasuke has been sighted here, and he's on the warpath!

Me: WHAT THE ABSOLUTE FUCKING HELL?!

Nico: You've got to be fucking kidding!

Me: We haven't fought an Evil Sasuke in a while. Not since we fought Orochimaru on Sakura's big day.

Sakura Haruno: I know.

Eli: Oh, great, now we got another Evil Sasuke running loose?! Who the Hell is resurrecting them?!

King Kai: (Telepathically) It wasn't Anti-Monitor who did this, it was a certain black-hearted snake and his fellow minions who did the dirty deed of resurrecting all of the Evil Sasukes that you've killed in the past.

Nico: What?! That goddamn snake! He and his minions have crossed the line for the last time! If I find out those snakes have escaped from Hell, I'm gonna tear their limbs off one by one!

King Kai: (Telepathically) The seal is still holding strong, and not even Malphas' powers over The Dark Arts are able to break through it.

Lincoln: Malphas is trying to break the seal to let those snakes out. Looks like we'll be sending a very threatening message to him and the other Demon Princes of Hell.

King Kai: (Telepathically) It has to be something really nasty and threatening to even someone like Malphas.

Lincoln: (Smirks) Oh, I can think of a few nasty and threatening messages to send to him and the other Demon Princes.

Nico: Pissing off the other Demon Princes of Hell?! Why stop there, we'll send one to Lucifer himself, the one we all know and hate.

Me: Now, you're talking!

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent a general after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another demon general after us?!

Nico: And now that those snakes are freed from Hell, they're free to come after us once again.

Lincoln: We're more than ready for those pack of snakes, and we'll send them running back to Hell for good by absorbing their next demon general and drain his soul and send him to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Evil Sasuke) AHA! Gotcha, you son of a bitch! I just spotted Evil Sasuke, he's 20 yards away, but he's heading right for us!

Nico: Let's get that son of a bitch!

Lincoln: (Sensed the next demon general) And the next demon general sent by those snakes is also coming right for us, but the best part, those snakes are going to watch as their next demon general is also absorbed by me.

Me: (Smirks) That'll piss them off big time.

Nico: (Smirks) Here's hoping they get another asskicking while trapped in Hell.

Eddy: Who gets a Pokemon next?

Jamesdean5842: Well unfortunately the next group set for the upcoming usual battles is all covered for Pokemon. So you're all pretty much covered. Kevin is gonna get one this time.

Kevin: Choice!

Me: Yeah!

Kevin (Ed Edd N Eddy) heard a Pokemon cry

Kevin: Look guys!

We saw a MEGA PRIMEAPE!

Me: WHOA! A Mega Primeape!

Brock: Don't look it in the eyes or it will kill you.

Me: I'd like to see it try!

Kevin: I think it's hungry.

Mega Primeape: Yeah got any food?

We gave it food and he ate it.

Mega Primeape: Thanks.

It jumped at me and I blocked its fists and punches with intense speed.

Me: WHOA!

Nico: This one is good!

Kevin: Okay that's enough. Want to come with?

Mega Primeape: Sure!

Me: Awesome! You have an awesome fighter pokemon now.

Nico: Yeah!

Poliwag looked it in the eyes.

Mega Primeape roared and Poliwag dodged a punch from it and blasted it with Hyper Beam and he was knocked out cold!

Nico: WHOA!

Kevin: Nice job Poliwag!

Camie: WOW! Nice one!

Mega Primeape woke up seconds later.

Me: Guess you should never underestimate Poliwag.

Mega Primeape: Not bad for a little pipsqueak!

Poliwag: Thank you!

Mega Primeape: You're welcome.

Nico: We're not done yet

But then...

ZZZZZZZAAAAAAAAAAAAAAAAAAAAPPPPPPP!

A POWERFUL BLAST OF LIGHTNING HIT MAY AND ELECTROCUTED HER!

May: (SCREAMS IN PAIN)

Me: YIKES!

Ed: ZAPPITY ZAP ZAP!

May was burned to a crisp!

May: Ow.

Manaphy: Mama! Are you okay?!

May: That really hurt.

Ash: Pikachu why did you do that?

Pikachu: That wasn't from me! It was from that!

We saw a MEGA JOLTEON!

Me: WHOA! Mega Jolteon!

Nico: How'd that get here?

Me: It must be one of Dark Gale's work.

It fired massive blasts of lightning and it hit Horsea and electrocuted her!

Horsea: (SCREAMS IN PAIN)

Me: YIKES!

Ed: Zappity Zap Zap!

Horsea was REALLY ZAPPED!

Horsea: Ow.

Hay Lin: Let me see.

She used Telepathy and gasped!

Hay Lin: Hayley Lin! That's my sister Hayley!

Me: She must be the Wind Guardian like you Hay Lin!

Nico: Yeah!

Me: Lets go!

Hay Lin: Hayley it's okay it's me.

All she did was use Thunderbolt on Horsea again!

ZAAAAAAAAAAAAAAAPPPP!

Horsea: (SCREAMS IN MORE PAIN!)

She was electrocuted bad!

Horsea: ENOUGH WITH THE LIGHTNING WORKS ALREADY!

Me: Okay time to cool down this lightning rod!

Me and Hay Lin fired waves of wind and blew her around in a tornado! AND SHE GOT REALLY SUPER DIZZY! I snapped my fingers and she reverted back and was a girl with aqua blue hair and had blue eyes and had blue angel wings and had Mega Jolteon on her forehead and a cutie mark of the Air Kandrakar symbol with a Sylph, Fairy, Pegasus and Harpy on it.

We wrapped her in a blanket and we brought her over.

Hayley Lin: (Groans) Whoa I feel really dizzy. (STOMACH GRUMBLES) UH OH!

ZOOM!

I ran fast and brought a trash can over and she threw up in it from being too dizzy!

VOMIT ATTACK!

She turned to see Horsea's stern gaze

Horsea: YOU ELECTROCUTED ME AND MAY!

Hayley vomited!

Maria: Horsea calm down. She didn't mean too.

Maria picked her up.

Me: She's really dizzy right now so let her regain her composure.

Horsea: Sorry.

Hay Lin: Are you okay Hayley?

Hayley felt better.

Hayley Lin: I think so. Wait Hay Lin!? It is you!

She and Hay Lin hugged.

Hay Lin: My sister it's great to see you.

Hayley: Me too.

Me: You electrocuted Horsea and May. You were turned into a Mega Jolteon because of Dark Gale.

Hayley: Oh man. I'm so sorry.

Manaphy: Shame on you!

Me: Guys enough! Hayley do you remember anything at all?

Hayley: I do.

She was in a yellow suit and injected and in a massive blast of lightning she turned into MEGA JOLTEON and with intense lightning she electrocuted the members of Dark Gale and busted out.

FLASHBACK ENDS

Hayley: It was terrible.

Me: I know but we destroyed Dark Gale forever.

Nico: It's true.

Hayley: Good.

Me: What do you do for Sonya's Team?

Hayley: I work as the Wind Master of the team and I use the weather to bring down our enemies. Outside the team I work as a guardian for Candrakar to destroy their enemies.

Me: We destroyed Phobos and Nerissa was redeemed.

Nico: It's true.

Me: Yeah.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new guardian clothes and she looked awesome.

Hayley: I look great!

Hay Lin: You sure do.

Me: Yep.

Maria: Right now, we need to get rid of a recurring pet peeve.

Me: Evil Sasuke problem.

We then waited and we were going to destroy Evil Sasuke and send him to The Black Abyss and send the next demon general sent by The Order of The Dark Universe and The Dark Church of Malphas to The Black Abyss as well.

We waited and hid as we spotted our target: Evil Sasuke, and like Lincoln said, he's waiting for us which was suspicious.

We carefully landed.

Lincoln: There's Evil Sasuke, now we need to see if that's either the real thing or if that's just a substitution.

Nico: Right.

We carefully approached Evil Sasuke, but then, it vanished.

Lincoln: I knew it, it's a Substitution.

Me: Again with that?

?: YOU MOTHERFUCKING CUR!

Me: Yeah, fuck you too, shithead!

We then saw Evil Sasuke heading right for me, but before he could, Caleb Maxwell grabbed him by the neck with his left hand and he threw Evil Sasuke into a nearby wall, he got out, but now, he was even more mega pissed if that was even possible.

Evil Sasuke: Out of my way! That cur must die!

Then, Caleb Maxwell fired a bullet that hit him in his shoulder and he screamed in agonizing pain!

Caleb Maxwell: Like Hell I'm gonna let you get your way, you goddamn prick!

Evil Sasuke: WHAT THE HELL DID YOU SAY TO ME?!

Caleb Maxwell: You heard me, you're nothing but an asshole, a godforsaken bastard from the blackest depths of Hell! I've heard everything about you and all the godforsaken things you've done and all for what, power, revenge?! You make me sick! In fact, you're even worse than my younger brother, and he murdered me because he was fucking insane and only cared about The Syndicate and their hold on New York! And those are the kinds of people I despise, and you also fit that category quite well!

Then, Caleb Maxwell went at Evil Sasuke, and he began tearing into him leaving slash marks on Evil Sasuke's shirt with his gold-armored dragon claws and even blasting him with blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, demons, phoenixes, and angels along with bullets.

Lincoln: You've really awakened The Devil, you idiot!

Timothy Maddock: (British Accent) If he gouges your eyes out, you've only got yourself to blame.

Evil Sasuke: SHUT UP! DIE!

Evil Sasuke went right at us again, but then...!

Timothy Maddock: (British Accent) Say bye to your eyes! HAH!

SLASH! SQUELCH!

Timothy Maddock took out his sword and slashed Evil Sasuke's eyes out, destroying his Sharingan in the process!

Evil Sasuke: (SCREAMS)

I punched him in his face and kicked him in his mouth!

Mega Primeape bashed him all over the place with intense fury!

NUMEROUS BLOWS LANDING!

He stopped.

Nico: You seriously don't know when to quit, do you?!

Evil Sasuke: AND I WILL NEVER STOP UNTIL THAT (POINTS TO ME) MOTHERFUCKING CUR AND LIFE WRECKER IS DEAD AND SENT OFF TO HELL WHERE HE BELONGS!

Me: If I go down, I'm taking you with me!

Hayley Lin: Like old times?

Hay Lin: Like you have to ask.

Hayley and Hay Lin: WIND STORM HURRICANE!

They fired waves of wind and blasted him all over!

I punched Evil Sasuke and blasted him with fire!

Me: Try topping this one. INFERNO FLAME STYLE NINJA ART: FIENDFYRE FLASHOVER INCINERATION!

I released a MASSIVE VORTEX OF FIRE AND THEN...

Poromon: Take that jerk!

Sakura Haruno kicked him square in the crotch!

HE SCREAMED IN AGONY!

Sakura Haruno: I don't know what the fuck it was I ever saw in you but you don't care about anyone but yourself!

Evil Sasuke then jumped and I pulled out Master Goku's power pole. I stuck it into the ground and then...

STAB!

HE LANDED AND IT STABBED HIM IN THE BUTT!

HE SCREAMED IN PAIN AS HE WAS RUNNING AROUND IN PAIN! HE GOT BUTTRAPED BY A POLE!

WE LAUGHED HYSTERICALLY AT HIS HUMILIATION! HE HIT A TREE WITH THE POLE AND HE SCREAMED MORE!

Me: NOW He literally has a stick shoved far up his ass!

Nico: You said it!

I pulled out the pole!

Horsea squirted ink and blinded him.

Nico punched him in the face.

May slapped him!

WHAP!

Poliwag slapped him with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Me: Take that!

Evil Sasuke: I WILL KILL YOU ALL!

Me: Oh blah blah blah! That's all you are Sasuke, All Talk and No action. A TRUE PIECE OF FUCKING TRASH!

Nico shot him in the leg with a shotgun.

Me: Nice shot.

Nico: Thanks.

Nico: You just made things a lot easier for us, Mr. Maddock.

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a 12'5" extremely muscular male demon with curved horns on his head and massive black fallen angel wings and dressed only in black shorts and loincloth and carrying a massive demonic greatsword came out along with many other demons.

Cocytus Malefic: Oh great, they sent another demon general of Hell to attack us, and he also has his army with him.

Lincoln: Time to put an end to this.

The demon general charged at us, but Lincoln charged at him and he really trashed the hulking demon general as he punched and kicked him and slashed at him all over the place, and he was really working up a sweat, and finally, he knocked the demon general down.

Then, Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of the demon general, and he began absorbing him and he assimilated his massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the demon general except for his loincloth and shorts and Lincoln drained the demon general's soul of energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Me: Nice one, Lincoln!

Nico: Way to teach that demon a lesson.

That made the demon general's men angry, but then, Lincoln's massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out, and then...!

Lincoln: (SAVAGE LOUD WOLF ROAR)

Lincoln let out a savage loud wolf roar and that caused the men to slit their own throats and they killed themselves and they were sent back to Hell.

Me: WHOA!

Nico: Oh man, Lincoln caused them to commit suicide and they were sent back to Hell by roaring at them! Talk about intimidation to the core!

Back in Hell, seeing what happened to their next demon general getting taken down and absorbed by Lincoln and the soldiers of Samael committing suicide and sent back to Hell royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC AND CAUSED SO MUCH HAVOC IN HELL, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at Evil Sasuke with silver bullets from his guns, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at him as he got hit. Then, the barrier deactivated and Caleb then lands and rejoins us.

Evil Sasuke was riddled with bullets and he screamed angrily at us, and Lincoln roared at him with bestial fury and fired blasts of energy from the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of massive white angel wings underneath his massive white angel wings and they hit Evil Sasuke and he got pulverized.

James Blunt: That's right, get angry with us. (Smirks) But, then again, you're just a monster who has no place in this universe anymore.

Cage Blunt: You've lived for too long.

Travis Tackett: And now, this is where it all ends for you.

Evil Sasuke went ballistic, but Andre Lupescu fired at him with one of his silver-plated guns in his left hand while he holds his massive greatsword slung over his shoulder and he got hit by silver bullets yet again.

Nico: Okay, time to shut you up forever, you piece of shit. Caleb, Cage, Travis, Gabriel, James,...GET HIM!

Suddenly, they heard the words and turned menacingly towards Evil Sasuke.

Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Solar Light Ocean Water Maelstrom Darkness Titan Night Dragon Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I have had it up to hear with your arrogance and heartlessness to last an eternity, and what you did calling J.D. that?! Yes, and that so called cur was the only person you can, or should I say, can't ever handle. J.D. remembered that your father said that very same thing to him in 150,000 years just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right, and they say that your father was leading the Uchiha to greatness. But, it turns out you're just another lost soul of the run-of-the-mill ninja, and you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of The Devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting, as one of the most powerful fighters and warriors and champions in the universe, all I see when I look at you is a fucked up miserable fuckweed and heartless motherfucking psychotic wretch, and on top of that, I fucking hate your style above all others, you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the Jutsu in the world just to expand your Jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why J.D. killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why he killed them all. YOU ALL FUCKING DISGUST ME!

WE CHEERED WILDLY FOR YMIR USING THE EVIL SASUKE RANT, AND THAT CAUSED EVIL SASUKE TO ABSOLUTELY FUCKING LOSE IT!

Evil Sasuke: YOU GODDAMN BITCH! I'LL KILL YOU!

Me: DON'T YOU DARE LAY ONE HAND ON MY FUTURE WIFE, ASSHOLE!

I fired a blast of energy that hit his arm and he got burned badly.

Suddenly, we saw some other figures appear: they were Cthulhu, Tiamat, The Morrigan, Xing Tian, Ao Kuang, Set, Ravana, Kali, Kumbhakarna, Arachne, Medusa, Bake Kujira, Izanami, Camazotz, Ah Puch, Fafnir, Fenrir, Hel, Loki, Surtr, Dischordia, Bakasura, and Chernobog from SMITE.

Lincoln: Cthulhu, Tiamat, The Morrigan, Xing Tian, Set, Ravana, Kali, Kumbhakarna, Arachne, Ao Kuang, Medusa, Bake Kujira, Izanami, Camazotz, Ah Puch, Fafnir, Fenrir, Hel, Loki, Surtr, Dischordia, Bakasura, and Chernobog from SMITE.

Chang'e (SMITE): Dark Sebastian brought them back!

Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Cthulhu, Tiamat, The Morrigan, Xing Tian, Set, Ravana, Kali, Kumbhakarna, Arachne, Ao Kuang, Medusa, Bake Kujira, Izanami, Camazotz, Ah Puch, Fafnir, Fenrir, Hel, Loki, Surtr, Dischordia, Bakasura, and Chernobog from SMITE, and then, Lincoln began absorbing the evil Gods and Goddesses and he and all of us assimilated all their godly powers and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Cthulhu, Tiamat, The Morrigan, Xing Tian, Set, Ravana, Kali, Kumbhakarna, Arachne, Ao Kuang, Medusa, Bake Kujira, Izanami, Camazotz, Ah Puch, Fafnir, Fenrir, Hel, Loki, Surtr, Dischordia, Bakasura, and Chernobog from SMITE and Lincoln drained their souls completely dry of energy and power and sent him to The Book of Vile Darkness and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Then, he cracked his knuckles and cracked his neck: Evil Sasuke was screwed, and so was Dark Sebastian and his minions who are still in Hell!

Lincoln: Alright, let's do this! It's time to end this pathetic wretch of a human being once and for all!

KRABOOM!

THE BLAST EXPLODED WITH SUCH INCREDIBLE POWER, AND EVIL SASUKE DISINTEGRATED INTO NOTHING AND HIS SOUL WAS SENT TO THE BLACK ABYSS FOREVER!

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eye, eleven massive and long colored wolf tails, large gold halos with four large orbiting gold rings on each corner behind her head, thirty-five large colored planets orbiting around the legs, thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized black and dark blue planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Mikoto Uchiha, Ymir Fritz, Olivia Omega, Sabrina Morrigan, Selina Morrigan, Caitlyn Cailleach, Bridget Brigid, Trista Taranis, Phoebe Phthisis, Cienna Cliodhna, and Dana Danu are permanent.

Nico: And that's one less fuckweed Evil Uchiha!

Me: That's for sure, but I can't believe that snake, Dark Sebastian, and the rest of his minions have brought all the Evil Sasukes that we killed all those years ago back from the dead.

King Kai: (Telepathically) Anti-Monitor knew he couldn't trust Evil Sasuke, and that snake only saw Evil Sasuke as a tool to be used and butchered.

Lincoln: Yep. But, this'll send a warning to the others in the shadows: we're coming for them, and we'll wipe every last one of them out to join Fugaku, Madara, and the other Evil Uchiha in The Black Abyss.

Eli: That's for sure.

King Kai: (Telepathically) I'll keep an eye out for them, and with the seal keeping Dark Sebastian and his minions locked away in Hell until May 5th, I won't have any trouble from them.

Me: Thanks, King Kai.

Lincoln: With the other Evil Sasukes running loose, we're gonna need a lot of help tracking them down.

Kevin (Ed Edd N Eddy): Nico, can I ask you something?

Nico: Go ahead.

Kevin (Ed Edd N Eddy): Since I got my mascot today, can I particiapte in the usual battles later?

Nico: Hmm. It HAS been a while since you and Imperious fought. And we don't want the WarKevin suit to get rusty. So, why not?

Kevin: Thanks dude!

Qin: Awesome.

Me: YEAH! Well that's another Evil Sasuke down the drain.

Varie: Good riddance.

Nico: Nice job Mega Primeape.

POW!

Nico got punched in the gut big time!

But that punch didn't effect Nico.

Mega Primeape: No problem, Nico! Also, you got tough skin. Anyone tell you that?

Nico: I get told that all the time.

Mega Primeape: Cool.

Poromon: Want some beer?

Mega Primeape: Oh no thanks. Got any Monster Energy Drinks?

Me: Let me see.

I pulled out my cooler and opened it and gave him one.

Me: Here we go.

He opened it and drank it.

Me: Imagine that. A Pokemon that likes Monster energy drinks.

Stewie: And I should know because I made Monster Energy Drink

Mega Primeape: Really?

Stewie: Yep. Look.

He showed a video of it

Mega Primeape: That is cool!

Stewie: It sure is.

Poliwag did puppy eyes.

Poliwag: Pwetty pwease?

Mega Primeape: Nice try pipsqueak but the puppy eyes don't work on me.

Nico: So, what's the name of the restaurant we're going to later?

Me: It's called Dante's Hellfire Hole. You guys are gonna be in for a fun time there.

Nco: Looking forward to it.

Me: Yep.

Nico: Oh Napalm Man, what do you like to do in your free time?

Napalm Man: I like building fire bombs for demolition derbies and they are fun.

Me: Ooh! Explosive and awesome.

Nico: Yep.

Lincoln: (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Azulongmon.

Me: WHOA! So Spiral Pegasus, Another Saber (Version 2), Flag Smasher, Blood Falcon, Destructobot and Falcon (Zombie Marvel) are them. Also Napalm Man, Pyra Fennikusu, Captain Falcon, Inkling, Short Fuse (MLP) and Rolling Thunder are up.

Eli: Yep. (GASPS) Oh crap, I also sense some hostile Anothers! They are Footsoldier Anothers. Caleb, are you familiar with some guys by the names of Terrence Matthews, Steven Lawson, Carrie Andrews, Lawrence Davis, and Nathan Daniels?

Caleb Maxwell: (GASPS) WHAT THE?! THOSE GODDAMN BASTARDS AND BITCH?! THEY'RE BACK?!

Me: Uh oh. Footsoldier Anothers. That's cool.

Cage Blunt got out five pictures: Terrence Matthews is a male brown-furred cat with black hair and was dressed in punk clothes, Steven Lawson is a male white-furred cat with brown hair and was dressed in punk clothes, Carrie Andrews is a female tan-furred cat with blonde hair and was dressed in punk clothes, Lawrence Davis is a male grey-furred cat with red hair and dressed in punk clothes, and Nathan Daniels is a male white-furred cat with blue hair and was dressed in punk clothes.

Allie Maxwell: Uh oh is right. Those five are a gang of thugs who terrorized the streets of New York in the past back in 1985, and they were absolutely crazy! They committed unspeakable acts of violence untold all over the streets: murder, rape, kidnapping, assault, drug and human trafficking, weapons violation and trafficking, you name it. They were absolute monsters from Hell and Caleb hated them with a blackhearted vengeance. One month before The Hallowshade Bloodbath, the cops went after them thanks to an anonymous tip from Caleb, and the cops came in to see them about to rape a young girl on Lexington. They got arrested and sent to prison for life, and the five of them soon found out that Caleb was the one who got them arrested, and the snitch who told them about it!

Caleb Maxwell: Was none other than my ex-younger brother, Drake Maxwell.

Lincoln: That piece of crud. It looks like they got busted out of prison by Swartz and turned into Anothers with the promise of revenge on you.

Caleb Maxwell: That isn't going to happen, I'm going to make them pay.

The Anothers arrived.

Caleb Maxwell: So, you've arrived, and you can get out of the cheap suits, Terrence Matthews, Steven Lawson, Carrie Andrews, Lawrence Davis, and Nathan Daniels, I can smell your B.O. from a mile away.

The Anothers changed, and they were none other than Terrence Matthews, Steven Lawson, Carrie Andrews, Lawrence Davis, and Nathan Daniels.

Carrie Andrews: I told you we'd get out to get revenge on you! And now, we're going to do just that!

Caleb Maxwell: You're twelve years too late to do that, bitch! I got killed back in 1985 by Drake and those four senior members of The Syndicate only to come back in 1993, but I'm not the same back then. I've become something far worse and far darker than your pea-sized brains can imagine, and now, it's payback time!

Caleb Maxwell summoned black metal shackles that came out of nowhere and they shackle the wrists and ankles of Terrence Matthews, Steven Lawson, Carrie Andrews, Lawrence Davis, and Nathan Daniels and suspended them in mid-air, and we suddenly found ourselves in an industrial freezer room.

Steven Lawson: S-so cold?! Where the Hell are we?

Caleb Maxwell: This is where you five die. Pretty nice, huh?

That pissed Terrence Matthews off.

Terrence Matthews: YOU LITTLE SHIT! WHEN WE GET OUT OF THIS, WE'RE GONNA FUCK YOU ALL UP!

Caleb Maxwell charged at Terrence Matthews and he punched him hard in the face and grabbed his hair harshly.

Caleb Maxwell: Stop talking now.

The air grew even colder: it was as if death has finally come out.

Caleb Maxwell: So, you decided to take Swartz' offer of revenge and have yourselves turned into Anothers and you were going to attack us after we got done with Evil Sasuke. I can already tell none of you shitheads have no remorse for all of the crimes you've committed back in the past, and it's already pointless to say otherwise.

Steven Lawson: YOU LITTLE SHIT! YOU RUINED OUR ENTERPRISE! YOU'RE ALL DEAD WHEN WE GET OUT OF HERE!

Suddenly, I went up to Terrence Matthews, Steven Lawson, Carrie Andrews, Lawrence Davis, and Nathan Daniels, and I punched them hard in their faces many times and broke all of their teeth.

Terrence Matthews, Steven Lawson, Carrie Andrews, Lawrence Davis, and Nathan Daniels: (SCREAMS OF PAIN)

But, Caleb Maxwell was just getting started as Timothy Maddock got out a black whip.

Caleb Maxwell: Ready to suffer, Terrence Matthews, Steven Lawson, Carrie Andrews, Lawrence Davis, and Nathan Daniels?

Timothy Maddock: (British Accent) Here you go.

Caleb Maxwell: Ah, thanks, Mr. Maddock. Time to clean this mess up.

Caleb Maxwell grabbed the whip and began slashing them.

Caleb Maxwell: HAH!

SLASH!

Terrence Matthews, Steven Lawson, Carrie Andrews, Lawrence

Davis, and Nathan Daniels: (SCREAMS OF TERROR)

Caleb Maxwell started slashing them with the whip, and blood came out of their wounds which froze over thanks to the cold air, and it made the pain even worse, and he continued slashing them with the whip.

Nico: Oh man! This is the very thing he used on...!

Cage Blunt: On that gangster back in NYU before our world merged with yours.

James Blunt: This was one of the most gruesome methods of execution Caleb made to this day.

We saw Caleb continue to slash them with the whip.

Caleb Maxwell: BLEED FOR ME!

SLASH!

Terrence Matthews, Steven Lawson, Carrie Andrews, Lawrence Davis, and Nathan Daniels: (SCREAMS OF PAIN)

Me: DAMN!

Their blood kept freezing over their wounds, and they were in a lot of pain. A few minutes later, they started begging for mercy.

Carrie Andrews: Please, stop! We'll turn ourselves into the police!

Me: Seriously? It's a bit too late for that.

SLASH!

Caleb's response: he kept slashing at them!

Caleb Maxwell: I don't care, you're still gonna pay.

There was nothing they could do to stop Caleb.

Caleb Maxwell: Well, you wanna live?

SLASH!

Terrence Matthews, Steven Lawson, Carrie Andrews, Lawrence Davis, and Nathan Daniels: AAGH! Yes, please! We do, please stop!

They begged him, but Caleb Maxwell approached them, and he had an insane look in his eyes and an even more insane bloodthirsty grin on his face.

Caleb Maxwell: Sorry, but to me, you're loose ends that need to be tied up, so I can't let you go, you understand, right?! (LAUGHING MALEVOLENTLY)

Terrence Matthews, Steven Lawson, Carrie Andrews, Lawrence Davis, and Nathan Daniels: (BLOODCURDLING SCREAMS OF TERROR!)

Caleb Maxwell continued slashing them with the whip, and forty-five hits later, Terrence Matthews, Steven Lawson, Carrie Andrews, Lawrence Davis, and Nathan Daniels drew their last breath and they died, and Lincoln sent their souls to The Black Abyss and burned their dead bodies, but we were really freaked out: we knew how sadistic Caleb can be towards the irredeemable and guilty, but this was a whole new level of sadism that could make even the most sadistic bloodthirsty lunatic flee in terror.

Nico: Now for the main event!

We saw Another Another Saber (Version 2), Flag Smasher, Blood Falcon, Destructobot and Falcon (Zombie Marvel)!

Me: There they are.

Another Saber (Ver. 2) (In a girls voice) This will be fun.

They reverted back and were the gene-slammers of Prime Material Dragon, Ray & Temperature and Trent

Nico: (GASP) Valerie Primus, Sunny Ray and Winona Wind and Talia Trent!

Me: WHOA! The gene-slammers of Prime Material Dragon, Ray & Temperature and Trent.

Talia Trent: That's right.

Me: Cool!

Sunny Ray: Good to see you Nico.

Nico: Yoo too girls.

Valerie Primus: Yeah!

Me: By the way girls are the Another Spiral Pegasus and Azulongmon friendly or hostile?

Winona Wind: Friendly and both are awesome.

Me: Cool. I have a feeling it'll be awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: Take that!

Me: Yeah!

Nico: Geez!

Me: I know.

Maria: Time for backup! (TURNS DIAL) BUFFALO BUTTKICKERS 6!

She summoned Blizzard Buffalo, Roadhog, Rough Diamond, Sangre, Volcania the Fire Cannon and Blue Blooded Oni!

Nico: YEAH! Now we wait.

Maria: Are you okay now, Horsea?

Horsea: Yeah I'll be fine.

Me: Good. Oh look!

We saw a HUGE FIGURE! It was Another Azulongmon and on it was Another Spiral Pegasus!

Nico: WOW! First Sovereign Another.

Lola: Yeah!

Another Spiral Pegasus: (In a girls voice) That is cool!

she reverted back and was the gene-slammer of Protector of the Throne!

Nico: (GASP) Janellda Grey!

Janellda Grey: Good to see you Nico.

Me: Wait are you...

Janellda Grey: That's right. I'm the descendant of Jane Grey.

Me: WHOA! She was only queen for 9 days back in 1553 and she died back in 1554.

Janellda Grey: Yep that's right.

Me: Cool!

Janellda Grey: And I have all of Spiral Pegasus's powers too.

Me: Wow!

Nico: Who's your friend?

Another Azulongmon: (In a girls voice) Someone who was taught under Azulongmon.

She reverted back and was a girl with blue hair and blue eyes and blue angel wings and had Azulongmon on her forehead and had blue Clothes with Azulongmon on them and had a blue dragon cutie mark and a blue dragon scythe.

Azulongmon: My student Azure Azulong! Good to see you!

Azure Azulong: You too master.

Me: Wow! Student and teacher reunited. Awesome.

Lola: Yeah!

Kaito (gets out Goseiger gear): Did Swartz promise you anything?

Zocks (gets out Shinkenger gear): Because we can grant it instead.

They got weapons from said teams.

Janella Grey: No he didn't. I kicked him in the crotch and we ran.

Me: Nice one.

Sougo (gets out Basic Megaforce Ridewatch): So you're Azulongmon's student?

Geiz (gets out Samurai Ridewatch): What did he teach you?

Sougo got BasicMegaforceRedArmor while Geiz got SamuraiRedArmor

Azure Azulong: All of his powers and moves as well as all the skills he has as a sovereign. He even gave me an awesome neon blue aura like his.

Me: That is cool!

Qin: Yeah!

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on.

But then...

BANG!

We saw an energy ball hit Another Azulongmon from out of nowhere and blasted him into nothing. I caught the Ridewatch and purified it

Me: WHAT THE FUCK!? Who fired that?

Lincoln: Not me.

Nico: (gets out Spiral Pegasus' Ridewatch) I'm spiraling right now!

WHAP!

I hit Nico in his face!

Nico: OW! Thanks J.D.

Me: Sorry whenever someone says that it makes me do that.

Nico: No worries.

May: (Gets out Flag Smasher's ridewatch) I will smash you!

Maria: (Gets out Destructobot's ridewatch) I WILL DESTROY YOU!

Pyra: (Gets out (Another Saber Verson 2's ridewatch) I WILL END THIS STORY WITH YOUR BLOOD!

They used the powers of Spiral Pegasus, Another Saber (Version 2), Flag Smasher, Blood Falcon, Destructobot and Falcon (Zombie Marvel)!

Me: YEAH! Oh we forgot this one! Captain Falcon, shall we do a combo?

Captain Falcon: You got it!

Me and Captain Falcon: FALCON! PUNCH!

KRABLAM!

We punched Another Spiral Pegasus with a powerful punch and bashed him down!

Nico: WOOHOO!

Then Optic Sunflower, Gormess, The Big One, Pterax, Deep Sea Fisherman Dezzle, and Snake Mysterious Beast Hebyusa came!

Me: Whoa!

Nico: Nice team Optic Sunflower.

Optic Sunflower: Thanks Nico. And I know who fired that shot. You'll see shortly.

Nico: Really?

Optic Sunflower: Yep.

Me: Also Aqua Man's team next.

Aqua Man: ALL RIGHT!

Me: Yep.

But then a vortex of fire blasted out and then out of it came Evil HERO Infernal Sniper!

Me: WHOA! Evil HERO Infernal Sniper!

Nico: WOW!

Evil HERO Infernal Sniper: (In a girls voice) And one with a deadly shot.

Nico: Abigail Hunter! Wow!

She reverted back and was a girl with black hair and purple eyes and had black and green clothes and camouflage pants and had black angel wings and ahd Evil HERO Infernal Sniper on her forehead, skirt, shirt and pants and arm and also had a hellfire shotgun on her back.

Abigail Hunter: Good to see you Nico. I got this.

She pulled out her gun and fired!

BANG!

KRABBBBBOOOOOOOOMM!

She fired a fireball and it hit the Another and blasted it down and I caught the Ridewatch and purified it.

Me: WOW! Nice shot!

Abigail Hunter: Thanks.

Nico: Nice job!

Abigail Hunter: The thrill of the hunt is my fun and sport.

Me: Yeah it is !

Pyra: Do you have a good memory of Nico?

Abigail Hunter: I sure do. When me and Nico went hunting and we found the cave of the most horrifying moose ever: BIG NORMAN! He was a HUGE 60 foot tall moose and weighed over 50,000 pounds and we shot him and killed him and had moose burgers and steaks for a year.

Nico: Some of the best ever.

Me: WOW! That must've been a REALLY huge moose.

Abigail Hunter: Yep. Look.

She showed a picture of it and it was a REALLY BIG MOOSE!

Me: WHOA! Lumpus would not want to mess with that big mama.

Nico: Nope.

Me: Nice hunt for you guys.

Nico: Yep.

They hugged.

Nico: I've missed you.

Abigail Hunter: Same here.

We went back home.

So, we're going to head down to Little Tall Island, and we are going to destroy Andre Linogue once and for all and we're sending him to The Black Abyss forever.

And we got all of TLPS and The M.O.E. here.

Lincoln: Ah, we're here in Maine, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we got really bad news: our old enemy, Andre Linogue, the 4,000-year-old has returned from the dead and is back terrorizing the people of the small town of Little Tall Island, off the coast of Maine, by creating a massive blizzard that cut the island off from the rest of the world.

Nico: Oh crud.

Me: We faced him two years ago, and we already know what kind of danger Linogue is towards the small town of Little Tall Island.

Lincoln: Yep, so, we're going to head down to Little Tall Island, and we are going to destroy Andre Linogue once and for all and we're sending him to The Black Abyss forever.

Napalm Man: We got to evacuate the townspeople from the town or they'll be caught up in Linogue's path.

Lincoln: I'll do just that.

Lincoln beamed the people of Little Tall Island to Maine and they were safe.

Andre Lupescu: I've heard of Andre Linogue before, I knew this day would come. Linogue, all the things you've done, it's time to pay.

Sam (Sam & Max): (Harvey Atkin Voice) We better get going.

Max (Sam & Max): (Robert Tinkler Voice) Yeah, we're gonna miss seeing Andre Lupescu trash the daylights out of that 4,000-year-old wizard.

We got a move-on to put a stop to Andre Linogue and end the blizzard he brought to Little Tall Island along with the wizard's life.

We were flying in the air, and then, we spotted our target: Andre Linogue.

Andre Lupescu fired a massive wave of snow, ice, and darkness that hit Andre Linogue, and then, we landed.

Andre Linogue: You may have defeated me once, but you will never do so again, Team Loud Phoenix Storm.

Lincoln: Yes, we defeated you two years ago, Linogue, and we'll do so again.

Me: This time however, we'll ensure you stay dead and gone forever.

Nico: Your 4,000-year reign of terror ends today, Andre Linogue, it's time for you to die once and for all, and this time, don't you dare think you're coming back from the dead.

But, before we could attack him again, Andre Linogue was hit by beams of light, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long dark purple hair with purple streaks and purple hair band, purple eyes, massive purple angel wings, she has Witchcrafter Golem Aruru on her forehead and right arm, white short-sleeved blouse, purple sleeveless strapless dress top, white gloves, purple skirt with Witchcrafter Golem Aruru on it, purple knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, light, paints, sculptures, photos, magic, phoenixes, and angels on the coattails, and on the back is Witchcrafter Golem Aruru, she has a light greatsword in her right hand, and with her are the eleven girls.

Lincoln: (GASPS) Marcella Thornton, Avatar and Gene-Slammer of Witchcrafter Golem Aruru.

Marcella Thornton: That's correct, and I got the girls away from that evil wizard, now we can finish him off.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS ANDRE LINOGUE AS HE WAS SENT UP INTO THE AIR AND HE ALSO GOT BURNED BAD!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Andre Linogue, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON ANDRE LINOGUE! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT ANDRE LINOGUE WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

Then, Andre Lupeau went after Andre Linogue and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, Lincoln fired many beams of energy from the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings and they hit and pierced Andre Linogue through the chest and the last one pierced his heart and he not only got killed, but when his evil spirit was sent to The Black Abyss, the massive blizzard he summoned had disappeared forever, and the people of Little Tall Island were able to return home. We cheered as we holstered our weapons and powered down and we headed back to The World Tree Estate.

Lincoln: And that is it for Andre Linogue.

Me: That's for sure, his 4,000-year reign of terror finally ends here.

Nico: And this was the first time we dealt with an old enemy of ours who wasn't resurrected by those snakes or Anti-Monitor.

Lincoln: Andre Linogue must've used his magic to bring himself back from the dead, but we brought an end to his 4,000-year immortal life for good and ended his reign of terror on Maine forever. (To Marcella Thornton) And it's so good to see you again, Marcella.

Marcella Thornton: You too, Lincoln, it's been eight years since we last met.

Suddenly, Marcella Thornton had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Marcella Thornton was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Marcella Thornton: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Marcella Thornton and hugged her, and Marcella Thornton is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and thirty-four other sets of large sized angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, thirty-five massive and longer brown wolf tails with rainbow markings and rainbow tips, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marcella Thornton: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and thirty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the thirty-five massive and long brown wolf tails with rainbow markings and rainbow tips, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Marcella Thornton, Avatar and Gene-Slammer of Witchcrafter Golem Aruru, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of light, sculpture, painting, photography, drawing, and magic. She's the Sculptor, Painter, Drawer, and Photographer of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Marcella Thornton met Lincoln, and this one time, she and Lincoln created amazing sculptures and they even made the sculptures of all The Gods and Goddesses of The Ancient World, they even took pictures of all the ancient buildings and ruins all over the world, painted many beautiful paintings, and drew many drawings that were featured in an art show in school. Plus, she really helped him with mastering the powers of light which she saw that he was born with, along with teaching him how to master the powers of light, sculptures, paintings, drawings, photography, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Luan with a blazing passion because she tried to destroy the many sculptures, drawings, paintings, and photos they've made and taken out of spite to satisfy her need to cruelly humiliate and torture Lincoln, and the clown got thrown in a psych ward for a month.

Nico: Luan?! What the Hell?!

Anna Anyanova: We were really annoyed that Luan tried to do that, and it ended with her getting thrown in a psych ward for a month.

Luanna Lexington: We wanted to throw her in an insane asylum for the rest of her life, but what Marcella did in throwing her in that psych ward for a month let that clown see that what she's been doing to Lincoln and her family was really horrible.

Lanaia: Not to mention what you did in punching her in the eye and you almost wanted to yank off her ponytail, Luanna.

Anna Anyanova: Thank goodness we got her off of Luan and kept the other Guardian Angels who hated Luan away.

Lynn Sr.: We knew one day Luan would go too far.

Rita: And to try and destroy what Marcella and Lincoln have been working on, if there's one thing that no one wants to deal with, it's an angry artist having their work destroyed by a psychopathic clown.

Me: That's for sure.

Varie: What Luan tried to do, it was utterly disgusting.

Caleb Maxwell: For someone to try and destroy what they've been working on, they'd have to be on a whole new level of stupid to do so.

Lori: Hey, it wasn't Luan's fault, it was that psycho clown in her thanks to Dark Chase Young, and don't even think about trying to turn into a violent whirlwind of darkness, Caleb. We may be older siblings, but I've learned from my mistakes and changed into a better person, but you once started as a good person, but thanks to Drake's violent ruthless actions against you and the other dark parts that plagued you, you went from someone with light and compassion in his heart to someone with darkness, rage, hatred, and revenge in his heart.

Luna: Ooh! Dude, she defeated you with logic!

Allie Maxwell: What the?! Lori, you little...! (GROWLS)

Allie Maxwell was marching up to Lori and was about to punch her in the face for that, but then...!

Caleb Maxwell: Allie, enough. I don't want you getting angry on my behalf. Damn it, she's right, as much as it leaves a nasty taste on my tongue. She's learned from her mistakes and not only did she change into a better person, but she's since been freed of the demons that haunted her, and despite being freed from my demons, the shadows of my past will forever haunt me because of Drake's vile actions back in the past.

Nico: Yikes, Lori really defeated Caleb Maxwell, a temperamental whirlwind of darkness with logic and Allie got that close to trying to punch Lori in the face only to get stopped by her older brother.

Lanaia: Lori used her experiences to try and prevent others from suffering what she went through due to Dark Chase Young and became a changed woman for the better, but Caleb is a man whose compassion went dark inside him thanks to the ruthlessness and violent urges of his younger brother who'd eventually kill him in 1985 and in 1993 in his world, he would be reborn as a violent dark angel of revenge out for blood against him and all those who also contributed to his suffering.

Andre Lupescu: Yes, and there's a difference between me and him: I went through the same thing Bruce Wayne did when I lost my parents when I was four, but Sam and Max took me in after my own relatives wanted me to die on the streets, and for the first time in my life, I'd gotten a new life, but I hadn't forgotten about what happened and I waited for the chance to get my revenge. But, you on the other hand, even though you found out the truth about why your father got into crime and you did away with Drake, your dad's scumbag relatives, and some of those who made your life a living Hell, there are still that many others out there who'd made your life a living Hell and you swore to make them suffer the same pain you felt.

Caleb Maxwell: Yes, I had nothing but hatred towards a lot of said individuals who contributed into the endless living Hell that my life became thanks to Drake's ruthless and heartless violence and the evil actions of Dad's scumbag relatives, and because of it, I saw there are some people who were beyond any sort of compassion or beyond salvation and deserve only death, and I'll never know peace as long as more of those bastards are still alive! The streets of New York and Gotham Royal York will run red with their blood!

WE ALL FREAKED OUT AND DID WILD TAKES: CALEB'S VIOLENT ANGER AND HORRIFIC DARKNESS HAD COME OUT YET AGAIN!

Nico: YOWZA! Allie, your brother's one dark and extremely violent person!

Allie Maxwell: (Sighs) Tell me about it.

Lincoln: At least, he's on the side of good and wanting to help others get justice for the loss of their loved ones, and like he said, he wanted to prevent them from suffering the same fate as him, but it also meant, he had to get his hands stained with oceans of blood, and now that you're here, Marcella.

Lincoln with his massive muscular arms still wrapped around Marcella Thornton's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Marcella Thornton: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Marcella Thornton with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Marcella Thornton: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marcella Thornton.

Marcella Thornton had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Marcella Thornton's waist, and he leaned down to her face and kissed her on the lips, and with Marcella Thornton's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Marcella Thornton had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Marcella Thornton: (In Heaven) My God. Oh, Lincoln, you better tell the guys to hide in their rooms! The eleven girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eleven girls, he had an atomic red blush on his cheeks and muzzle and his nose gushed out blood. The eleven girls are Izuki Kusumi, Aika Ozawa, Hiroko Shimamura, Mako Nioka, Shiori Wakamatsu, Chao Meifan, Miki Murata, Kate Brawning, Junna Kojima, Ritsu Mikami, and Maika Ozawa from Himei -Chikashitsu ni Torawareta 11 Nin-.

Lincoln: Oh whoa, it's Izuki Kusumi, Aika Ozawa, Hiroko Shimamura, Mako Nioka, Shiori Wakamatsu, Chao Meifan, Miki Murata, Kate Brawning, Junna Kojima, Ritsu Mikami, and Maika Ozawa from Himei -Chikashitsu ni Torawareta 11 Nin-.

Nicole: And Red and Travis were definitely right to tell Dad and the others to run to their rooms, these girls are extremely voluptuous athletes.

Lincoln: Not to mention easy targets for perverts and psychotic murderers. Speaking of psychopaths.

Lincoln summoned a thunderstorm and lightning bolts descended down from the skies and forced out demons sent by Dark Sebastian and those pathetic snakes to kill us, but they were killed and sent to Hell.

Nicole: Hah, serves you right, you murderous psychopaths!

Maria: That monster just doesn't know when to quit!

Buster Bunny: He never quits, that's what we'd been dealing with for years.

Gohan: That's for sure. Dark Sebastian was a plague who doesn't know when to give up.

Lincoln: He's gonna pay for what he did when the time comes for the war against him and the rest of those pathetic snakes when they escape from Hell.

Ronnie Anne: And it'll be on Cinco De Mayo. (Thinking) I hope Punguari is doing okay. But, I've got a bad feeling Ucumu is going to return as well along with the dark side of Punguari.

Lincoln heard her thoughts, and he's gonna do something to save Punguari from her Dark Side. But, he decided to keep that a secret until then.

Lincoln: Are you girls okay?

Izuki Kusumi: Yes, we're okay, thanks to you.

Then, when Izuki Kusumi and the ten other girls saw who it was that saved them Andre Linogue, their faces turned atomic red upon seeing the 10'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and gold version of The Trinity Mirror behind the gold halo, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Almighty Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty

Izuki Kusumi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Izuki Kusumi: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Izuki Kusumi, Aika Ozawa, Hiroko Shimamura, Mako Nioka, Shiori Wakamatsu, Chao Meifan, Miki Murata, Kate Brawning, Junna Kojima, Ritsu Mikami, and Maika Ozawao with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came out.

Maria: And that is the end of Andre Linogue for good.

May: That's for sure. It's been two years since we destroyed him in Maine.

Lincoln: And he returned two years later for revenge and to continue to cause havoc on Little Tall Island, Maine.

Nico: Seriously? He got some nerve.

Me: Well, we saw it for ourselves in Storm of The Century, he targeted Little Tall Island to summon that blizzard to cut the island and its inhabitants off from Maine and cause havoc.

Eli: That's still as evil as ever.

Qin: But, in the end, he got what he deserved and his 4,000-year reign of terror has been brought to an end forever.

Maria: You said a mouthful.

Andre Lupescu: Yes, you're right about that.

Me: Andre, did you have any grudges against Linogue in the past?

Andre Lupescu: No, but I knew of his reputation, so I knew he needed to be stopped and killed for good.

Nico: That's true, you're right about that.

So, we're going to head down to Little Tall Island, and we are going to destroy Andre Linogue once and for all and we're sending him to The Black Abyss forever.

And we got all of TLPS and The M.O.E. here.

Lincoln: Ah, we're here in Maine, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we got really bad news: our old enemy, Andre Linogue, the 4,000-year-old has returned from the dead and is back terrorizing the people of the small town of Little Tall Island, off the coast of Maine, by creating a massive blizzard that cut the island off from the rest of the world.

Nico: Oh crud.

Me: We faced him two years ago, and we already know what kind of danger Linogue is towards the small town of Little Tall Island.

Lincoln: Yep, so, we're going to head down to Little Tall Island, and we are going to destroy Andre Linogue once and for all and we're sending him to The Black Abyss forever.

Napalm Man: We got to evacuate the townspeople from the town or they'll be caught up in Linogue's path.

Lincoln: I'll do just that.

Lincoln beamed the people of Little Tall Island to Maine and they were safe.

Andre Lupescu: I've heard of Andre Linogue before, I knew this day would come. Linogue, all the things you've done, it's time to pay.

Sam (Sam & Max): (Harvey Atkin Voice) We better get going.

Max (Sam & Max): (Robert Tinkler Voice) Yeah, we're gonna miss seeing Andre Lupescu trash the daylights out of that 4,000-year-old wizard.

We got a move-on to put a stop to Andre Linogue and end the blizzard he brought to Little Tall Island along with the wizard's life.

We were flying in the air, and then, we spotted our target: Andre Linogue.

Andre Lupescu fired a massive wave of snow, ice, and darkness that hit Andre Linogue, and then, we landed.

Andre Linogue: You may have defeated me once, but you will never do so again, Team Loud Phoenix Storm.

Lincoln: Yes, we defeated you two years ago, Linogue, and we'll do so again.

Me: This time however, we'll ensure you stay dead and gone forever.

Nico: Your 4,000-year reign of terror ends today, Andre Linogue, it's time for you to die once and for all, and this time, don't you dare think you're coming back from the dead.

After Lincoln and all of us took down Andre Linogue and sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Marcella Thornton saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-five massive and long brown wolf tails even more stronger than ever and massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Marcella Thornton: My God, I was right that Lincoln's really grown into an 18-year-old 10'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-four massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Marcella, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Marcella Thornton: That's incredible, and we'd already known just

how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Marcella Thornton: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm rang, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Cabrakan from SMITE.

Lincoln: I knew there was one villainous God from SMITE that hadn't shown up when we were beating up Evil Sasuke.

Nicole: Figures. Cabrakan didn't show up this morning, but now that he's here, go get him, Lincoln! Absorb him and throw him in The Book of Vile Darkness.

Lincoln flew out and he confronted Cabrakan.

Cabrakan (SMITE): You won't beat me this time, I'm ready for you!

Lincoln: (Smirks) Too bad for you, I'm not the same as I was when we first faced each other two years ago.

Lincoln morphed the tips of his thirty-five massive and long brown wolf tails into Cell's stingers and he stabbed them into Cabrakan's chest, and Lincoln began absorbing Cabrakan and he assimilated Cabrakan's godly powers of Creating mountains, Controlling tectonic plates, Superhuman strength, and Using large shields, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Cabrakan and Lincoln drained Cabrakan's soul completely dry of energy and power and sent him to The Book of Vile Darkness and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla. Then, he came back to The World Tree Estate and continued working out.

Ronnie Anne: Now, all the villainous Gods and Goddesses of SMITE are in The Book of Vile Darkness.

Nicole: They'll have a new home in The M.O.E.

Neith: And they'll be kept out of trying to cause trouble for the other Gods and Goddesses of my world.

Me: That's for sure.

Nico: And with what Lincoln did in absorbing them, he and all of us now have their godly powers and abilities as well.

Lincoln: That's right.

Suddenly, Lincoln had a premonition.

Lincoln: And we're taking the fight to Glaren, that's where Aku is at, and he's imprisoned inside the tree he was originally put into.

Laney: And he'll be reborn underneath a Solar Eclipse.

Me: Either way, we'll be ready for that Shapeshifting Monster of Darkness, all of us. And Anti-Monitor made the huge mistake hiring Aku, he's the embodiment of Pure Evil.

Varie: Which means he was gonna turn on Anti-Monitor like how Dark Sebastian did, since Aku was loyal only to himself and Dark Sebastian was only loyal to himself as well and Malphas.

Nico: True, and Aku may have had a hard time with you guys as The Brave 12, but now, he's in for a world of pain against Team Loud Phoenix Storm and The Masters of Evil. But, something's got me puzzled, you know how the main villains we've fought always try to force The M.O.E. to help them kill us? I think some idiot still thinks The M.O.E. are still villains to the core.

We got a shower, and then, Lincoln, J, Doll, V, Galatea-i, the Orcust Automaton, Diabellstar the Black Witch, and Diabellze the Original Sinkeeper are heading to Lake Lamode.

Lincoln snapped his fingers, and the 10'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And J, Doll, V, Galatea-i, the Orcust Automaton, Diabellstar the Black Witch, and Diabellze the Original Sinkeeper are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out J, Doll, V, Galatea-i, the Orcust Automaton, Diabellstar the Black Witch, and Diabellze the Original Sinkeeper all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all and Lincoln removed Doll's Dark Side and sent her to The Black Abyss forever.

Diabellstar the Black Witch: Wow, we're here in Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Diabellstar, and it's perfect for our first date, shall we?

Lincoln, J, Doll, V, Galatea-i, the Orcust Automaton, Diabellstar the Black Witch, and Diabellze the Original Sinkeeper dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and J, Doll, V, Galatea-i, the Orcust Automaton, Diabellstar the Black Witch, and Diabellze the Original Sinkeeper got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirty-five massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirty-five massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Diabellze the Original Sinkeeper: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to J, Doll, V, Galatea-i, the Orcust Automaton, Diabellstar the Black Witch, and Diabellze the Original Sinkeeper and hugged them in their abnormally massive and powerful muscular arms, and J, Doll, V, Galatea-i, the Orcust Automaton, Diabellstar the Black Witch, and

Diabellze the Original Sinkeeper placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of J, Doll, V, Galatea-i, the Orcust Automaton, Diabellstar the Black Witch, and Diabellze the Original Sinkeeper and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and thirty-four sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of J, Doll, V, Galatea-i the Orcust Automaton, Diabellstar the Black Witch, and Diabellze the Original Sinkeeper with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now J, Doll, V, Galatea-i, the Orcust Automaton, Diabellstar the Black Witch, and Diabellze the Original Sinkeeper are now in your harem, Linky.

J, Doll, V, Galatea-i, the Orcust Automaton, Diabellstar the Black

Witch, and Diabellze the Original Sinkeeper showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Galatea-i the Orcust Automaton: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and thirty-five massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo,

Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

* * *

Later it was time for Jared, Lisa and Leanne's second mission.

Nico: Anyone else want to go with Lisa, Jared, and Leanne? Besides, Sonic, Turbo, and Tecna?

Porygon: And I'll go as well.

Double D: I'll go.

Calamitous: So will I. I AM Lisa's archenemy after all

Me: Okay.

P'andor: (Russian Accent) Me and my friends will go too.

Ra'ad: We have a feeling it will be fun.

Me: Okay then.

Kameo: And me and Kalus will go too.

Me: Awesome.

Erica: Me and Zixx will go too..

Twilight Sparkle:As well as me and my friends.

Fluttershy: And I'll have my daughter come with to.

Lilja: (Icelandic Accent) Yay! I'm excited for this.

Me: Cool! Okay that it?

They nodded.

Nico: Okay lets go!

We were off!

We arrived.

Yusaku: Hey guys!

Lisa: Yusaku, meet Sonic, Turbo, Tecna, Porygon, and my archenemy Calamitous

Sonic: Awesome to meet you guys. I'm Sonic the Hedgehog, leader of the Freedom Fighters of Mobius.

Turbo: I'm Turbo, the fastest snail in the world.

Porygon: I'm Lisa's Porygon, I joined the team as Lisa's mascot.

Nico: (HEADS SPARKS)

I slapped Nico.

Nico: OW! That hurt my head.

Me: Yep and she is very gifted in trying to unlock the mysteries of the universe.

Lisa Loud: Indeed.

Eli: We all think it's cool.

Nico: Anyway, are any enemies of yours active right now?

Yusaku: Well as a matter of fact yes. Queen is back.

He told us about her.

Queen was briefly seen during the first conversation between Bishop and Akira Zaizen.

Akira Zaizen questioned his boss, the Queen, about Playmaker's bounty. The Queen noted that Akira was bold ever since she reassigned him as the security manager, and the rest of the staff were reassigned. She reminded him that the Knights of Hanoi were defeated and Cyberse World was discovered, but no Ignis have been found. It was why they had a bounty placed on Playmaker to recover his Ignis. Akira tried to remind her about Playmaker's heroic actions, but the Queen explained that as long as they do not have Ignis in their possession SOL Technologies would not improve. Instead, she assigned Akira to create a special bounty hunter team to hunt Playmaker down and capture Ignis without any limitations. She threatened to demote Akira if the task was not finished, and walked away.

Akira visits Queen and she notes that he's struggling to capture the Ignis and that the bounty hunters haven't succeeded either. She then asks about the "special mission" and Akira responds that George Gore is taking it now. Queen warns him that she isn't so generous to keep employees that don't achieve results. When George Gore undergoes an experiment to implant a AI chip into his brain to increase his dueling skills, Akira wants to stop the experiment but Queen allows it to continue planning to use it to increase the company's profits. After Earth was defeated and captured, Queen watched as he was slowly dissected while ignoring his protests.

Queen is informed by Akira that Playmaker's team has enter Link VRAINS and Queen decides to send The Gore to duel him as he is the only bounty hunter she has left. As the Duel gets underway, Akira learns that Earth's data was inside Gore's AI chip and demands to know from his workers why they installed it. Appearing on a nearby monitor Queen explains that she gave to order to do so. Akira is shocked that she's willing to go this far but she responds that she is willing to do whatever it takes to gather data. When Gore's health is becoming worse, Akira wants to log him out by force but Queen orders him not to interfere. After The Gore is defeated Akira attempts to log him out but Queen orders him to activate the capture device instead. However Akira goes against Queen's orders and forcibly logs him out, infuriating her.

At a luxury cruise ship Queen is showing off various SOLtis androids to the ship's captain. Later she was resting before being alerted by Ai's presences. Ai wishes to use SOL Technologies for his own purposes and needs her Code Key. Ai challenges Queen to a Duel for both the Code Key and to avenge Earth's death. Touching her forehead, Ai transports the three of them to a digital arena. Despite filling her field with powerful monsters, Queen was defeated by Ai in a single turn and was hospitalized as a result.

When he was done we were shocked!

Me: WHOA! So she is a dangerous beauty. The face and body of an angel, but the heart of a demon!

Skye: Exactly and I hate that bitch!

Me: I don't blame you. And she has an Allure Queen Deck. Wow! Talk about Beauty Being Skindeep.

Nico: Yeah.

Ai: Also you guys are going to meet my fellow Ignis. Except Lightning. You're going to meet the Universe 666 version.

Me: Wow!

Skye: Universe 666?

Nico: Long story.

Sonic: Race you to where she is!

Eli: She's in the Sanctuary in The Sky.

Yusaku: Lets go!

Me: Lets go!

We were off to the Duel Matrix!

We arrived!

Sonic: WOW! This is amazing!

Nico: It sure is!

She snapped her fingers and was in her suit.

Me: WOW!

Eli: The Sanctuary in The Sky!

Me: The home of the Agents of The Planets.

Soulburner: That's right.

Nico: WOW!

We landed.

Me: Amazing. Also I have this feeling that this whole world is linked to the world of Duel Monsters in some way.

Playmaker: Yes it is and it's cool.

Me: Wow! We've been to the Duel Monsters world many times and it's cool.

Nico: Yep.

Blue Maiden: Wow!

Me: Yep.

We walked around.

Sonic: No sign of her yet.

Me: Well she is here. I smell her perfume. (Sniffs) Ooh. Exquisite. Hyacinth Chrysanthemum Eau De Fleur No. 7. Very luxurious.

Eli: (Sniffs) Ooh that is really fragrant.

Me: Maybe I can give some to Ymir and Camie and Iormu.

Nico: They would like that.

Lisa: Indeed.

Nico: Follow the perfume!

We followed the smell and in the main room we saw a woman and it was QUEEN!

Queen: So you all came.

Me: We followed the smell of your perfume. It's very luxurious and fragrant.

Queen: Why thank you and if you want some you can get some at the mall. But it's expensive.

Me: For me money was never an issue.

Girl Jordan: Long time no see Queen.

Queen: It has been a while Girl Jordan.

Cheese: I like cereal!

Queen: Good for you.

Cheese: I like cereal!

Queen: I said good for you!

Cheese: I like Cereal!

Queen: WILL YOU...

Cheese: I LIKE CEREAL!

Queen: GOOD FOR FUCKING YOU!

Cheese: I LIKE CEREAL!

Nico: Forgive Cheese.

Me: Yeah.

Queen: I'm not alone too.

Out came the Ignis!

Aqua: Hello guys!

Blue Maiden: Hey Aqua!

Soulburner: Flame good to see you.

Ai: Windy, Lightning and Earth good to see you!

Windy: You too Ai!

Me: Wow! So you are the Ignis. Nice to finally meet you all.

Ra'ad: It's good to meet you guys.

Universe 666 Lightning: Same here to you.

Cheese: I love chocolate milk!

I gave him apple juice.

Cheese: I like chocolate milk!

He drank it.

Me: You're the Universe 666 Lightning right?

Universe 666 Lightning: Yep.

Nico: Awesome!

Playmaker: What is Universe 666?

Me: Well 2 years ago in 2022 we went into battle against Team Loud Evil Storm and they were an evil version of us.

Nico: Yeah it was crazy! I fought an evil version of me and it was really weird.

Playmaker: Oh man.

Sonic: Let's get things started!

Eli: LETS!

Queen summoned her Allure Queen monsters!

Me: I summon NINE HEADED DRAGON!

I summoned said monster!

We summoned our monsters!

Nico: YEAH!

Eli fired waves of lightning and blasted her all over.

Twilight Sparkle and friends used their Core Medals and blasted her all over!

Sonic: Lets dance!

ZOOM!

He ran fast and bashed her all over the place.

Queen went at Sonic.

Sonic: I'm Waaaaitttting!

He ran fast as he dodged her.

Sonic: Man you're such a slow-mo!

Sonic got out his Zector.

Sonic: Lets bring the speed!

Turbo, Tecna, Porygon and Lisa got out their Zectors and blasted her!

Ra'ad: Lets bring the lightning!

He fired a blast of lightning and it hit Universe 666 Lightning.

Bivalvan fired a blast of water and it hit Aqua.

Galapagus fired waves of wind and it hit Windy.

P'andor fired waves of fire energy and it hit Flame.

Andrea threw rocks and bashed Earth!

Me: Take that!

Double D: You want to see what's under my hat? Here it is!

Me: UH OH! LOOK AWAY GUYS!

WE LOOKED AWAY!

DOUBLE D TOOK OFF HIS HAT AND QUEEN SCREAMED IN FRIGHT AND ALL HER MONSTERS MELTED!

Queen: MY EYES! MY EYES! I'M BLIND!

He put his hat back on.

Me: WHOA!

Double D: And I can tell you how I got this!

Queen: HOW!? WHAT THE HELL LEAD TO THAT!?

Yusaku: I want to know too!

Edd: I have a parasitic twin that is attached to my head. Its butt, legs, feet and arms are attached to my head.

Me: Oh! My! God!

Eli: I THINK I'M GONNA BE SICK!

Double D: So now, you know!

Me: Okay okay okay. If anyone calls you a freak we'll rip their arms and legs off and Venom can eat them!

* * *

Back at the estate, Venom sneezed.

Eddie Brock: Getting a cold Venom?

Venom: No someone is talking about me.

* * *

Queen: That is awful!

Me: No one asked you!

But Leanne concentrated and then shrunk and turned into a Galvin!

Yusaku: You're so small!

Me: She's what's called a Galvin. They are genius aliens from the planet Galvin Prime.

Leanne: It's true and it's really cool.

But then a blast of light hit Queen and the Ignis and blasted them down.

Me: What the?

Nico: Where did that come from?

Fluttershy: Look there!

We saw a Mega Sylveon!

Me: Cool a Mega Sylveon!

Nico: Where did it come from?

Me: Must be one of Dark Gale's work.

Lilja: She is adorable.

She went over and picked it up

Lilja: Aww you are such a cutie.

Yusaku: Lilja is brave doing that.

Me: Yep.

Lilja: Where did you come from?

She told her.

Lilja: Oh man. This Mega Sylveon is Winona Vandom, Will's sister.

We gasped!

Me: Oh wow! I got this.

I snapped my fingers and Lilja backed away as she reverted back and was a girl with red hair, pink eyes and pink angel wings and she had Mega Sylveon on her forehead and had a Heart Symbol of Kandrakar on her arm with a thunderbird, Volt, Roc and Mongolian Death Worm on it.

I wrapped her in a blanket.

Winona Vandom: (Groans) What happened?

Me: Are you okay Winona?

Winona Vandom: I think so. Where am I?

Me: Long story. You were turned into a Mega Sylveon by Dark Gale.

Winona gasped.

Winona Vandom: I remember!

She was in a pink suit and injected and in a swirl of magic she turned into Mega Sylveon! She flew out.

FLASHBACK ENDS

Winona Vandom: IT was awful.

Me: I know but we destroyed Dark Gale.

Winona Vandom: Good. I work for Sonya's team as a Fairy Magic master and use my magic and bring down our enemies. Outside the team I help bring down the enemies of Kandrakar.

Me: Wow! Well we destroyed Phobos and Nerissa is redeemed.

Rarity: Lets get you some new clothes darling.

Rarity gave ehr new guardian clothes.

Winona Vandom: Wow I look amazing.

Me: Yep and also we're in the middle of a battle.

Nico: Hope you don't mind.

Winona Vandom: Not at all. Lets do it!

She fired waves of lightning and blasted Queen.

Me: YEAH!

Then laser blasts hit her and made her REALLY DIZZY AND SHE THREW UP!

Me: WHOA! What the?

We turned and saw a girl with black hair, red eyes and black clothes and wings and Grey Matter on a Tiara.

Me: (GASP) Gina Nikos!

Leanne gasped and reverted back!

Leanne Nikos: Sister?!

Gina Nikos: Hello little sis. Like my vertigo ray?

Nico: Grey Matter's embodiment. Nice ray.

Gina Nikos: (Grunts) Thanks.

Gina lost control and fires a thin beam of energy at Calamitous from a ray gun.

He deflected it and it hit Queen and knocked her out.

In fired the cure ray and injected Gina!

Me: YEAH!

Calamitous: Lets bring it on!

He fired rays of energy and blasted her all over.

Edd got out his Zecter and blasted her.

Kameo turned into Furnace and blasted her with fire.

Kalus fired waves of lightning and knocked her down.

Winona fired waves of lightning and electrocuted her.

The antidote took effect and she was back to normal. She had green eyes again.

Gina Nikos: (Groans) What hit me?

Me: Ugly story.

Double D charged at Queen and knocked her out with a powerful punch.

Me: NICE!

Eli: Way to go Double D!

Yusaku: Take that!

Blue Maiden: YEAH!

Soulburner: That was cool!

Nico: Is that everyone?

Me: Yep.

Lisa Loud: A successful mission.

Me: It sure is.

We later went back home

We came home.

May: Hey guys! How did it go?

Me: Really awesome!

We told everyone everything and it was awesome!

May: WHOA! You guys had fun on that.

Eli: We sure did.

Nico: In addition to Calamitous, next time, Sunset, Maggie Peyton, TJ, MetalEtemon, and Evil Luxord should come

Me: Good idea.

Qin: Yeah!

Lola: Oh yeah!

Nico: Yep.

OUR STOMACHS GROWLED!

Me: Whoa are we hungry. Lets head to the restaurant I told you about.

Nico: Okay.

We were off.

We walked and arrived.

Samurai Jack: Is this it?

Me: Yep.

We arrived at a fiery hell themed restaurant.

Me: Dante's Hellfire Hole.

We went in and it was a good restaurant and it was full of themes for all the 9 Circles of Hell.

We got our tables and looked at the menu. It had lots of good food and we saw a level for spice. It was from 1 for mild to 100,000,000,000 for the most intense spice.

We ordered lots of foods and more and man was it good.

Azulongmon: Let me try one

Me: Sure.

We ate more and Azulongmon tried a super spicy burger and he got intensely powerful.

But then...

LOUD BELCHING!

WE FIRED NUMEROUS BELCHES OF FIRE AND ABSORBED IT!

Eli: WHOA!

Firestorm Shimmer blasted INTENSE JETS OF FIRE AND WE ABSORBED IT!

Me: WOW! Hot!

Ruckus: Let me try one!

He ate some and fire farted out of his butt!

LOUD FART!

We absorbed it!

We were absorbing fire all over!

Wheelie: This is a really hot restaurant!

Me: It sure is!

Qin: Yeah!

We were belching and farting fire like you wouldn't believe and absorbing it!

WE LAUGHED!

Later we paid for the food and came out with fire still coming out of us!

Family Guy Penelope: We need water!

Maria gave us some and steam came out.

Me: WHEW!

Qin: WOW! What a fiery restaurant! Amazing that place uses your hotsauces J.D.

Me: I know. Awesome huh.

Camie: You said it.

We went home.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his thirty-five massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Aku starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you,

Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yeah.

Ymir: J.D. how come all those Evil Sasuke's hate you?

Me: Because I ruined his life, his clan and his entire reputation. For years the Uchiha Clan has always been about one thing: Powerlust. And always tried finding ways to get it and also many of them didn't care how to get it. They stole peoples work and killed COUNTLESS Lives to get it and kill anyone that got in their way. When I got word that the Uchiha Clan was going to launch a coup, I helped kill the entire Uchiha clan except for Mikoto and her daughters and Itachi and burned down the entire Uchiha Clan Compound. Sasuke HATED MY GUTS for it ever since and he vowed to kill me no matter what.

Ymir: Man what a jerk!

Me: I know!

Nico: This won't be the last time we'll fight an Evil Sasuke, FYI!

Me: No but I'm REALLY Getting sick and tired of him and we need to get rid of all the Evil Sasuke's forever.

Camie: Yeah!

Iormu: What a monster.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Aku, our old enemy, he's on Glaren, and he's going to return to get revenge. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud!

Eli: Was that...?!

Lincoln: Yep. It's time.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Aku, our old enemy, he's on Glaren, and he's going to return to get revenge.

EVERYONE GASPED!

Azulongmon: So, on my day to shine, we're going after Aku, and since it's on Glaren, no one will get hurt by him.

Ashi: That is correct. But, this will mean we'll also no doubt run into the robots he'd sent after us in the past.

Varie: But, they're useless, so we can turn them into scrap metal for Lincoln to absorb, but it's not just the robots, there's still the matter of Dark Sebastian's traps and armies of demons and monsters.

Selena Mendez: We'll get rid of them just like always, Varie. Now, we need to head for Glaren and fast if we're to face Aku.

Nico: That's what I was about to say, Selena.

Selena Mendez: Oops, sorry.

Lincoln: Well, we knew what you were about to say. But, either way, Aku's time is done, this time, we are going to finish this once and for all, and his reign of evil will end here.

The previous group came.

Calamitous: Can me, Leonard, King Hiss, Hydro Man, Vypra, Shiv, Webstor, Bane, Vexen, and Firefly go with you guys? (To Lisa) And I had fun earlier

Lisa Loud: Yes you did.

Me: Yep.

Nico: And yes you can come with.

Laney: But we're going to need all the help we can get for this one.

Vypra: Okay I'll have all the M.O.E. Come with.

Me: Great. Aku is just as dangerous as anyone we faced.

Camie: Oh boy.

Smithers: Nico, which Gene Slammer do you think you'll meet next?

Nico: Evil HERO Doom Prison next.

Me: Nice!

Qin: Cool!

Lola: Awesome!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was our old enemy, Malcho, he's come back from the dead and that evil dragon still wants revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that Malcho?!

Lincoln: Yep, he's come back from the dead and that evil dragon still wants revenge.

Maasa Myoudou: We'll deal with him after we deal with Aku.

Lincoln: Right, Maasa. But, this means you and Nico are gonna have to stay back for this one when Maasa transforms, J.D.

Me: Good idea.

Nico: Same here, we don't want to get in trouble with Nicole. Alright, team, let's get onboard The U.S.S. Valorous Phoenix and head to Glaren. Aku, your time is up!

Lincoln: You've lived for far too long, Aku, now this is where you meet your permanent and final end here and now, and once we get done with Aku once and for all, you're next, Malcho.

Maasa Myoudou: You chose the wrong time to return and cause havoc, now you're about to face the consequences, Malcho, after we take care of Aku.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us boarded the U.S.S. Valorous Phoenix and we set out to Glaren to destroy Aku once and for all, and once we got done with him, Maasa Myoudou and Lincoln are going to destroy Malcho and send him to The Black Abyss for good.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12999.2: The U.S.S. Valorous Phoenix is en route to the planet Glaren for the epic showdown with the evil Shapeshifting Wizard, Aku. It's gonna be an epic battle that will test the limits and the power of all of us together. This time, Aku has not just the Brave 12 to face but all of us too.

We were ready for him.

Me: This will be so awesome and epic.

King Hiss: Let's call Hydros

Me: Good idea.

Vypra: I'm going to have everyone in the M.O.E. Come for this one.

Me: Good idea.

Hydros and EVERYONE came.

Me: Cool!

Hydro: I'm here too.

Me: Awesome.

Nico: We have plenty of time till Aku appears. So we'll make ourselves comfortable and have a nice chat till we get there.

Me: Good idea.

Hikaru Raido: I'll never forget meeting the Brave 12 for the first time. That was so fun.

Me: It sure was.

Nico: Yep.

Stone Man: We can kill him with a shining katana.

Me: That works.

Ymir: What was the adventures of the Brave 12 like?

Fu: Were to start. It was one amazing adventure after another.

Me: The Brave 12 consisted of myself, Varie, Vince, Jessie, Naruto, Sakura, Fu, Jack, Lincoln, Laney, Lisa and Lily and we did it all throughout all of that adventure.

I went over everything. We freed the Canine Archaeologists from Aku's Jewel Mines, Freed the Woolies from the tyrannical servitude of the Chritchellites, Helped the Colonists Astronauts get through Aku's Blockade to get them home, Freed the Monks from The Curse of The Well of King Ozric, Battled Mad Jack, Freed the Triceraquins and helped Oceanus get back to the Surface, Saved the Warrior from his Curse, Helped the Gangsters, Meet the Man and his Tribe that can Jump Good, Battled in The Dome of Doom, Rescue the

Ymir: WHOA! That's incredible!

Hikaru Raido: It sure was.

Ashi: Me and my sisters were trained from day one to hunt down and kill the Brave 12.

Me: Yep.

Deadpool: This mission is also in honor of someone.

Vypra: Who?

Deadpool: Aku's voice actor Mako.

Jamesdean5842: Yeah Aku was voiced by Mako Iwamatsu from 2001 to 2004 and he died 2 years later in 2006. Greg Baldwin replaced him and for years he practiced to perfect it. Then 13 years later in 2017 Samurai Jack concluded with Jack defeating Aku and him and Ashi marrying.

Nico: Wow!

Me: Lets have a moment of silence for Mako. He will never be forgotten.

We took off our hats and put our hands on our chests for him and had 30 seconds of silence for him.

Shockwave: (to me) I understand that you don't like wasting time but this is the honorable thing to do.

Me: I understand. But it is important to respect and honor those that did good in the world especially in the worlds of entertainment and history.

Jamesdean5842: That is too true. Mako will never be forgotten. He also voiced MANY other characters too. He voiced Zuko's uncle Iroh, Kira Finster's former boss Mr. Yamaguchi, and even voiced Master Splinter back in 2007 to honor his memory.

Nico: Wow!

Eli: Amazing! But it's understandable.

Me: Yeah it's important.

Shockwave: Okay I understand now.

Webstor: So what do Aku's drones look like?

Me: They came in MANY forms. Mostly bugs. Also he had more than robots and drones with him. He had mercenaries, aliens from many planets, bounty hunters, and all kinds of robots. Every day during our adventures as the Brave 12 he would send them out to kill us!

Sakura Haruno: There wasn't a day that went by when we battled robots like that and they would come out to kill us!

Camie: GEEZ!

Ymir: Brutal!

Samurai Jack: But we learned so much about the future that Aku turned the world into and it was intense.

Me: It was.

Flash Man: You think he's already sent drones to us right now?

Lincoln: No he hasn't. I saw that he is as he was when he was sealed into a tree.

Me: I remember seeing that tree. We all do.

Flash Man: Oh good so his drones haven't been made yet.

Me: Yeah.

Ymir: How did Aku come into being?

Me: Well he was an evil force that was around ever since the Beginning of Time. He started out as a huge black mass and the mighty gods Odin of Norse, Ra of Egypt and Rama of Vishnu for Hindu destroyed him. But inadvertently let a small piece of him loose. For billions of years it floated and crashed onto Earth in the Age of The Dinosaurs. For millions of Years, Aku laid dormant on Earth and consumed any life there and he grew and was consuming everything like some kind of cancer.

Samurai Jack: Until it was my father that inadvertently set him free.

Me: And it formed him into the very Shogun of Sorrow that we all saw and hated.

Laney: It's true.

Me: There's more to it.

I went over his full history

Aku is the main antagonist of the 2001 Cartoon Network/Adult Swim animated series Samurai Jack.

He is a ruthless, diabolical, and manipulative demon sorcerer, serving as the arch-nemesis of the titular character, as well as the biological father of Ashi and her sisters.

In the first four seasons, he was voiced by the late Mako, who also played Happy Cat in Duck Dodgers and Han Yu Kim in True Crime: Streets of L.A.. In the fifth and final season, due to Mako's death, he was voiced by Greg Baldwin, who also played Frank Fontaine in BioShock and Bartholomew in The Ghost and Molly McGee. As Ikra, he was voiced by Jennifer Martin.

Long ago in the depths of space, a vast, formless, non-sentient mass appeared seemingly out of nothing. This black mass was attacked and vanquished by the three mighty gods: Odin, Ra, and Rama, in order to protect the universe from its influence. However. a small shard of the great entity managed to survive and drifted off into space. For many eons this shard continued tumbling through space until it eventually landed on Earth, causing the extinction of the dinosaurs in the process.

Many years later, the site on which the shard landed would become the ancient island of Japan, which the shard infected like a horrible disease - creating vast forests of evil in the land and threatening to consume it. Eventually, the shard's threat became so great and impressive that the Emperor of a Japanese kingdom decided to rid the land of the evil substance once and for all using magical-oil made by Buddhist monks. However, when he fired an arrow coated with this oil into the entity, it did not destroy it but rather gave it form and sentience, forming a humanoid threat of unimaginable power named Aku. No mortal weapon could harm Aku but, with aid from Odin of Norse, Ra of Egypt, and Rama of Vishnu, the Emperor wielded a magical sword with the ability to harm Aku. Using the sword, the Emperor faced Aku in a showdown that resulted with Aku being sealed away in a form that resembled a diseased black tree, but not before vowing that he would one day return.

Unfortunately, his vow would become true when the imprisonment only lasts a decade before a solar eclipse frees Aku. Aku then proceeds to lay waste to the Japanese kingdom the Emperor rules, this time capturing the Emperor before he can grab the sword. The empress runs away with the sword and her son so that he can be trained to be a samurai warrior. While both of them managed to escape, Aku proceeded to lay waste on their homeland, turning it into a devastated and enslaved land.

Years later. the Emperor's son challenges Aku to a fight on the Pit of Hate inside his towering castle. The Samurai very nearly kills Aku for good using the magical sword but Aku throws open a portal in time and transports him to a future-world in which Aku rules supreme, something that he takes full confidence in as he was convinced his evil would be spread out all over the world. The Samurai takes the name "Jack" whilst trapped in the future and becomes Aku's nemesis as he still wields the only weapon capable of harming Aku.

During Jack's time in the future, Aku had managed to terrorize and subjugate a majority of the entire world and declared himself as the undisputed ruler of Earth. While he had a demon army, he was beginning to be unsatisfied with them due to their capability of carrying out his task faster, so he would go on to have a mechanical army under his command and recruit a council of mad scientists to create the X-Model, the first of Aku's robotic army. When all but X-49 were destroyed, Aku would develop a new generation of his mechanical army called the Beetle Drones, who were proven to be successors to the X-Models, and would become Aku's standard henchmen.

Craving for more power, Aku would later establish Earth as a space-faring world and open its ports to surrounding galaxies in order to plunder and conquer worlds beyond. The arrival of aliens, ranged from enslaved species to rough immigrants, would transform the Earth into a hodge-podge of dystopian societies that were primarily ruled by either tyrants or gangs. Aku's rule would even established the safety of the worst kind of criminals who would be inhabited in Earth, corrupted agents making lives of countless citizens worthless, and in some cases, occupied settlements would be inhabited by innocent and helpless residents without any scruples would be decimated. Unsavory and cruel establishments such as the Dome of Doom and Creature Combat Club would be common in the world ruled by Aku.

While Aku was universally hated and feared by almost everyone in the entire universe for his cruelty, there were several others who worshipped him like a god and served under him with immense loyalty.

While Samurai Jack would travel to face the demon in order to return to the past, Aku would have the habit of watching his arch-nemesis from afar and get enraged in his inability to kill him. He would use every opportunity to destroy Jack, such as unleashing his minion army, hiring bounty hunters, using mystical weapons, cunning traps, simple trickery, and other methods in an unending struggle, but each time, despite the struggle the samurai would endure, he would always prevail in the end, much to Aku's frustration.

Eventually, during his last confrontation with his arch-nemesis, Aku managed to stop him from jumping through the last known time portal and then destroyed it. He would sadistically revealed to Jack that he destroyed all of the time portals, which would prevent him from returning to the past. With his quest ending in failure, Jack's seal on Mad Jack would be broken, leading to his anger and depression. Aku would later flee while Jack would butcher three transformed monsters in rage, but didn't witness that he would also lose his sword in the process.

Fifty years later, it is also shown that Aku donated a small portion of himself to the Cult of Aku after seeing the statue they built in his likeness. Afterwards, the cult leader drank the potion which somehow impregnated her, creating the Daughters of Aku.

In Episode XCII, Jack fights an assassin named Scaramouche the Merciless who claims to be "Aku's favorite assassin". He tries to call Aku that Jack lost his sword, but Jack destroys his phone before he can get the chance, leading to a confrontation with Scaramouche where Jack seemingly destroys him.

In Episode XCIII, Aku wakes up from his long nap and becomes annoyed with his Royal subjects and minions as they come to his lair, bow down to him and give him gifts while he is trying to do his daily routine. When his minions mention that they built more robots to destroy Jack, Aku states that he doesn't care anymore. Aku then creates a clone of himself to serve as a psychiatrist who asks him about what has been troubling him lately. Aku tell the psychiatrist that it has been 50 years since he destroyed all of the time portals and that he hoped that Jack would have just died off the normal way, but, as a result of the time traveling process, not only has Jack not died from old age but he hasn't even aged a single day and has become biologically immortal, deeply frustrating him.

In Episode XCVI, Aku, after being informed by a henchman that the former's lair was under attack by an army lead by the Scotsman, decides to deal with them himself and flew out of his lair. Later, he transforms into a colossal giant ball and effortlessly slaughtered most of the army. After this, he was confronted by the Scotsman, with the latter insulting and ridiculing Aku, stating that Samurai Jack inspired many to oppose him. However, this leads to Aku killing the Scotsman by shooting him with his eye beams. Aku, with a bored tone, only wondered why the Scotsman brought up Jack before returning to his lair. However, unknown to Aku, the Scotsman returns as a ghost and instructs his army (who are all of his daughters as well) to continue to amass their forces and find Samurai Jack.

In Episode XCVII, Scaramouche (now only a head) tries to reach Aku in order to tell him that Jack is missing his sword and calls him from a phone booth on the boat he was riding, although Aku immediately hangs up after Scaramouche is thrown off the boat.

In Episode XCVIII, in a flashback, it is shown that Aku pulled Jack out of a time portal just as he was about to reach the past and then obliterated it, taunting Jack by telling him that said time portal was the last in existence. In his rage, Jack tried to destroy Aku once and for all. However, Aku backed out of the fight and transformed the Rams that had been helping Jack into mindless beasts that he soon killed, causing him to accidentally drop his sword into a pit in his horror.

In Episode C, Scaramouche finally reaches Aku's tower and manages to tell Aku about Jack's missing sword, not only causing the demon to snap out of his depression, but also give Scaramouche a new body out of gratitude. Aku then flies over to Jack's location (in which it is shown that he also killed The Guardian) where he and Scaramouche then laugh at Jack for not having his sword, only to realize that he actually does. Aku then kills Scaramouche by destroying his head and prepares to leave, however, he stops when he realizes that there is a little bit of himself inside Ashi. Aku then has a flashback in which it is shown that he gave some of his essence to the Cult of Aku, and then comes to the conclusion that the High Priestess must have drank the essence and birthed the Daughters of Aku. He then remarks on how she is really a true daughter of his to her and Jack's collected shock and anger. As Jack tries to kill Aku, Aku begins to possess Ashi and forcing her to fight Jack watching from the sidelines as they unwillingly do so while remarking on how his daughter fell for his sworn enemy. Eventually, Aku turns Ashi into a humanoid replica of himself, which Jack cannot bring himself to kill, laying his sword down in defeat. As Ashi is about to lay the final blow, Aku quickly orders for her to stop and grabs Jack's sword. He revels at finally besting Samurai Jack after 50 years.

In Episode CI, Aku broadcasts his victory over Samurai Jack to the entire world and tells everyone who opposes him that they have no hope as he prepares to kill Jack, however, he soon realizes that he does not know how he wants to kill Jack. After a period of indecision, Aku decides that it is best to let Ashi kill Jack. As Ashi readies to lay the final blow to Jack, almost everyone Jack has encountered (The Blind Archers, Rothchild and his Canine Companions, The Ravers, The Triseraquins, The Spartans, The "Jump Good" Monkey Man and his tribe and The Woolies) and saved came to his aid and attacked Aku. Aku begins to do a great battle with them while Jack fights the possessed Ashi who is stopping him from taking back his sword, Aku finding amusement in the armies' attempts to save Jack since he is nearly untouchable and cannot be killed by them. Aku splats a great number of Woolies and Blind Archers corrupting them into an army of smaller copies of himself ordering them to attack the rebels. While the rebels are in great difficulty against Aku's army and Jack is unable to take the sword back the Scotsman arrives with his Daughters causing several damages to Aku's army. During the fight, Max and the Robots of Andromeda join the army of Jack's friends with their giant robot samurai. At the beginning, Aku mocks the robot only to be brutally beaten up by it and also have his horns torn off, at point Aku starts to get annoyed and furious and decides to change himself into a rain of spikes to kill all of his enemies. The rain kills many of Jack's friends but is stopped by the powers of the Scotsman. Then, he checks on his daughter Ashi to see if she has killed Samurai Jack, but thanks to Jack for showing his love for Ashi, Ashi frees herself from Aku's possession and stands up against him. The furious Aku attacks her but is surprised to see that she has the exact same powers as he does. Without a moment to lose, Jack and Ashi summon a time portal and send themselves back to the past. The future Aku then looks in sorrow as he realizes that his destruction is imminent, realizing that all around him including himself are going to cease from existing.

Back in the past, after Jack's first battle against Aku, the demon has just sent Samurai Jack to the future. After he finishes his speech of meeting him again in the future, he was shocked to see that the future Jack and Ashi have returned on that same spot. As Aku tries to process why he is back so suddenly, Jack immediately charges and begins his short final showdown with Aku. Aku, still greatly weakened by his battle with the previous incarnation of Jack then transforms into a giant rhinoceros beetle-like form to fend him off, but the latter quickly slashes him in two halves with his sword. Jack then completely destroys one while the other tries to retreat but does not get very far as Jack manages to stab his severed head with his sword and Aku merges into the sword before Jack slams his sword to the ground, prompting what little remains of Aku to absorb his lair and blow it up. Destroying the sword destroys the last of Aku's essence, finally destroying the demon once and for all; avenging all of the deaths and suffering he has committed (or was going to commit), including pillaging the Japanese kingdom home of the Emperor and Empress and Jack. ending his tyrannical and world domination forever.

However, Aku's death comes at a price as, since he was responsible for her existence, Ashi is erased from existence as she was about to marry Jack, allowing Aku to get one last laugh at his enemy from beyond the grave at last. Jack then mourns the loss of Ashi, but sees a ladybug as a memory of Ashi and smiles, as the string of fate meant that he will find someone who will fill the place Ashi left, and moreover, Jack can finally live off the rest of his days along with his family and friends serene and in peace, knowing that there's a bright future on the horizon as Aku and his tyranny are no longer there.

In the video game set during the finale of season five, Samurai Jack and Ashi open a time portal and travel to the past. However, in an attempt to prevent his destruction at the samurai's hand, Aku separates Jack and Ashi and transports Jack into a time pocket, a rift of spare and time with no future or past. While Jack would face many of his old enemies such as Demongo and Scaramouche, Aku would go on and taunt him numerous times with sadistic glee.

After facing numerous robots, demons, bounty hunters and the Daughters of Aku once again (involving tormenting Jack in killing the fake Ashi), Aku faces Jack and summons an entire army of robots to destroy him. However, The Scotsman, his daughters, Da Samurai and Sir Rothchild come to aid Jack by facing the army as they give Jack the opportunity to finally face Aku in his fortress. After the final fight, a defeated and overwhelmed Aku is confused of what is happening after a time portal opens. Jack tells him that that the rift between space and time that he has created starts to collapse. Future Aku refuses to fail and declares that it's not over but Jack and Ashi reunite and finally make it to the past. Past Aku then meets his end as Jack finally destroys the shapeshifting demon once and for all.

Due to the altered history though, Aku is now trapped forever in the time pocket version of the future and Ashi is already born in it. As a result, Ashi does not fade out of existence and finally gets married to Jack.

Vexen: And the rest is history

Me: Yep.

Ymir: My god! That is terrible! Aku is terrifying.

Me: He's the ultimate embodiment of pure evil.

Nico: And Anti-Monitor has him working for him?! I don't know what the fuck he's thinking having him working for him.

Qin: Yeah.

Retrax: Probably because his second in command Evolt will teach him a lesson for any treachery

Me: That is true.

Qin: Well with each victory I'm sure Anti-Monitor is getting more and more pissed.

Nico: Yeah.

Me: Once Aku is gone, the Universe will be a much safer place.

Qin: Too true.

Firefly: How hot was the restaurant earlier?

LOUD BELCH!

Firestorm Shimmer belched a massive stream of fire in Firefly's face and melted his armor off.

Firestorm Shimmer: Oops sorry. It was good and spicy.

Me: Yeah it was.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Glaren.

We got to landing and we got out.

Me: Awesome to see Glaren.

Suddenly, Lincoln had a premonition.

Lincoln: OH MAN! Guys, we got ourselves a dangerous Akuma here. His name is StormSeiryudramon, the Hypothetical Akuma of Azulongmon and a deadly master of dragons, lightning and water. He's The Dark Sovereign of The East and he's a terrifying force of destruction! He also has the power to destroy entire planets! He's one of The Dark Sovereigns of Doom, 5 Akuma Digimon of the Sovereigns.

Lincoln took out his sketchbook and we saw StormSeiryudramon, he's a powerful Azure Dragon with an azure aura around him.

Me: WHOA! First, The Ancient Titans of Armageddon, now we got The Dark Sovereigns of Doom! This is gonna be intense.

Nico: That's for sure. We got to stop StormSeiryudramon before we go after Aku.

Me: Yep.

We got a move on to take down StormSeiryudramon before we went after Aku. Suddenly, we saw a massive storm in the skies and it was incredibly powerful, and then, we saw something descend from the skies, it was StormSeiryudramon, The Dark Sovereign of The East and the hypothetical Akuma of Azulongmon.

Azulongmon: So, that's my hypothetical Akuma, he looks really powerful.

Me: He sure does.

Suddenly, StormSeiryumon fired blasts of lightning and water at us, but Lincoln absorbed them, and he literally became even more supercharged than ever!

Nico: HE'S BIG!

Me: WHOA! And his power is unreal! I would say he has all the power of a Super Ultimate Digimon!

He fired more blasts of lightning and water at us and Lincoln absorbed them.

Lincoln: Thanks for the extra fuel you gave me.

StormSeiryudramon: So you all came to your demise!

Me: No it's YOUR Demise you should be worried about.

Crankcase: Azulongmon? Is that you?

StormSeiryudramon: Not anymore! Now you die!

Me: I guess calming you down is out of the question!

Hydros: I was gonna say that!

Me: Lets dance!

I fired a massive blast of energy!

StormSeiryudramon: (Echoing) THUNDERSTRIKE DEATH RAY!

He fired a massive blast of lightning and the blasts collided and released a MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSION!

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

Nico: WHOA! What power!

Bane: (Spanish Accent) See how you like this!

He punched him.

Me: THUNDERSTRIKE KARMA BALL!

I FORMED A HUGE BALL OF LIGHTNING AND THREW IT AT HIM!

StormSeiryudramon formed an immensely massive ball of lightning!

StormSeiryudramon: (ECHOING) HYPERCANE DEATH BALL!

He threw it and the blasts collided and exploded with intense and DEVASTATING POWER!

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL EXPLOSION OF INTENSE NOVA PROPORTIONS!

The explosion was INTENSELY POWERFUL AND SO DEVASTATING THAT IT SHOOK THE PLANET AND THE UNIVERSE!

When the smoke faded, there was a crater and StormSeiryudramon was still standing!

Me: WHOA! That was intense!

Hydros: Chill out!

He fired a massive ice blast and froze him!

Lincoln: (Smirks) Now, it's my turn.

Lincoln took off like a bolt of lightning and he pounced on StormSeiryudramon from behind, and then...!

CHOMP!

Lincoln sank his fangs into StormSeiryudramon's neck and he sucked out and drank every last drop of blood from him, and in the process, he assimilated StormSeiryudramon's immense powers over the dragon, lightning, water, and the power to destroy entire planets, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

That knocked out StormSeiryudramon, and Lincoln released StormSeiryudramon's neck, and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla, and his rainbow, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, animals, mythical beasts, and elemental forces flared up even more with an azure blue aura surrounding the aura along with lightning bolts.

Lincoln: Oh man, now I'm even more charged up than ever. Let's go, guys. (CRACKS KNUCKLES) It's time to send Aku back to the darkest depths of The Black Abyss where he belongs.

Me: That is for sure!

A massive storm appeared, but this was not a storm of destruction, it was a storm of justice.

Me: WHOA! Lincoln, you never cease to amaze us!

Nico: (In his head) Oh man. There really is no limit to how much stronger Lincoln's able to become in a short amount of time, it's like his body continues to grow stronger and evolve even more, he's even more like J.D. and all of us, but there's more to him than meets the eye.

All of us heard Nico's thoughts, and he was right about what he said.

Selene Arcangela: (In her head) You have no idea how close you are to the truth, Nico, and you're right about what you said. Before we get to Lincoln's big day, there's definitely a lot of things we got to explain to you about this ability Lincoln was born with.

Nico: Now we need to destroy Aku.

We then went off to finally get rid of Aku for good.

Nico: Alright, now to get after Aku.

Lincoln: But first, Selena.

Selena Mendez: We're on it, Lincoln.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Adam Taurus is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second.

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, bastard!

Nico: Okay, now we can get after the bastard without any other nasty surprises from those pack of snakes.

Manterror: Guys, those drones wouldn't happen to belong to Aku, would they?

We saw Drones!? What the?

Me: Wait.

I looked closer and it was a mirage.

Me: It's just a mirage.

Manterror: Oh nevermind then.

Nico: Lets get a move on.

We then went off to finally get rid of Aku for good.

Nico: Alright, now to get after Aku.

Lincoln: But first, Selena.

Selena Mendez: We're on it, Lincoln.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Adam Taurus is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second.

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, bastard!

Nico: Okay, now we can get after the bastard without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see a huge menacing black tree, and we felt the darkness in it: it was Aku alright.

Nico: This it?

Me: Yep this is it.

We hid Then, we saw the sun and the moon was about to eclipse it, and then, red energy crackled around the tree as it suddenly started to come to life. Then, as the moon left and the sun was shining, we saw it: IN THE PLACE OF THE TREE WAS NONE OTHER THAN OUR OLD ENEMY, AKU, SHAPESHIFTING MASTER OF DARKNESS AND ENEMY OF SAMURAI JACK AND THE BRAVE 12!

Aku: At last, I have returned to the world to wreak havoc.

?: Too bad your return is about to be short-lived.

Suddenly, the spirits of The Brave 12 appeared and they attacked Aku and his robots and they really thrashed him all over the place showing him no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared.

Aku: So, The Brave 12 have returned.

Me: Long time no punch! It's been many years since we got rid of you, Aku.

Aku: (Sees the rest of us) And who are all of you?

Nico: I see you haven't met the rest of us, but it won't matter anyways. Your time here is up, and Anti-Monitor made a grave error hiring you.

Eli: That's right!

Caleb Maxwell: As the Embodiment of Pure Evil, you were going to double cross him like how Dark Sebastian turned on him.

Aku: That is correct! If you all will get to see that! (LAUGHS EVILLY)

?: YOU BASTARDS WILL NEVER LEAVE HERE ALIVE!

We saw what looked like Dark Sebastian!

Eli: Dark Sebastian, what the?!

Lincoln fired a blast of light that hit Dark Sebastian, and he was destroyed as it turned into darkness and was incinerated.

Lincoln: Just a clone of him. Dark Sebastian's power is leaking out of the seal Our Lord put to keep him and those snakes trapped in Hell, I'll be sure to strengthen it after this. But as for you, Aku, this is where our fight ends here.

Azulongmon: And this is where you die once and for all.

Me: As you can see Aku, we have grown in numbers since we last fought back in 2017. No longer are we just the Brave 12, We are the Most Powerful Force in the Entire Multiverse. We are TEAM LOUD PHOENIX STORM!

Aku: Ha! You think that title is impressive?! I am Aku! The Master of Masters! The Deliverer of Darkness! The Shogun of Sorrow! And-

Shiv: (annoyed) Okay! We get it already!

Eddy: Now, I'm really looking forward to killing you just to shut you up!

We were literally stunned, amazed, and struck with total awe at Lincoln's transformation, and when the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Me: OH MAN! Lincoln, h-he's...! He's ascended to truly great heights of power and strength!

Nico: Unreal!

Loud Family: UNREAL! So incredible!

Girl Jordan: (Swooning) My God! As if Linky couldn't get more hotter and more handsome and sexier.

Lily the Mermaid: (Swooning) He just proved us wrong, now our hulking wolf hunk of a husband has become even more hotter, more handsome, and even more seductive and sexier than ever.

Aku: (FREAKED OUT) WHAT THE HELL! NO! NO! IT CAN'T BE!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Aku, and he proceeded to brutally smash him into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and greatsword, and fired extremely powerful blasts of white and golden yellow wolf fire, light, golden moonlight, and ice, along with rainbow, white, golden yellow, and blue energy, aura energy, white, golden yellow, and blue heavenly flames, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals at Aku, and they exploded with such incredible power as they hit him, and it was brutal to the extreme!

Me and Nico: WHOA! INCREDIBLE!

Eli: UNREAL!

Qin: Damn!

May: Oh man! He's tearing him apart!

We then saw more displays of Lincoln's newly ascended power: the heavenly lights shined down and the angels of Heaven descended and they attacked Aku with their silver swords and firing beams of heavenly light that hit him and Aku was burned by the light of Heaven, he even summoned the soldiers of the Gods and Goddesses of the ancient cultures around the world and they also attacked Aku with their swords, then Lincoln used the powers of Twilight Sparkle and her friends and Sunny Starscout and her friends and blasted Aku with elemental forces representing them and blasts of magic and they hit Aku with incredible power and exploded, and he continued smashing him into the ground with his massive godly superhuman strength and he didn't give him any time to react because of his massive godly superhuman speed, agility, and reflexes as he delivered blow after blow of punches and kicks, and he was blasting him with rainbow, white, golden yellow, and blue energy, aura energy, elemental forces, animals, and mythological animals and he was showing him no mercy.

He also let out a loud howl and a pack of werewolves and wolves came out and they tore Aku apart with their claws leaving claw marks on them and he also summoned vampires and other creatures and monsters of myth who also attacked Aku.

Luna: WHOA! Lincoln's really tearing that demon to shreds! This is incredible!

Lori: He's exacting brutal revenge on him big time!

Laney: He's had this coming for so many years!

Me: Brutal!

Lana: Yeesh, I knew that was brutal, but this is overkill.

Then, Lincoln combined all of the curses he'd created over the years and the massive, wide, double-edged 10'6" gold blade glowed with rainbow light with black and red hellish flames and many other elemental forces associated with his curses, and he fired two beams of energy which hit Aku, and he felt the massive brunt of all the curses Lincoln's created over the years and that also included The Lovecraftian Curses, and he screamed in incredible pain from the curses' full force attacks on him.

Aku: (SCREAMS) IT HURTS! IT BURNS! MAKE IT STOP!

Lori: You literally brought that on yourself!

Lynn: You're still a monster even to this day, Aku.

Lola: You're going to pay for your crimes with your own blood!

Lisa: Indeed, you're reprehensible and absolutely repulsive.

Luan: And now, you're getting years of payback and retribution handed to you, you monster from Hell.

Lincoln's Guardian Angels: YOU DESERVE TO DIE FOR EVERYTHING YOU'VE DONE! AND YOU ALSO DESERVE TO DIE FOR YOUR INSANE GENOCIDAL CRIMES AGAINST MANKIND, AKU, YOU MONSTER!

Aku: Ouch! Ouch! It hurts!

Lincoln continued attacking Aku and he was really, and I MEAN, REALLY GETTING BADLY MANGLED!

Then, Lincoln kicked Aku away and he crashed into a tree, he got back out, but boy he was beyond mangled and his wounds weren't healing properly.

Aku: YOU! YOU! HOW DARE YOU STAND AGAINST ME LIKE THIS! I DO NOT CARE IF YOU AND ALL OF YOU ARE GODS AMONG MEN, ALL OF YOU WILL DIE FOR GOING AGAINST ME! I AM THE SHOGUN OF SORROW, THE SHAPESHIFTING MASTER OF DARKNESS AND EVIL ITSELF!

I despise you with the burning hatred of a million suns, I loathe you with the force of a million typhoons! You've caused so much pain and misery to everyone around you for the last time and have gotten away with it for far too long now, and you don't deserve any sort of forgiveness. You have lived for far too long, Aku. Your crimes have finally come back to haunt you, and now, you will pay for all of your sins along with the pain and suffering you've caused to everyone in your path!

Ed Cowart: All right, Aku, you black-Flubber-looking uglyass shadow! Now, you get yours!

Ed Cowart proceeds to insult Aku, and Bugs Bunny's also joining in.

Ed Cowart: Ok, did you seriously turn your eyebrows and beard to fire? Cause any further and you'd be ripping off the dread Dormammu! you look like a black Flubber like tree. You still use Windows 98 and never owned a colored TV and how do you like your face? Fried, scrambled or obliterated? So, you can turn into various animals, people and objects. So what? You didn't bother getting yourself a job other than being a villain? Sheesh, I bet you were so bored that you were pranking other people! What do you think of that, you burning brow wielding, tree-like, red-eyed, milk-drinking, bleathering, jessie, nyaff, plookie, worm-eyed, ugly treeass abomination of nature?! And one last thing!

Ed Cowart and Bugs Bunny wrapped a giant rubber band around his horns stretched it, and Bugs Bunny put a giant boulder laced with magic on it and released thus firing the boulder thus hitting Aku sending him flying through a curved pipe and he came out, and as Aku was flying, he went right into the traps that were set up. First, glue got on on his chest, then sandpaper was placed on it and the sandpaper struck the fuse and it led to a giant magic TNT barrel, and when Aku was at the barrel!

KABOOM!

The TNT barrel blew up and Aku got badly mangled up and he crashed head first into a wall with his horns right through the wall, and Bugs Bunny hammered his horns down.

Bugs Bunny: What a Gulli-Bull, what a nincowpoop!

Suddenly, Aku got his horns out and he was about to hit Bugs hard in the head with his fist, but the rabbit got away, and...!

WHAM!

Bugs Bunny kicked him hard in the butt with a boot that had metal plates in it and he crashed into another wall, he got back up, but he was really really dazed.

Bugs Bunny: Hehehe, what an imbecile, what a Ultra Maroon, what a tree sap, what a zany. Hehehe.

Suddenly, Aku turned into an angry bull and charged right at Bugs Bunny who put a matador cape out, and...!

BLANG!

AKU WOUND UP FALLING FOR THE OLD ANVIL BEHIND THE CAPE ROUTINE! WE WERE ON OUR BUTTS LAUGHING HYSTERICALLY!

Me: (LAUGHING HYSTERICALLY) OH GOD! OH GOD! THAT WAS SO HILARIOUS!

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death once more. Malcho, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Time to die, Malcho, you son of a bitch.

Lincoln, Maasa Myoudou, Nico, and I went after Malcho, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Malcho, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive

greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Maasa Myoudou did the same by firing brown and blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Maasa Myoudou, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Malcho even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and forty-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Malcho and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Malcho's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'0" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into Malcho's chest, and then, Lincoln began absorbing Malcho and he assimilated Malcho's Flight, Atmokinesis, Inhuman strength, and Cunning, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

We cheered wildly as we holstered our weapons and powered down and Maasa Myoudou's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large brown and blue planets orbiting around her legs, thirty-five smaller brown and blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized brown and blue planets orbiting around her wrists and ankles, and massive brown angel wings and twenty-four sets of large brown angel wings underneath her massive brown angel wings are permanent.

Maasa Myoudou: And this is goodbye and good riddance forever, Malcho. Thank you for helping me destroy Malcho for good, Linky. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Maasa.

Me and Nico: Our pleasure, Massa.

Suddenly, Massa Myoudou wrapped her arms around Lincoln's waist, as her massive breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Massa Myoudou's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Maasa Myoudou sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: And that is that for Wagnard.

Lincoln: Yep. Now, we're rid of him for good.

Nico: That monster got what he deserved.

Me: That's for sure. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw darkness rise from the ground with clothes and sewing needles and we saw the crest of The Witchcrafter Duel Monsters in the skies.

Lincoln: The Crest of The Witchcrafter Duel Monsters along with darkness and clothes and sewing needles

Selene Arcangela: There's only one person who has clothing and darkness as part of her specialty in The Witchcrafter Artisans Guild: Anna Walker, Avatar and Gene-Slammer of Witchcrafter Haine.

Emily Edelstein: I knew it was her, and you guys are going to love meeting her, Anna Walker, Avatar and Gene-Slammer of Witchcrafter Haine, is Lincoln's Guardian Angel from Michigan and she's a powerful master of darkness, clothing, and magic. She's the Fashionista of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Anna Walker met Lincoln, and this one time, she and Lincoln created some truly beautiful clothes for the seasons, holidays, and many special occasions. Plus, she really helped him with mastering the powers of darkness along with teaching him how to master the powers of darkness, clothing, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a blazing passion because he tried to destroy the many clothes they've made and taken out of spite to satisfy his need to cruelly humiliate, torture, and kill Lincoln, and the moron got thrown in jail for five months.

Caleb Maxwell: What...the...HELL!?

Qin: Oh crap!

Laney: Yep, he's pissed!

Caleb Maxwell was about to punch Chandler right in the face in a fit of hellish fury, but then...!

Allie Maxwell: Caleb, if you try anything, I'm gonna send you flying right into The Statue of Liberty!

Caleb Maxwell backed off.

Lori: WHOA!

Luna: Dude...!

Laney: Yikes! Allie really scared her brother and put him in his place!

Me: That was really scary.

Lincoln: And you're in for an interesting revelation, J.D. You know your special occasion clothes?

Me: Yeah?

Lincoln: Well, it turns out I was the one who made them, and I had the help of Anna Walker and Leni with this one.

Me: Wait, really? You made them? That's so awesome!

Lincoln: And there's also a special kind of surprise as well, those special occasion clothes had some magic woven into the fabric and they can make the flames that were imprinted on the clothes come to life if you want to impress people at a festive occasion such as a baby shower, holiday celebration, you name it.

Nico: Oh man! We've got to see it in the next baby shower!

Me: Same here.

Griffin: Didn't even say anything before he died.

Mr. Mittens: He wasn't easy to kill.

Spymaster: But it was worth it.

Me: Yeah. Now the universe is rid of Aku forever.

Qin: Yep.

Roxy Rocket: What now?

Madame Masque: We go to the nearest restaurant.

Nico: How about Lynn's Table this time? Great job today everyone.

Me: The Brave 12's work is done.

Azulongmon: And my big day is done.

Nico: Awesome.

Me: (To the Viewers) Aku is gone. Mako you gave us an amazing villain for an awesome series. We will miss you.

All of us: AMEN!

We went back home and went to Lynn's Table.

We returned home to The World Tree Estate, and a few hours later, the sun had set on Gotham Royal York and night has fallen on the city.

Lincoln: That was an awesome day, we finally got rid of Aku forever, destroyed another Evil Sasuke and found out the Evil Sasukes we'd killed in the past were resurrected by Dark Sebastian and those snakes, destroyed Andre Linogue, and pissed off Dark Sebastian and those pathetic snakes again.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan.

Lincoln: (Seductive Voice) (Smirks) You guessed it.

Lincoln used his fifty massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alright, and now, for tomorrow, the match-up is for Aiko Kajimau, and she and Lincoln are going to destroy Mirage, the Queen of Evil from Aladdin: The Animated Series who's come back for revenge yet again

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Las Vegas, and not only is Lana going to win in more slots machines and clean out the casinos again, but we got a big problem: we're going after a gangster from the past of The Big Claw Gang, his name is Louie Carmine, he's a loan shark that's been on the death list of The Big Claw Gang because in 1985 before Caleb died, Claw Dane Drake put a hit out on Louie Carmine because his informants found out this crooked loan shark was caught embezzling the profits from some of the gang's operations, and Louie Carmine went on the run before they could go after him. We found out from Claw Dane Drake that Louie Carmine's alive and well, and was still continuing with his racket of embezzling the profits in the casinos. So, we're heading down to Las Vegas, find Louie Carmine, and Caleb's going to kill him and send his soul straight to Hell forever, and we're going to meet Anna Walker, Avatar and Gene-Slammer of Witchcrafter Haine, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of darkness, clothing, and magic. She's the Fashionista of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Anna Walker met Lincoln, and this one time, she and Lincoln created some truly beautiful clothes for the seasons, holidays, and many special occasions. Plus, she really helped him with mastering the powers of darkness along with teaching him how to master the powers of darkness, clothing, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a blazing passion because he tried to destroy the many clothes they've made and taken out of spite to satisfy his need to cruelly humiliate, torture, and kill Lincoln, and the moron got thrown in jail for five months.

Next up is Becca Chang's day to shine and we're going to take down that Unibrow Terror, BECKY!

See you all next time!

DODGEBALL MAYHEM

BECKY THE UNIBROW DODGEBALL TERROR IS GOING TO BE PUT IN HER PLACE

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to Great Lakes City, but as he was flying, he saw someone he hoped never to see again: it was our old enemy, the Unibrow Terror and absolute pest, Becky Blickensderfer, she's broken out of The Charon Reform School and has come back yet again for revenge. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got some serious trouble.

Lincoln explained everything, and his harem were horrified.

Ronnie Anne: What?! Becky's back again?!

Nikki: That pest, she seriously doesn't know when to quit! She's just like Minoru Ono!

Lincoln: I know. Tomorrow, we're telling everyone about this, and that includes Syd, Mrs. Chang, Mr. Chang, Casey, Sameer, and Laird.

Margarita: (Spanish Accent) Ay, I thought we wouldn't have to deal with that little monster ever again.

Ronnie Anne: Unfortunately, we all know she doesn't know when to give up. Well, she's just sealed her own doom.

Lincoln: That's for sure. We're gonna tell everyone about this in the morning, and when they hear of it, they're gonna be pissed.

Lincoln and his harem went back to sleep. Then, as morning came,

Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to Great Lakes City.

Then, Lincoln went on to explain that as he was flying, he saw someone he hoped never to see again: it was our old enemy, the Unibrow Terror and absolute pest, Becky Blickensderfer, she's broken out of The Charon Reform School and has come back yet again for revenge.

Me: What the Hell?!

Nico: That little...! How the heck did that Unibrow Terror escape?!

King Kai: (Telepathically) I think I can explain that one: Becky attacked the guards with boulders as dodgeballs and they got put in a coma, and then, that filthy animal also broke out Artie and Trent, Chandler's former minions along with Dodge and the other Great Lakes City Dodgeball bullies, and they came back to Great Lakes City to get revenge yet again on you.

Laney: I knew Artie and Trent wouldn't stay away as well and they'd come back for revenge as well.

Ronnie Anne: And I knew she'd also break out Dodge and the other Dodgeball bullies from Great Lakes City as well. So, now the trouble's really increased.

Lincoln: Yes, but now, I'm done trying to have them reformed, those miserable terrors have plagued us for the final time, it ends here and now. It's obvious those terrors were never going to be reformed and were just going to be vengeful thugs, so I'm going to have them imprisoned forever in gold.

King Kai: (Telepathically) That'll serve those terrors right. And we also got big trouble in Hymeno Ran's, kingdom, Ishabana, it appears Ivan Ooze is back, and I also found the last remaining legion of Sergio's thugs as well!

WE GASPED!

Hymeno: Ivan Ooze, isn't he...?

Tommy Oliver: Yep, another of our main enemies.

Me: He was a dangerous being that the Mighty Morphin Power Rangers faced back in 1995 and he almost won.

Ronnie Anne: And you also found the last remaining legion of Sergio's thugs?! But, I thought...!

Lincoln: Seems like they knew Sergio wound up getting The Black Abyss forever, and they chose to hide in Hymeno's kingdom. But, this also means we're going to meet the last four members of The International Clan of The Coopers.

Selena Sly Cooper: And once they snatch the loot from the last remaining legion of Sergio's thugs, you can absorb them, Lincoln, and then, we get after Ivan Ooze.

Me: Finally, we're gonna make sure Ivan Ooze dies here and now, and he'll never ever come back. Plus, it'll serve as another warning to Lord Zedd.

Nico: Now, you're talking.

Lincoln: And I got more surprises in store for his foot soldiers after we meet the last four members of The International Clan of The Coopers and I absorb the last remaining legion of Sergio's thugs. Thanks for the heads up, King Kai.

King Kai: (Telepathically) Any time.

Lincoln: Alright, now let's finish our breakfast and head for Ishabana.

Nico: Right.

Becca woke up to see Sandile starring at her.

Sandile: Morning Becca! Time for breakfast!

Becca: All right! Lets make this a day for a Zoo Queen.

She went and got dressed and went to the table and she was having steaks, sausage and fish.

She was hungry.

We finished our breakfast, and we headed out to Ishabana to meet the last four members of The International Clan of The Coopers, and after Lincoln absorbs the last remaining legion of Sergio's thugs, we're going after Ivan Ooze and we're gonna destroy him forever and send him straight to The Black Abyss.

Me: Always fun to see Ishabana.

Hymeno Ran: Good to be back in my kingdom.

Camie: It's pretty and awesome.

Ymir: It sure is.

Rarity: I always loved this kingdom darlings. Just as amazing as Canterlot.

Varie: It sure is.

Lola: I'll say.

Lana: Yeah this is always a fun place.

Nico: Aqua Man, I want to thank you, Optic Sunflower, and your teams for coming

Aqua Man: Not a problem Nico. This is gonna be fun.

Wendy Kaioh: I'm ready for it.

Nico: Wendy, what do you like to do in your free time?

Wendy Kaioh: I like to teach at the high school in science about the beautiful traits of the planet Neptune.

Me: Neptune is always an amazing planet.

Qin: It sure is.

Me: Yeah.

Nico: That is cool.

Lisa Loud: Indeed and I find it fun too.

Nico: That's a good job to have.

Wendy Kaioh: It sure is.

Me: Yeah learning about all the planets has its own rewards.

J.D. 2: It sure does and I know LOTS of planets.

Nico: WOW!

Optic Sunflower: WOW! You guys REALLY Let Aku have it! That was so epic!

Me: Boy it sure was! WOW!

Samurai Jack: At long last, Aku is finally a forgotten memory.

Me: And the big mission of the Brave 12 is complete.

Nico: He wasn't a pushover!

Me: No he wasn't! We were just 12 when we faced him the first time. Now we are thousands and have transformed into the most powerful force ever.

Camie: That is for sure! Aku was completely outmatched and outclassed.

Eli: After causing billions of years worth of pain and suffering, he is finally gone forever.

Ymir: Too true.

Laney: Thank goodness.

Hymeno: Yeah no kidding there. Azulongmon's Akuma was a SCARY one!

Nico: He sure was!

Lincoln: INTENSELY electrifying!

Nico: It was very big!

Me: No kidding!

Qin: WOW! And that was just of the Sovereign Digimon Akumas! I hate to imagine what the others are like.

Ymir: Me too!

Lola: Yeah no kidding.

Me: We'll find out what they are like soon.

Nico: Yeah. (LOUD BELCH)

Nico belched out intense fire!

Nico: (GROANS) Nasty heartburn! That restaurant really gave me heartburn.

Laney: Here Nico.

Laney got out some antacid pills and gave them to Nico.

Nico: Oh Thanks Laney.

He took them and was much better.

Nico: Ahh. But J.D. that restaurant we went to was really awesome.

Me: It sure was!

Nico: Anyone else still breathing fire?

Firestorm Shimmer: (LOUD BELCH)

Firestorm Shimmer was breathing fire!

Firestorm Shimmer: (GROANS) I am.

Laney gave Antacid to her and was better.

Nico: Boy that restaurant REALLY made many of us breath fire.

Eddy: Not Chowder Lethal Firebreathing fire power but just enough to give us REALLY NASTY heartburn!

Xenia: No kidding there!

Hymeno: That was the hottest food I've had in a long time.

Me: No kidding Hymemo. Wow.

Lana: We loved it though.

Nico: We sure did.

We saw the kingdom doing well.

Hymeno: So glad the kingdom is doing well.

Me: It sure is.

Hymeno: Yeah.

Hymeno noticed a scar on Lana's arm.

Hymeno: (GASP) Lana what happened to your arm?

Lana: Oh this? Lola and I got into a nasty fight and she stabbed me with a pair of scissors.

Lola: And I completely regret doing that!

Natilee: I remember that! They were fighting really bad and we took Lana to get stitches.

Horsea: When was this?

Me: Oh it was when we discovered the Dark Orbs and found out what they were doing to everyone.

Nico: You mean when we found out about them when Clayton came back?

Me: Exactly.

Horsea: Oh man!

Lana: Yeah.

Hymeno: Oh man. Dark Chase Young's Essence really made her do that to you?

Lana: Yeah it did.

Me: That jerk will soon pay for it.

Horsea: So it was a few years ago?

Me: Sometime back in 2019.

Lana: Yeah.

Horsea: Oh.

Ymir: That must've really hurt.

Lana: It did.

Natilee: Yeah it did. Lana had to wear a cast.

Nico: Ouch.

Lana: But it was a long time ago. I forgave Lola.

Horsea: That's good

Me: Yep.

We walked around.

Me: Ah, we're here in Ishabana.

Hymeno: It's good to be back.

Lincoln: It's amazing that Chikyu and the Kingdoms have merged with Earth, and everyone here is able to see the kingdoms for themselves.

Me: Yep they sure are. And now Earth is just as good a home for the people of Chikyu.

Gira: It sure is.

Me: Yep.

I then stepped on a bottle and tripped!

Me: WHOA!

CRASH!

I fell on the ground!

Me: OW!

Nico: You okay?

Me: Yeah I'll be alright.

Gira: Who put that there?!

Me: Someone who likes to litter!

I was about to get up but then my hand landed in something gross.

SQUISH!

Me: HUH?

I looked and saw that it was in purple slime!

Me: Huh? EW!

Nico: Where did that come from?

Me: No idea but this slime is disgusting.

Poliwag was about to lick it.

Nico picked him up.

Nico: Poliwag don't lick that, you don't know where that's been.

It was really sticky.

Me: This is disgusting slime. Wait I've seen this before. It's OOZE!

Nico: OOZE?!

Taro: So he's back?

Me: Yep just like Lincoln Predicted. And I sense he's not alone too.

Lincoln: (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings and the beams of light forced out the last remaining legion of Sergio's hired thugs and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,
large and muscular men also came out, these guys are bodybuilders, and they're also part of the last remaining legion of Sergio's thugs.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it!

Lincoln: You should've stayed gone for good, but you decided to cause trouble here in Ishabana, and you won't be able to report back to your boss because he's dead and gone. Nor will the rest of your friends for you will not live much longer.

Sergio Thug: YOU'RE GONNA PAY FOR WHAT YOU DID TO THE BOSS!

Suddenly, their loot was stolen.

Sergio Thug: Hey, our loot!

?: (Scottish Accent) Aye, it's our loot now!

Suddenly, we saw the last four members of The International Clan of The Coopers.

Lincoln: Carina Beethoven Cooper, Siobhan McLoud McCooper, Selen Al-Kuupar Cooper, and Emilia Hoffman Cooper.

Carina Beethoven Cooper: (Austrian Accent) Good to see you again, Lincoln.

Siobhan McLoud McCooper: (Scottish Accent) Aye, and you've really really grown taller, stronger, and even more muscular than ever!

Selen Al-Kuupar: (Indian Accent) And we already know Ivan Ooze is here on Ishabana, so we're all ready for him.

Emilia Hoffman Cooper: (German Accent) But, first, time to take care of the last bit of Sergio's mess.

Lincoln: Already on it.

Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo behind his head and four orbiting large gold rings on each corner of the halo glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss forever and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Sergio Bodybuilder Thug: You're gonna pay for what you did absorbing our friends!

Lincoln: Your friends deserved it for obeying the orders of that stupid rat with wings, and now, it's your turn.

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo behind his head and four orbiting large gold rings on each corner of the halo glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their speedos and he drained their souls of energy and sent them to The Black Abyss for good and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Nico: And that is it for the last bit of Sergio's mess.

Lincoln: Yep.

Siobhan McLoud McCooper: (Scottish Accent) And take a look at the loot we stole from them.

They took out massive bags full of gold, jewels, gems, and other currencies.

Me: Awesome.

Sly Cooper: Nice one.

We then put the stolen loot into our vault.

Nico: Now, for the introductions.

Anna Anyanova: Of course. The first girl is Carina Beethoven Cooper, The Bird Mage of Vienna of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Vienna and a master of history and the knows all about the long and amazing history of her family and the Cooper Clan and how they go back to 12,000 years ago. She is also a master of nature and water and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Austria and she helped him on lots of dangerous jobs. She's known as The Bird Mage of Vienna and uses a powerful call of the birds to bring in huge flocks of birds and she blends in with them and has them steal from her enemies. She uses this to steal from corrupt politicians and lawmen and nobleman. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Carina came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of birds, nature, water, and history, and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Carina Beethoven Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Fluttershy: Amazing.

Eman Reynolds: The second girl is Siobhan McLoud McCooper, The Celtic Charmer of Scotland of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Scotland and an amazing friend of the McLouds and the Loud family and an amazing force of nature with the powers of earth and nature and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Scotland and she helped him on lots of dangerous jobs. She's known as The Celtic Charmer of Scotland and she is called this because she uses powerful Celtic Magic to have her enemies fall asleep and she steals all their valuables when they aren't looking. She goes after corrupt cops, lawmen and nobleman. But her favorite target is the evil McLaughlin Family and she hates that family with a vengeance an vowed to bring that entire family to justice for the crimes and atrocities they committed against the Louds and their ancestors especially Morag. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Siobhan came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of nature and earth, and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Siobhan McLoud McCooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Nico: And the time to seek vengeance on Morag is about to come, Lincoln's big day is on May 7th, Siobhan. And there's also some people who wish to see you.

Suddenly, Siobhan McLoud McCooper was met by Lachlan McLoud and the entire McLoud family.

Siobhan McLoud McCooper: (Scottish Accent) Bless me bagpipes, the McLoud Family of Loch Loud?!

Lachlan McLoud: (Scottish Accent) Yes, Siobhan, we're back after 403 years.

Lincoln: We resurrected them after we got rid of Team Dark Phoenix Storm three years ago.

Siobhan McLoud McCooper: (Scottish Accent) And we also know that Dark Chase Young was the monster responsible for everything bad that happened to you, Lincoln. When Kimiko's big day comes, we are all going to end him forever!

Selene Emperyous: That's for sure. Anyways, the third girl is Selen Al-Kuupar Cooper, The Flower Mage of Mecca of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Saudi Arabia and a master of nature and a powerful thief and she uses flowers and nature as her power and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Saudi Arabia and she helped him on lots of dangerous jobs. She's known as The Flower Mage of Mecca and uses flowers and nature to steal from her enemies. Especially corrupt shiekhs and emperors of Saudi Arabia. She goes after Corrupt Shiekhs, lawmen and more and steals al their valuables. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Selen came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of flowers and nature, and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Selen Al-Kuupar Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: I remembered hearing that a lot of corrupt Shiekhs and emperors in Saudi Arabia had gotten all their loot swiped in the course of 1,001 nights, so that was...?!

Sly Cooper: (Smirks) That was Selen.

Nebula Lanaia: I remembered that all too well, and even I was stunned Lincoln also had Guardian Angels who are also members of your family, Sly, and soon, our family and yours will become one.

Anna Anyanova: That's for sure. And the fourth girl is Emilia Hoffman Cooper, The Phantom of Berlin of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Germany and masterful chocolate maker and sausage chef as well as an amazing beer maker and a very well known maker of cuckoo clocks from Bavaria and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Austria and she helped him on lots of dangerous jobs. She's known as The Phantom of Berlin because she uses the shadow of darkness to swoop in and steal all of her enemies valuables from them when they aren't looking. She goes after corrupt politicians, lawmen and more. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. Hunter: (German Accent) I remembered hearing that a dark shadow had stolen the valuables of the most dangerous criminals in Germany a few years ago, so that was you!

Emilia Hoffman Cooper: (German Accent) Correct.

Brittney: Still, I am also really stunned that Lincoln learned all the skills and powers from the entire International Clan of The Coopers, so that explains how he was THAT good at swiping Flip's loot and other stolen goods! Now, I am really floored.

Selena Sly Cooper: He'd stolen a lot of Flip's ill-gotten loot and other stolen goods in the past and got them back to those he'd swindled, and that mutant had gotten sent to prison again after Lincoln gave the cops the evidence of Flip's swindles and thefts.

Me: That mutant!

Nebula Lanaia: I've always hated Flip even before any of my other siblings were born, and I swore to bring him and his entire damned family straight to prison for what they've done.

Lincoln: Well, we sent Flip to The Black Abyss forever along with his cousin, brother, and every last member of his family.

Siobhan McLoud McCooper: (Scottish Accent) Good riddance to that mutant.

Selena Sly Cooper: And now, all of us are together once again.

Me: Yep.

Lincoln: Now, then, it's time to get down to business. We're here in Ishabana, and just as King Kai warned us, our old enemy, Ivan Ooze, is back from the dead, and he still wants revenge on us.

Me: Just as he told us.

Nico: Ivan has got some nerve to come back again. That guy is like a rash that doesn't go away!

Lincoln: Well, either way, he's going to be put down again, and this time, we're sending his slimy butt to The Black Abyss forever.

Eli: That's for sure. He doesn't deserve to live again.

The rest of the team's with us.

Tommy Oliver: We'll make sure of that, we've had it with Ivan, this time, he dies for good.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent a general after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another demon general after us?!

Nico: And now that those snakes are freed from Hell, they're free to come after us once again.

Lincoln: We're more than ready for those pack of snakes, and we'll send them running back to Hell for good by absorbing their next demon general and drain his soul and send him to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his fifty massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Ivan Ooze) AHA! Gotcha, you son of a bitch! I just spotted Ivan Ooze, he's 20 yards away, but he's heading right for us!

Nico: Let's get that son of a bitch!

Lincoln: (Sensed the next demon general) And the next demon general sent by those snakes is also coming right for us, but the best part, those snakes are going to watch as their next demon general is also absorbed by me.

Me: (Smirks) That'll piss them off big time.

Nico: (Smirks) Here's hoping they get another asskicking while trapped in Hell.

Cozy Glow heard a Pokemon Cry.

Cozy Glow: Hey guys look!

We saw a Salandit!

Me: Whoa a Salandit!

Mallow: That's one of Team Skull's pokemon!

Eli: I don't sense any Team Skull's dirtbags here so this one must be a lone one.

Me: Yeah.

Salandit: I'm not with Team Skull thankfully.

Coyz Glow: Aww you hungry?

Salandit: I sure am.

Cozy Glow gave it food and she ate it.

Salandit: Thank you.

Cozy Glow: You're welcome. Wanna come with me?

Salandit: Sure!

Me: Awesome!

But then...

(RUMBLE)

Then...

MAY SCREAMED AND SHE WAS BEING MERCILESSLY THRASHED BY A MEGA PRIMEAPE IN A BRUTAL FIGHTCLOUD!

Me: WHAT THE FUCK!

POW BIFF BASH SMASH WHAM BAM BAP BOOF WHAM BOP ZONK!

SHE WAS REALLY GETTING MASHED!

Me: A Mega Primeape!

Nico: MAY!

I grabbed it and pulled it off her!

Me: MAN WHAT A STRONG ONE!

I blocked its punches!

Laney formed vines and tied it up.

May was REALLY BEAT UP BAD!

Me: HOLY SHIT! May you got really pulverized!

Ronnie Anne: Wait I know this Mega Primeape! It's my friend Megan!

Me: Lets go help her then!

We went over to her!

Ronnie Anne: Megan it's okay. It's me Ronnie Anne!

Horsea: Oh crap. It's gonna attack me, isn't it?!

Laney: No my vines are holding her and they are as strong as Adamantium.

Nico: Wow!

May: (Dazed and Stupid) Mommy read me the story of the bunny and the pickles.

Qin: Boy she really hit her hard!

May spit out some teeth and blood.

Horsea: Not so tough now, are you?!

It roared and broke out of the vines and then charged and me and Ronnie Anne Punched her!

POW!

I snapped my fingers and she reverted back and was a girl with blond hair and red eyes and had white and yellow angel wings and had Mega Primeape on her forehead and a Dodgeball with 2 boxing gloves on her arm as a cutie mark and we wrapped her in a blanket. But she had a REALLY NASTY Black Eye.

Nico: OOH!

Me: Man I hope we didn't hit her too hard!

Varie was healing May.

Varie: Man she did a number on you.

May: Ouch.

She woke up and saw Ronnie Anne.

Ronnie Anne: Megan? Are you okay?

Megan: Ronnie Anne? Ronnie Anne! (Hugs her) It is you!

Ronnie Anne: Good to see you.

Megan: I'm glad I found you. What happened?

Me: You were turned into a Mega Primeape by Dark Gale and you beat the living shit out of May.

Megan: (GASP) Oh man! I'm sorry May.

May: (Smiles and 4 of her teeth are missing)

Nico: I'll get your teeth back.

Rita: Thank goodness those were baby teeth.

May: (Lisping) Thank goodness. I'm sure the Tooth Fairy will give me some good money for them.

Lisa Loud: Now May has a temporary lisp.

Me: Ouch.

Nico got May's Teeth.

Megan: But I remember what happened.

She was in a brown suit and injected and she was turned into a Mega Primeape and she went APESHIT ON THE DARK GALE BASE AND BEAT THE LIVING SHIT OUT OF THEM! AND RAN!

FLASHBACK ENDS

Megan: It was awful.

Me: I know but we destroyed Dark Gale forever. They are gone now.

Ronnie Anne: It's true.

Megan: Yeah. Also I work for Sonya's Team as a trainer and get them in shape. But outside the team I am a Dodgeball Master and coach.

Me: Wow! We are great at dodgeball ourselves too.

Megan: I heard. Also I'm glad I found you guys. I need your help. It's my little sister Becky.

Me: What about her? Becky is a monster.

Ronnie Anne: Megan is actually Megan Blickensderfer. She is Becky's older sister!

We gasped in shock!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Horsea: Your sister is going to jail!

Megan Blickensderfer: No please! Hear me out!

Me: Let her talk guys! She sounds desperate.

Nico put his skeleton back.

Nico: I hate it when that happens.

Megan Blickensderfer: My sister is not herself. Back in 2017, I noticed my sister being extremely violent and dangerous to everyone in Great Lakes City and I saw that she was doing all kinds of horrible things. I sensed terrible brainwave patterns that were not hers and she was like trying to fight off some kind of evil force inside her.

Jared: Oh man! I think I know who it is! It has to be Dark Chase Young!

Megan Blickensderfer: You mean that immortal monster that was causing hundreds of years of pain to Lincoln and his family because of the prophecy!?

Me: The very same. But it wasn't just him and his family. Countless others were affected. Long story.

Megan Blickensderfer: Oh man! I got to tell mom about this!

Rarity: Lets get you some new clothes darling.

The Fashion brigade gave her new aqua blue sports clothes.

Megan Blickensderfer: I look awesome.

Rainbow Dash: You sure do.

Kevin: Meeting you is very coincidental considering I got a Mega Primeape yesterday.

Megan Blickensderfer: That is cool!

Mega Primeape: You and I are gonna get along awesome and great.

Megan Blickensderfer: That is sure true.

Nico: Yep. Now it's time for Ooze.

Megan Blickensderfer: Oh man! You mean that purple slime freak?

Me: Yep. His snot is here.

I showed it on my hand.

Megan Blickensderfer: Yuck.

We then took off into the air to destroy Ivan Ooze and send him to The Black Abyss and send the next demon general sent by The Order of The Dark Universe and The Dark Church of Malphas to The Black Abyss as well.

We were flying in the air, and we saw our target: IVAN OOZE, AND BOY, HE WAS OUT FOR BLOOD BIG TIME! PLUS, WE SAW A MASSIVE ARMY OF OOZEMEN WITH HIM!

Ivan Ooze: CHARGE! SOON, EVERY LAST LIVING THING ON EARTH WILL BOW BEFORE ME! AND I WILL FINALLY HAVE MY REVENGE ON TEAM LOUD PHOENIX STORM AND THOSE MISERABLE RANGERS!

Caleb Maxwell: (GROWLS) You goddamn...! I'm gonna tear his head off and send him straight to Hell.

Lincoln: Not with his men running loose. (Smirks) Now then, let's give him our surprise. Andre?

Me: Wait let me get the entrance going. I want you to be in for a treat.

Nico: Okay.

I flew down to him.

I landed and Ooze saw me.

Me: Hello Ivan. Long time no punch even though it was only less than a year ago. I'm Surprised Anti-Monitor brought you back.

Ivan Ooze: He appreciated my talents. How did you like that bottle I put?

Me: Wait that was you that put that bottle there!? And your slime is on my hand! It's gross!

Ivan Ooze: Yes but it's fun!

Me: YUCK! But I'm afraid your time back is gonna be short lived. I'm going to kill you like I did before.

Ivan Ooze: You and what army?

Me: Me and THIS ARMY!

Andre Lupescu charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS IVAN OOZE AS HE AND HIS OOZEMEN ARMY WERE SENT INTO THE AIR AND HE ALSO GOT BURNED BAD!

Andre Lupescu came back to us before Ivan Ooze could recover quick and he was super pissed off and we landed.

Nico: You've got a lot of nerve coming back again, Ivan, you're a headache that just won't go away.

Ivan Ooze: I will never stop not until I have finally gotten my revenge on all of you!

Caleb Maxwell: Oh, shut the Hell up already! You're giving me a goddamn headache with your stupid whining and complaining! You've always been nothing more than a heartless powerhungry bastard out to conquer the world, but in the end, you got beaten by a bunch of heroes and got sent to a place far worse than Hell!

Ivan Ooze: SHUT UP! SHUT UP! SHUT UP! KILL THEM! KILL THEM ALL!

The Oozemen armies charged at us!

Allie Maxwell: Caleb, I'm gonna kill you for this, you psychotic maniac!

Lincoln: Now, now, if anything, your brother really pissed Ivan off big time. Now, to unveil one of my big surprises.

Lincoln formed black energy balls with writhing tentacles around them and purple eldritch runes and eyes around them from his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings and he fired them at the Oozemen armies, and then, the black energy balls hit the Oozemen armies, and the Oozemen suddenly had their life energy sucked out of them and they flowed into Lincoln as he grew even stronger than ever, and they dissolved into ooze.

Me: What the?! Oh man! Wait, you didn't use a Lovecraftian Curse for them?

Lincoln: Nope. You see after I'd gotten The Tome of Lovecraftian Magic and studied all its dark magic and harnessed its vast dark powers and dark magic, I not only became a master of all Lovecraftian magic and the Lovecraftian Curses, but I'd accidentally gained all the vast powers of The Outer Gods in Lovecraft's works: Godly powers, Madness inducement, Dimensional travel, Space travel, Ability to unleash or influence all forms of cataclysm at their command, Pure immortality, Cosmic influence, Essokinesis/reality warping, Chronokinesis/time warping, Spatiokinesis/space warping, Omnipotence, limitless strength, illusion creating, regeneration, chaos manipulation and the powers of chaos, Precognition, Matter manipulation, Elemental manipulation, Invulnerability along with invincibility, and many other powers of the Outer Gods individually, along with the vast powers of all the Great Old Ones in Lovecraft's works: Godly powers, Madness induction, Unpredictability, Cosmic influence and manipulation, Various methods of manifestation, Immortality, Ability to unleash cataclysm, dream manipulation, telepathy, elemental manipulation, various forms of dark forbidden magic, and many other powers of the Great Old Ones individually.

WE GASPED IN SHOCK AND AWE!

Me: OH MAN!

Varya Pohzar: We were also stunned ourselves.

Claire Monroe: Same with me, Varya, and the Embodiments of The Lovecraft Mythos Gods.

Ivan Ooze: No! No, this can't be! No human can be able to harness all of their vast immense dark godly powers!

Lincoln: (Smirks) Well, I'm not human, I am a God among men, but I'm also a True Alpha Werewolf-Vampire Hybrid with the incredible powers of both of them along with the blood of many mythical creatures flowing in my veins.

Lincoln manifested a writhing mass of black tentacles from the ground and they attacked Ivan Ooze with undeniable fury and they also latched onto more Oozemen and sucked the vitality and life out of them which also flowed into Lincoln making him even stronger than ever.

He summoned more OOZEMEN!

Me: Oh yeah? Watch this!

I used the Abarangers gear and got the quill and drew a HUGE

ANVIL over them! I pointed up and they looked and saw the anvil fall.

Oozemen: UH OH!

KRASPLAT!

THEY GOT SQUISHED AND WE GOT DRENCHED IN OOZE! YUCK!

Me: OH SICK!

Qin: YUCK!

We cleaned off.

Salandit charged at him and blasted him.

Ivan Ooze: My turn!

He fired a blast of purple lightning and I snapped my fingers and then Lord Zedd appeared and it hit him and he was TRAPPED IN A SNOWGLOBE!

I picked it up.

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a 12'5" extremely muscular male demon with curved horns on his head and massive black fallen angel wings and dressed only in black shorts and loincloth and carrying a massive demonic greatsword came out along with many other demons.

Cocytus Malefic: Oh great, they sent another demon general of Hell to attack us, and he also has his army with him.

Lincoln: Time to put an end to this.

The demon general charged at us, but Lincoln charged at him and he really trashed the hulking demon general as he punched and kicked him and slashed at him all over the place, and he was really working up a sweat, and finally, he knocked the demon general down.

Then, Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of the demon general, and he began absorbing him and he assimilated his massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the demon general except for his loincloth and shorts and Lincoln drained the demon general's soul of energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Me: Nice one, Lincoln!

Nico: Way to teach that demon a lesson.

That made the demon general's men angry, but then, Lincoln's massive white angel wings and fifty sets of large white angel wings underneath his massive white angel wings spread out, and then...!

Lincoln: (SAVAGE LOUD WOLF ROAR)

Lincoln let out a savage loud wolf roar and that caused the men to slit their own throats and they killed themselves and they were sent back to Hell.

Me: WHOA!

Nico: Oh man, Lincoln caused them to commit suicide and they were sent back to Hell by roaring at them! Talk about intimidation to the core!

Back in Hell, seeing what happened to their next demon general getting taken down and absorbed by Lincoln and the soldiers of Samael committing suicide and sent back to Hell royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC AND CAUSED SO MUCH HAVOC IN HELL, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S

SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Then, the barrier deactivated and Caleb then lands and rejoins us.

Ivan Ooze was riddled with bullets and he screamed angrily at us, and Lincoln roared at him with bestial fury and fired blasts of energy from the eyes on the shoulder blades of his massive white angel wings and forty-nine sets of massive white angel wings underneath his massive white angel wings and they hit Ivan Ooze and he got pulverized.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Andre Lupescu, Red Savarin, Robin Hood, Rayman, Amelia Waikiki, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked Evil Sasuke hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Ivan Ooze even angrier than ever.

Suddenly, Lincoln's massive white angel wings and forty-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Ivan Ooze, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Ivan Ooze, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It's over, begone forever, Ivan Ooze! VOLCANO LAVA STORM KAMEHAMEHA!

Lincoln formed a massive orange Kamehameha energy wave with lava surrounding it in his left hand and fired it at Ivan Ooze who tried to fight back, but he couldn't and he got seriously burned by the intense lava and the Monitor Orb embedded in his forehead shattered and we gained a massive power boost and the energy wave was sent flying into space with Ivan Ooze as well, and then...!

KRABOOM!

THE ENERGY WAVE EXPLODED WITH SUCH INCREDIBLE POWER, AND IVAN OOZE DISINTEGRATED INTO NOTHING AND HIS SOUL WAS SENT TO THE BLACK ABYSS FOREVER!

We cheered as we holstered our weapons and we powered down, and Amelia Waikiki's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large crimson red planets orbiting around her legs, thirty-five smaller crimson red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized crimson red planets orbiting around her wrists and ankles, and her massive crimson red angel wings and twenty-four sets of large crimson red angel wings underneath her massive crimson red angel wings are permanent.

Pele: That was truly amazing work.

Amelia Waikiki: Thank you, Mother.

Lincoln: We really made Ivan Ooze face the wrath of the volcanoes, and now, he's gone forever and he's never coming back.

Me: That's for sure. You really unleashed the fury of the volcanoes on him.

Nico: He and his men got what they deserved, and it sent a message to Lord Zedd.

Caleb Maxwell: How annoying.

BANG!

Caleb Maxwell fired a bullet and it hit Lord Zedd who was in the Book of Vile Darkness and he got hit in the stomach and he screamed in pain

Caleb Maxwell: AND IF I SEE YOUR UGLY ASS IN THE SHADOWS AGAIN, NEXT BULLET I FIRE WILL BE THROUGH YOUR HEAD!

Me: Yeesh.

Nico: Damn, you really enjoy pissing villains off.

Allie Maxwell: It's a bad habit of his.

Lincoln: And a notoriously bad one.

Manaphy: Are you okay, Mama?

May: Yeah my teeth grew back and my wounds healed.

Nico: Good.

Laney: Awesome.

Salandil: I thought so too. Man now we've seen the last of Ivan Ooze.

Camie: That is for sure!

Varie: Yeah!

Cozy Glow: I'll say! (Wipes ooze off) YUCK!

Nico: You said it!

Me: Yep.

Poromon: Want some beer Salandil?

Salandil: Ooh sure! Got any pineapple flavor?

Poromon: YAY! Let me see.

He looked and saw that he had Pineapple Upside Down Cake beer.

Poromon: Here you go!

Salandil: Ooh Pineapple Upside Down Cake flavor.

She drank it and it was good.

Salandil: Ahh. (BARNEY GUMBLE BELCH)

Barney: Welcome to the party! (BELCH)

We laughed!

Salandil got drunk!

Salandil: (HIC) (SINGING) NOBODY KNOWS! (HIC BURP) HOW DRY I AM! (HIC BURP) NOBODY KNOWS! (HIC BURP) HOW DRY I AM! (BELCH HIC)

WE LAUGHED!

Me: Nice!

I reverted her back.

Poromon: We're going out later.

Me: Okay. Where to?

Poromon: The zoo. It's gonna be fun.

Me: As long as we go with. Also Becca will be happy having you there.

Becca: I agree. It's my day after all.

Me: Yep.

Megan Blickensderfer: From the bottom of my heart, I am truly sorry about everything my sister has done. But it's not her fault! She is not herself.

Me: I know Megan. We'll help her.

Megan Blickensderfer: I know she did wrong but she doesn't deserve the Black Abyss.

Me: Whoa whoa Megan we're not going to banish her to the Black Abyss. She is not worth killing and it's against our code.

Lincoln: Yeah. Besides if it is Dark Chase Young that is responsible for it then we'll send her dark side to prison.

Camie: Yeah.

Megan Blickensderfer: Thank you!

Nico: Oh, Aqua Man, what do you like to do in your free time?

Aqua Man: I work as an aquarium robot. I work with the fish and help keep them fed and happy.

Me: Cool! Always love the Aquarium.

Poromon: Me too.

Sirius: I like working at the Aquarium too. My quirk allows me to breathe underwater as well too.

Varie: Cool. You would be awesome for being part of the Neptune Crusaders.

Sirius: I sure would. Also I forgot to mention that.

Nico: No worries there.

Lincoln: (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of

them is Another Becca Chang.

Me: So we got Another Optic Sunflower, Gormess, The Big One, Pterax, Deep Sea Fisherman Dezzle, and Snake Mysterious Beast Hebyusa.

Nico: WHOA!

Qin: Yep.

Me: So Aqua Man, Wendy Kaioh, Charlotte Felson, Miko Water, Melanie Ageha and Aqua Mariana are up.

Nico: Yep.

Eli: (GASPS) Oh crap, I sense some foot soldier Anothers, and they're none other than Carly Elextor, Renee Sauron, Heather Yulinova, Laura Cavenstein, Sonya Nexcrota, Kendra Textington, Georgia Thunderton, Xena Vola Dappra, and Talia Tornadora.

Selena Mendez: (GASPS) The twin sisters of Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora.

Solla Nexcrota: Our sisters, but how? They were murdered by Sebastian when he had The Black Ooze of The Eldritch inside him.

Sakura Knudson: Wait a second, I remembered seeing them when I was with Swartz. Six years ago, a black cloaked figure brought them back from the dead, but he had the stink of The Black Ooze of The Eldritch, and he had them put under his control to do his dirty work.

Qin: That was Sebastian when he was still under The Black Ooze of The Eldritch at that time!

Me: We got to save them.

Lincoln: And we will, J.D., but this also means those snakes are so dead when May 5th comes.

The Anothers arrived.

Caleb Maxwell: So, you've arrived, and you can get out of the suits.

The Anothers changed back, and they were Carly Elextor, Renee Sauron, Heather Yulinova, Laura Cavenstein, Sonya Nexcrota, Kendra Textington, Georgia Thunderton, Xena Vola Dappra, and Talia Tornadora, the twin sisters of Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora who were killed by Sebastian who was under The Black Ooze of The Eldritch years ago, but they had red eyes and black sclera and were under the control of those snakes.

Carly Elextor, Renee Sauron, Heather Yulinova, Laura Cavenstein, Sonya Nexcrota, Kendra Textington, Georgia Thunderton, Xena Vola Dappra, and Talia Tornadora: (Monotone Voice) We must destroy you all in the name of The Dark Lord, Malphas.

Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora: Lincoln.

Lincoln: Already on it.

Lincoln fired nine beams of purifying light that hit Carly Elextor, Renee Sauron, Heather Yulinova, Laura Cavenstein, Sonya Nexcrota, Kendra Textington, Georgia Thunderton, Xena Vola Dappra, and Talia Tornadora and freed them from the control of Dark Sebastian and those snakes.

Nico: Now for the main event.

Xenia: Yep.

Nico: There they are!

We saw Another Gormess, The Big One, Pterax, Deep Sea Fisherman Dezzle, and Snake Mysterious Beast Hebyusa!

Me: WHOA! This will be fun!

Another Gormess: (In a girls voice) It sure will be.

They reverted back and we saw that they were the gene-slammers of Allure Queen Level 7, Crystal Seer, Shadowpriestess of Ohm, Dark Eradicator Warlock and Emissary of The Oasis.

Nico: (GASP) Aylene Allure, Sarah Crystal, Olivia Ohm, Magica Eras and Orla Oasis!

Orla Oasis: Good to see you Nico.

Me: Whoa! The gene-slammers of Allure Queen Level 7, Crystal Seer, Shadowpriestess of Ohm, Dark Eradicator Warlock and Emissary of The Oasis!

Olivia Ohm: That's right!

Sarah Crystal: It's awesome to be this too.

Me: Yep. By the way girls are the Another Optic Sunflower and Becca friendly or hostile?

Aylene Allure: Friendly and awesome too.

Me: Wow! Also Aylene are you...

Aylene Allure: That's right. I'm actually the daughter of Ms. Allure.

WE GASPED!

She Hulk: WHOA! Allure's daughter! That is cool!

Me: It sure is!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now, we wait.

Me: We don't have to wait long!

We saw Another Optic Sunflower and Becca!

Me: That was fast.

Nico: Yep.

Another Optic Sunflower: (In a girls voice) This is gonna be fun.

She reverted back and was the gene-slammer of Frozen Fitzgerald.

Nico: Camille Fitzgerald!

Rice: CAMILLE!

Camille Fitzgerald: RICE!

They hugged.

Camille Fitzgerald: Rice it's good to see you.

Rice: Same here. Camille is my sister and she is a master of ice and darkness. Also she has the keenest of sight ever. She can see anything from 750 miles away.

Me: WHOA! That is a long distance.

Ono: Like me as the sight member of the Lion Guard.

Jeri Katou: That is cool!

Optic Sunflower: That is for sure!

Nico: Who's your friend?

Another Becca: Release the Hounds!

Mr. Burns' dogs came and they mauled a man that was trying to steal from Hymeno's throne!

HE SCREAMED IN PAIN!

Me: Mr. Burns' Dogs!?

Fluttershy and me got them off him and it was a random thief and we caught him.

Me: Good boys.

Becca: Wait that voice!

She reverted back and was a brown hair version of Becca!

Becca: Anita!

Anita: Becca!

They went and hugged!

Syd Chang: Aunt Anita!

Adelaide: Aunt Anita!

They hugged her.

Me: Aw a family reunion.

Becca: This is my sister Anita. She is the pet trainer of the family and loves dogs and all animals like I do.

Me: Wow! Animal love runs in the family

Bart: How did you train Mr. Burns's Dogs? Those dogs mauled anyone that came to him over the years.

Me: Yeah since 1990.

Anita: I found them and nursed them back to health and they love me more than the Prime Universe version of Burns.

Kaito: (gets out Ryusoulger gear) Did Swartz promise you anything?

Zocks: (gets out Kiramager gear) Because we can grant it instead

They got weapons from said teams.

Camille Fitzgerald: No he didn't.

Anita: Because I had the hounds jump him and maul him and we ran.

Sakura Knudson: I heard dogs barking in the lab and I saw him MAULED Brutally!

Me: WHOA! Too bad that didn't kill him. I'm amazed that you trained Mr. Burns's dogs like that. I can't even begin to imagine how many people got mauled because of them.

Camie: Burns is an absolute asshole!

Ymir: YEAH! No kidding! Who is Burns again?

Me: Oh his name is Charles Montgomery Plantagenet Schicklgruber Burns and he was the richest man in all of Springfield, Oregon before we destroyed it and reduced it to a radioactive crater. Also he is one of our most HATED ENEMIES and has been a MASSIVE Thorn in both ours and the Masters of Evil's sides for years.

Nico: Yep.

Me: It's a long story.

Ymir: I'll have to hear it later.

Smithers: You're not going to like it.

Sougo: (gets out Dino Fury Ridewatch) Have you trained them to be friendly towards us?

Geiz: (gets out Kiramager Ridewatch) Because it's not our fault their former owner is a big jerk!

Sougo got DinoFuryRedArmor while Geiz got KiramaiRedArmor.

Me: Especially for all the crimes and atrocities he has committed not just to Springfield but to the entire world as well. Including us.

Anita: Yeah I made them friendly to everyone and also whenever I say Release the Hounds they only go after criminals.

Me: That line is pretty iconic in the eyes of many.

Homer: At least they aren't going after us anymore.

Me: Burns is gonna be screwed when he sees his own dogs turned against him.

Nico: Yep,.

Me: In the future we're going to destroy him. But I have something to say to him. One sec.

I pulled out my phone and called Burns.

RING!

Burns answered.

Burns: Ahoy hoy?

Me: (Falsetto) Howdy there Mr. Burns, I am a member of the big ugly donut butt stupid head ugly freak committee and we have nominated you to be president?

Mr. Burns: WHAT!? HOW DARE YOU TALK TO ME LIKE THAT! I WILL FIND YOU AND RELEASE THE HOUNDS ON YOU! I HATE YOU SO MUCH!

MY AURA FLARED UP INTENSELY!

Me: (Normal) Thanks for the power boost you old crone!

I hung up!

Then we heard a LOUD SCREAM!

Nico: (LAUGHS) That was funny!

Me: Yep.

Lincoln: Lets separate you first.

We did so.

Me: YEAH! Lets get it on!

Nico: (gets out Optic Sunflower's Ridewatch) I got my eye on you!

May: (Gets out The Big One's Ridewatch) (Imitating JKL) Every thousand years or so, the planets align in such a way that a perfect wave is formed.

SpongeBob: A perfect wave?

May: The world's biggest, fastest, longest, gnarliest, most totally awesome, perfect wave. They call it... the Big One.

WE GULPED!

Maria: (Gets out Deep Sea Fisherman Dezzle's ridewatch) I am the catch of the day!

Wendy Kaioh: (Gets out Gormess's ridewatch) Time for some mess!

They used the powers of Optic Sunflower, Gormess, The Big One, Pterax, Deep Sea Fisherman Dezzle, and Snake Mysterious Beast Hebyusa and blasted the Anothers down!

Me: YEAH!

Then Giant Slime Princess, Stag (Adventure Time), SCP 870, Ronno (X-Squad), Bambi (Drawn Together), and Bambo came.

Me: WHOA!

Nico: Nice team Giant Slime Princess!

Giant Slime Princess: Thanks!

Me: Sheep Fangire!

Sheep Fangire: I WILL FUCKING KILL YOU J.D.!

Me: Shut your fucking mouth you stained glass freak!

Ymir: YOU HAVE NO RIGHT TO SAY THAT TO MY FUTURE HUSBAND!

Nico: YEAH!

Lola: YOU JERK!

Tara Duncan: Man you Fangire are colorful and a bunch of jerks!

But then a dark crystal prison appeared and trapped the Anothers too! Then out came Evil HERO Doom Prison!

Me: WHOA! Evil HERO Doom Prison!

Nico: WHOA!

Evil HERO Doom Prison: (In a girls voice) That is one way ot catch criminals.

Nico: Rhonda Cellstone! Wow!

She reverted back and was a girl with black hair and brown eyes and had black angel wings and brown and black clothes and had Evil HERO Doom Prison on her forehead, skirt, shirt and arm and had a darkness sword.

Rhonda Cellstone: Good to see you Nico. I got this. TARTARUS CELL DOOM SKEWER!

The prison skewered the Anothers and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMM!

I caught the Ridewatches and purified them!

Qin: YEAH!

Me: Take that!

Nico: Nice job!

Rhonda Cellstone: Yeah!

J.D. 2: Wait a second. I've seen you before. You're the prison warden of the planet Arkham in the Xyphonxita IX system. That is located in the galaxy IDCS 1426.

Nicole: WHOA! That's over 10 billion lightyears from Earth.

J.D. 2: Yep and it's a scary place. It's not only named after the infamous Arkham Asylum but it's a MASSIVE planetwide City Prison planet. It's always at war with crime.

Me: Geez!

J.D. 2: Yep.

Rhonda Cellstone: And also The Joker is there and we're torturing him too.

Me: Nice! Hope that fucked up lunatic dies there.

Nico: Yeah.

Wendy Kaioh: Do you have a good memory of Nico?

Rhonda Cellstone: I sure do. When me and Nico killed the Joker from Arkham Knight and he was really fucked up!

Me: All the versions of the Joker are fucked up to the Nth Degree and they all deserve nothing but death.

Nico: Yep.

They hugged.

Nico: I've missed you.

Rhonda Cellstone: Same here.

We went back home.

We're going to find out out from Claw Dane Drake that Louie Carmine's alive and well, and was still continuing with his racket of embezzling the profits in the casinos. So, we're heading down to Las

Vegas, find Louie Carmine, and Caleb's going to kill him and send his soul straight to Hell forever.

And we got all of TLPS and The M.O.E. here.

Lincoln: Ah, we're here in Las Vegas, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but Lana's also going to win in more slots machines and clean out the casinos again, but we got a big problem: we're going after a gangster from the past of The Big Claw Gang.

Me: Wait, what?

Claw Dane Drake: It's true, and I know who that person is.

Claw Dane Drake took out the photo of a male white-furred cat with crimson red hair, crimson red tail, orange eyes, and dressed in business clothes.

Nico: Who is that?

Claw Dane Drake: His name is Louie Carmine, he's a loan shark who's been on the death list for years. I put a hit out on Louie Carmine because his informants found out this crooked loan shark was caught embezzling the profits from some of the gang's operations, and Louie Carmine went on the run before the hit men could go after him.

Panther: This was back in 1985 a day before Caleb was killed.

Claw Dane Drake: Now, we got word Louie Carmine's alive and well, and was still continuing with his racket of embezzling the profits in the casinos.

Aqua Man: So, we're heading down to Las Vegas, find Louie Carmine, and take him down.

Sally Gamble: (British Accent) Afraid the cops won't be able to arrest him because Caleb's going to kill him and send him straight to Hell forever.

Allie Maxwell: Figures.

Lana got to work winning in the slot machines, and she was really really winning!

TLPS Mr. Wolf: She's going to clean out the casino big time.

Lincoln: That's Lana for you.

Nico: At this rate, with Lana winning in slot machines, she's gonna clean out the casino in less than a split second. (Sensed some men in suits) Hey, we got trouble.

Claw Dane Drake: So, Louie found out Lana's cleaning out the casino, he hates it when someone is a threat to his operations. Better absorb them, Lincoln, before they get after Lana.

Lincoln: Already on it.

Lincoln snuck up behind Louie Carmine's men and he absorbed them leaving only their suits, and he did the same with the others as he absorbed them and left only their suits, and he also snatched the guns they had and threw them into scrolls. By the time Lincoln was done, Lana had cleaned out the casino's slot machines and is taking home all of the money she won.

Me: (WHISTLES)

Nico: Damn. This has to be the biggest amount of money you cleaned out, Lana.

Rita: Especially if it meant winning that amount of money from a nasty loan shark. We better get to him before he goes on the run.

Lincoln: We can't have that.

Suddenly, we saw our target: Louie Carmine, and he's trying to escape.

Nico: Hey, there's that piece of crap! Let's get him!

We got a move on to stop Louie Carmine, and Lincoln made an indestructible wall that blocked Louie's way out.

Andre Lupescu fired a massive wave of snow, ice, and darkness that hit Louie Carmine, and then, we joined in, and Claw Dane Drake came up to him.

Claw Dane Drake: So, you've been alive this whole time and living in hiding in Las Vegas. You should have stayed in hiding, Louie. Now, we're going to fulfill what should've happened back in 1985.

Louie Carmine: Screw you, Dane! I ain't going to die here!

But, before we could attack him again, Louie Carmine was hit by blasts of darkness, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long dark brown hair and black hair band, purple eyes, massive black angel wings, she has Witchcrafter Haine on her forehead and right arm, white short-sleeved blouse, black sleeveless strapless dress top, white gloves, black skirt with Witchcrafter Haine on it, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, sewing needles, magic, phoenixes, and angels on the coattails, and on the back is Witchcrafter Haine, she has a darkness greatsword in her right hand, and with her are the eleven girls.

Lincoln: (GASPS) Anna Walker, Avatar and Gene-Slammer of Witchcrafter Haine.

Anna Walker: That's correct, and I got the girls away from that loan shark, now we can finish him off.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Louie Carmine, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

Then, Andre Lupeau went after Louie Carmine and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, Caleb Maxwell put his gun to Louie Carmine's head, and...!

BANG!

Caleb Maxwell shot Louie Carmine in the head and sent him straight to Hell forever. We cheered as we holstered our weapons and powered down and we headed back to The World Tree Estate.

Lincoln: And that is it for Louie Carmine.

Nico: One less gangster to worry about.

Me: Still, Caleb, you didn't have any grudges against him back in 1985.

Caleb Maxwell: No, we hadn't crossed paths, but I'd known of what he'd done and I'd hoped to get him thrown in prison when I became part of the NYPD, but my time ended when I got killed in 1985.

Lincoln: Well, either way, Louie Carmine was doomed to die anyways, we just sped up the process. (To Anna Walker) And it's so good to see you again, Anna.

Anna Walker: You too, Lincoln, it's been eight years since we last met.

Suddenly, Anna Walker had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Anna Walker was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Anna Walker: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Anna Walker and hugged her, and Anna Walker is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and forty-nine other sets of large angel wings underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, fifty massive and longer brown wolf tails with rainbow markings and rainbow tips, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marcella Thornton: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 11'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and forty-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and fifty massive and long brown wolf tails with rainbow markings and rainbow tips, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Anna Walker, Avatar and Gene-Slammer of Witchcrafter Haine, she's Lincoln's Guardian Angel from Michigan and she's a powerful master of darkness, clothing, and magic. She's the Fashionista of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Anna Walker met Lincoln, and this one time, she and Lincoln created some truly beautiful clothes for the seasons, holidays, and many special occasions. Plus, she really helped him with mastering the powers of darkness along with teaching him how to master the powers of darkness, clothing, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Chandler with a blazing passion because he tried to destroy the many clothes they've made and taken out of spite to satisfy his need to cruelly humiliate, torture, and kill Lincoln, and the moron got thrown in jail for five months.

Nico: We heard about that yesterday, and that Lincoln made those special occasion clothes for J.D. and you and Leni helped him with that.

Anna Walker: Those were our greatest work.

Me: And I still wear them for special occasions and celebrations. But, I was still stunned to find out Lincoln was the one who made them long ago.

Leni: Anna and I both had our part in helping him, but this was Lincoln's greatest creation.

Luna: For sure, and Caleb was pissed off at Chandler so much so, he was about to punch him in the face yesterday until his sis threatened to kick him in the butt and send him flying to The Statue of Liberty.

Caleb Maxwell: It was utterly embarrassing to be told off by my own sister.

Roxy Drake: Can't say I blame Allie, you were a loose cannon when you came back to New York and you were out for blood.

Carter Kenrick: I almost got that close to putting you down.

Caleb Maxwell: Well, you couldn't, I became immortal and invincible, Carter, and it wasn't just getting powers from Thanatos, but I also drank Mr. Blunt's blood. I had gotten the powers and abilities of the vampires when I'd gotten my mark, but we had to drink the blood of a vampire to achieve the final gift: immortality. So, you couldn't put me down, nor could you kill me.

James Blunt: Caleb's right. Plus, he had the same training as you and the others, how could you not foresee that?

Jack Howard: That was a mistake on our part.

Cage Blunt: A mistake you learned from, but no matter, Caleb was always two steps ahead.

Jazz Jackson: And we were two steps behind him, but he wasn't our target.

Cuffs Lane: And he never left any traces.

Buffy Blain: Plus, he always comes out at night. Yet, we always see him during the daytime hours as well lurking in the shadows.

Allie Maxwell: That was until Drake did something that caused Caleb to come out of the shadows and into the daylight.

Von Lycaon: Taking advantage of the nighttime hours to hunt his prey down along with leaving no traces behind, that takes a great deal of cunning.

Captain Whitten: We trained him back then, but I hadn't expected him to use it on his crusade for revenge and retribution, I had a hand in that, I admit. But, Caleb, you always wanted to do the right thing and you still do, even if it meant getting your hands covered in blood to do it.

Lincoln: Caleb eventually took the plunge, and having nothing left to fear or lose helped him in many ways, and a lot of New York's criminals were beyond scared to death of him, they had no idea of who he was gonna kill next, and now that you're here, Anna.

Lincoln with his massive muscular arms still wrapped around Anna Walker's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and forty-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings then spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Anna Walker: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on the neck of Anna Walker with black gems on the gold lightning bolts and black crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Anna Walker: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Anna Walker.

Anna Walker had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Anna Walker's waist, and he leaned down to her face and kissed her on the lips, and with Anna Walker's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Anna Walker had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Anna Walker: (In Heaven) My God. Oh, Lincoln, you better tell the guys not to hide in their rooms! The eleven girls I managed to rescue are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and we were about to flee to our rooms, but Lincoln then grabbed me and Nico by the backs of our necks and used his fifty massive and long brown wolf tails and wrapped them around the waists of the other boys and brought us back here, and when Lincoln saw the eleven girls, he had an atomic red blush on his cheeks and muzzle, but he didn't have a nosebleed. The eleven girls are Arianna Heartbell, Berka Triade, Carla Sylvia, Charlotte Jerome, Fabiola Prilipco, Ilsa Owen-Gwynn, Lucrina Dragonetti, Milia Meulendolff, Noa von Leonstein, Ophelia, and Ruby from Jewelry Hearts Academia.

Lincoln: Oh wow, it's Arianna Heartbell, Berka Triade, Carla Sylvia, Charlotte Jerome, Fabiola Prilipco, Ilsa Owen-Gwynn, Lucrina Dragonetti, Milia Meulendolff, Noa von Leonstein, Ophelia, and Ruby from Jewelry Hearts Academia.

Nicole: So, those were the girls that were in Las Vegas, they're cute.

Me: Okay, we overreacted on that one.

Nico: Next time, we'll listen.

Caleb Maxwell: But, next time, don't get rough by wrapping your tails around our waists like that.

Lincoln: Oops, sorry about that.

Eli: It's alright. But, those tail curls you've been doing have really really made your tails stronger than ever.

Me: I'll say!

Nico: And your transformation yesterday made them even stronger.

Lincoln: Heh, thanks. Anyways, are you girls okay? Did any of you get hurt or shot at by that loan shark or his thugs?

Arianna Heartbell: Yes, we're okay, thanks to you.

Berka Triade: And we didn't get shot or hurt by that loan shark, we're alright.

Then, when Arianna Heartbell and the other ten girls saw who it was that saved them from Louie Carmine, their faces turned atomic red upon seeing the 11'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem Arianna Heartbell: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and thirty-four sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Carla Sylvia: (Seductive Voice and rubs Lincoln's massive pecs)

You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Arianna Heartbell, Berka Triade, Carla Sylvia, Charlotte Jerome, Fabiola Prilipco, Ilsa Owen-Gwynn, Lucrina Dragonetti, Milia Meulendolff, Noa von Leonstein, Ophelia, and Ruby with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Well, that was another awesome excursion in Las Vegas.

May: Lana sure had fun cleaning out the casinos again.

Lincoln: And we took down a loan shark who's been running loose.

Nico: A loan shark who's been on the run from The Big Claw Gang since 1985 a day before Caleb died.

Me: At least, he'll be suffering in Hell where he belongs.

Eli: What if he escapes?

Caleb Maxwell: Don't you jinx it.

Nico: He's right.

Claw Dane Drake: Either way, at least, I'm rid of him forever.

Allie Maxwell: That may be. But, you of all people know that you have more of your former partners from 1985 who've also gotten on the death list, and many of them were also around by the time of my brother's death and many of them also caused a lot of pain to him, and they also said something about a curse. A curse that was born around the time of Caleb's death, it was said that in eight years to the day he died, he would return from the dead to take his revenge out on the bastards who ruined his life.

Luan: That sounds more like an omen of death.

Ed Cowart: An omen of death, that's the darkest foretelling of death.

Me: (GULPS)

Nico: And that legend came true eight years later, but it would take a year and a half for Caleb's memories to fully return, but once they did, New York's gangs would wind up getting caught in the vengeance of your brother.

Lincoln: And a tide of blood, retribution, and hatred would spill out into its streets.

Jack Howard: Now, that's really dark.

Roxy Drake: Too dark. (SHUDDERS)

After Lincoln and all of us took down Louie Carmine and sent him to Hell forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Anna Walker saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get fifty massive and long brown wolf tails even more stronger than ever and massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Anna Walker: My God, I was right that Lincoln's really grown into an 18-year-old 11'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his fifty massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Anna, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Anna Walker: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Anna Walker: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Lincoln had a premonition.

Lincoln: Uh oh, we got trouble: two hypothetical Akumas have been sighted, one of them is named Mega Blizzard, the Hypothetical Akuma of Hydros the Titan of Ice and he's a ginormous iceberg mountain and he lives on the planet Hoth and can freeze anything on contact with intense cold. He was made because of Zeus locking him and his fellow titans up, and the second is named Hyperfrigid, the 2nd Hypothetical Akuma of Hydros and he is a giant of ice and cold. He was made because of Zeus locking him and his fellow titans away.

Lincoln got out his sketchpad and we saw Mega Blizzard, a ginormous iceberg mountain and Hyperfrigid is a giant of ice and cold.

Von Lycaon: Hmm. Allow me to go after them, Master Lincoln.

Nicole: Lycaon, are you sure of this?

Von Lycaon: Of course. I will not be long.

Holly Hoth: I'll get the portal open for you to enter, Lycaon.

Holly Hoth opened a portal that led to Hoth, and Von Lycaon entered it and was on Hoth.

Von Lycaon: So, this is Hoth, it truly is a place of ice and cold. Miss Holly considers this place home, and since I also have the power of ice, it seems fitting for me.

Suddenly, he saw Hyperfrigid and Mega Blizzard.

Mega Blizzard and Hyperfrigid: WHERE IS ZEUS?!

Von Lycaon: I'm afraid you will not reach him.

Von Lycaon: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Arctic Ice Snow Storm Boreas Wolf Thiren Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Arctic Ice Snow Storm Boreas Wolf Thiren Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It appears I have evolved even more. Now, to deal with these scoundrels.

Von Lycaon went after Mega Blizzard and Hyperfrigid, and he fired extremely powerful blasts of white and black, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels at Mega Blizzard and Hyperfrigid and they exploded with incredible power as they hit them. Then, he punched them hard with his gauntlets and kicked them with his graves and they got hit hard.

We saw it via a one-way viewing mirror Lincoln opened up.

Nico: Wow.

Ellen Joe: They're already doomed.

Corin Wickes: They now have nowhere left to run.

Then, Von Lycaon attacked Mega Blizzard and Hyperfrigid with some swift kicks that knocked them down and they were defeated, but not before he and all of us assimilated Mega Blizzard's ability freeze anything on contact with intense cold and Hyperfrigid's power of ice and cold, and he sent them to The M.O.E. and came back home to The World Tree Estate.

Von Lycaon: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Arctic Ice Snow Storm Boreas Wolf Thiren Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Arctic Ice Snow Storm Boreas Wolf Thiren Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) They've been taken care of and are in the care of The Masters of Evil.

Von Lycaon powered down, and his new body, clothes, weapons, jewelry, accessories, large gold halo with four large orbiting gold rings on each corner behind his head, larger and longer tail, large fifty white and black planets orbiting around his legs and fifty smaller white and black planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized white and black planets orbiting around his wrists and ankles, and massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings are permanent.

Nico: That was an impressive job you did, Lycaon.

Von Lycaon: Thank you, Master Nico.

Lincoln: But, this also means we've got hypothetical Akumas of The Titans of Fire, Wind, and Earth on the planets the Jedi have visited.

Me: You said it.

Von Lycaon: Though this also means one thing.

Nico: Our big battle against Palpatine is coming.

Suddenly, Von Lycaon fired a blast of ice that froze a thug outside and imprisoned him inside an ice sculpture of a wolf.

Maria: Creative. But, that also means your ice powers have evolved even more.

Von Lycaon: Yes, that is correct, even I began to suspect it for myself.

May: It happened this morning, you accidentally froze a group of robbers when your angel wings formed and fired two blasts of ice.

Alexandrina: They were trying to rob the bank, and what Lycaon did, it saved the police the trouble of going after them.

Sheila: It sure did. Even I was stunned.

Tom Lair: Plus, those bank robbers had been on our radar for a long time, they've been doing this for years now: robbing banks from the major cities all over the country, and none of the authorities were able to catch them.

Wise: They've evaded Public Security as well.

Bella: And they've kept themselves hidden for quite a while.

Lincoln: They're professionals, and Flip wasn't a professional.

Me: Nope, he was sloppy.

Mindy Chan: That's for sure, I still remembered the time I beat that mutant up and sent him back to prison when we caught him robbing a bank.

Nico: Oh, I remembered that all too well. You really took Flip down, Mindy.

Connor Chan: Yep, that's our sister.

Von Lycaon: You seem to have quite a strong bond with your family.

Nico: Ever since I came to Earth and Dad raised me, our bond has grown quite strong, but it's also gotten stronger especially since we also got rid of Dark Connor forever. Now, we don't have to worry about looking over our shoulders for any sort of crazy pranks.

Mindy Chan: You're telling me.

Alicia Chan: Thank goodness Connor doesn't do that anymore.

Leandro: He only does it to our resident jerks. That reminds me, we need to get him an archenemy one day, Nico.

Nico: I'll ask Vypra about that, Dad. But, it has to be against someone who Connor can put his wits and intellect in terms of pranks against.

Me: Hmm. We'll see who we can find.

Lincoln: Same here.

We got a shower, and then, Lincoln, Cirucci Sanderwicci, Loly Aivirrne, Senna, Katori Batsu'unsai, Senjumaru Shutara, Chis-A, Angie Yonaga, and Himiko Yumeno are heading to Shangri-Spa.

Lincoln snapped his fingers, and the 11'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Cirucci Sanderwicci, Loly Aivirrne, Senna, Katori Batsu'unsai, Senjumaru Shutara, Chis-A, Angie Yonaga, and Himiko Yumeno are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Cirucci Sanderwicci, Loly Aivirrne, Senna, Katori Batsu'unsai, Senjumaru Shutara, Chis-A, Angie Yonaga, and Himiko Yumeno all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Himiko Yumeno: Wow, we're here in Shangri-Spa, it sure is beautiful.

Lincoln: It sure is, Himiko, and it's perfect for our first date, shall we?

Lincoln, Cirucci Sanderwicci, Loly Aivirrne, Senna, Katori Batsu'unsai, Senjumaru Shutara, Chis-A, Angie Yonaga, and Himiko Yumeno went inside and they went to The Spring of Purification, the Spring of Bliss, the Spring of Sanctuary, the Spring of Jungle Mist, and the Spring of Rainbows, where the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to a workout area that was located here, and Chihiro Fujisaki X Lizzy, Cirucci Sanderwicci, Loly Aivirrne, Senna, Katori Batsu'unsai, Senjumaru Shutara, Chis-A, Angie Yonaga, and Himiko Yumeno got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift fifty-two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirty-five massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Himiko Yumeno: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Cirucci Sanderwicci, Loly Aivirrne, Senna, Katori Batsu'unsai, Senjumaru Shutara, Chis-A, Angie Yonaga, and Himiko Yumeno and hugged them in their abnormally massive and powerful muscular arms, and Chihiro Fujisaki X Lizzy, Cirucci Sanderwicci, Loly Aivirrne, Senna, Katori Batsu'unsai, Senjumaru Shutara, Chis-A, Angie Yonaga, and Himiko Yumeno placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Cirucci Sanderwicci, Loly Aivirrne, Senna, Katori Batsu'unsai, Senjumaru Shutara, Chis-A, Angie Yonaga, and Himiko Yumeno and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and forty-nine sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Shangri-Spa, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cirucci Sanderwicci, Loly Aivirrne, Senna, Katori Batsu'unsai, Senjumaru Shutara, Chis-A, Angie Yonaga, and Himiko Yumeno with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Cirucci Sanderwicci, Loly Aivirrne, Senna, Katori Batsu'unsai, Senjumaru Shutara, Chis-A, Angie Yonaga, and Himiko Yumeno are now in your harem, Linky.

Cirucci Sanderwicci, Loly Aivirrne, Senna, Katori Batsu'unsai, Senjumaru Shutara, Chis-A, Angie Yonaga, and Himiko Yumeno showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Senna: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted fifty-two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and fifty massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip,

Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were at the zoo.

Me: I always love coming to the zoo.

Camie: Me too.

Ymir: It's so cool.

Lola: I agree.

Lana: The zoo is always fun.

Syd: The Zoo's always nice, right mom?

Becca: It sure is fun kiddo.

Qin: What are the mascots doing?

We saw the Mascots in the gorilla exhibit and they were in front of a big gorilla and making FUNNY FACES! But then...

FART!

They farted skittles and it REALLY GOT MAD!

Becca: Oh no. They wouldn't!

THE GORILLA ROARED FEROCIOUSLY AND POUNDED ITS CHEST IN RAGE!

Me: Oh yes they would!

The Gorilla went at them and tried to punch and smash them all over. But the mascots were dodging the punches and attacks from the gorilla!

Bombshell: Are you guys crazy?!

The mascots were doing well against the gorilla.

Kerchak: Okay this has gone on long enough!

Kerchak went and grabbed the gorilla and roared and knocked him down and he submitted!

He left.

Kerchak came back.

Kerchak: There we go.

Me: Whew.

Poromon: We wanted to see if we can win against a gorilla.

Me: WHOA! You were fast enough to do so. BUT THAT WAS NUTS!

Daggett: Exactly what I was going to say.

Camie: I agree there!

Nico: Yeah no kidding!

Perceptor: It was unwise for you to do that

Me: Yeah!

Poromon: I know.

Poliwag: We're sorry.

May: It's okay.

But then something grabbed Horsea and May and bashed and pulverized and mangled them ferociously!

Manaphy: MAMA!

Nico: MAY!

We saw them BEING PULVERIZED FEROCIOUSLY BY AN ANNIHILAPE!

Me: WHOA! An Annihilape!

It was beating them up in a FEROCIOUS FIGHT CLOUD! And the Annihilape repeatedly beat them both.

Me: Oh, my gosh!

May and Horsea are still screaming while the Annihilape beats them and the Annihilape hits Horsea and May using a chair, then beating them some more!

Nico: How'd that get there?!

Me: I think I know!

Nikiya: It's one of Dark Gale's work and I sense a MASSIVE Power level from it.

Nico: Wait I sense it too!

Goku: Me too!

Nikiya: I think I know who it is!

She used telepathy and gasped!

Nikiya: It's my friend Carambo!

Vegeta: Carambo!? What's she doing here!?

Me: She must be a Saiyan!

Nico: A fellow Saiyan slammed by Dark Gale!? They made enemies out of us!

Me: And by "Us" you mean your entire race!

Nico: Yep!

Me and Nikiya went to face her and Nikiya went Super Saiyan!

Nikiya: Carambo put down my friends wife and Horsea!

She looked at us and punched Horsea one more time

POW!

Horsea: OW!

She roared and went at us and Nikiya grabbed her and threw her down!

I snapped my fingers and she reverted back and was a girl with black hair and blue eyes and had a monkey tail and had Annihilape on her forehead and had a One Ring and Eye of Sauron over the symbol of Vegeta on her arm as her cutie mark.

I wrapped her in a blanket.

I went over and got May and Horsea out of the bag and they were BRUTALLY MANGLED UP!

Me: HOLY SHIT! You girls are a mess!

Jonny 2X4: No kidding!

Varie healed them up.

We brought Carambo over to a bench and she was tired.

She woke up to see Horsea's stern gaze.

Carambo: (Groans) Huh?

Horsea: YOU BEAT THE CRAP OUT OF ME AND MAY!

Maria picked her up.

Maria: Easy Horsea.

Nikiya: Carambo are you okay?

Carambo: (GASP) Nikiya? Is that you?

Nikiya: It sure is. I've changed a lot since we saw each other last.

Carambo: Oh wow!

They hugged.

Vegeta: It's good to see you Carambo.

Carambo: Prince Vegeta, Gine, Bardock, Fasha, Shugesh, Tora, Borgos! You're all okay! And Kakarot you're here too. And you as well Bokrua!

Nico: Good to see you Carambo.

Me: The Saiyans now live here on Earth and are on the road to redemption thanks to Nico here.

Nico: Nico is my Earth name.

Carambo: I see. Wow!

Nico: Carambo was born with an immensly strong power level like mine and Nikiya's. She was born with a power level of 40,000.

Ymir: WHOA! 40,000 at birth!? That's intense!

Me: Yeah!

Carambo: I agree there.

Me: You were turned into an Annihilape by Dark Gale.

Carambo: Never heard of them. I was coming to Earth after helping on the planet Valthak. When I landed I was injected and turned into an Annihilape.

Me: Well Dark Gale was an evil organization that we destroyed 2 months ago.

Lola: Yeah.

Carambo: I see.

Nico: So, you're not part of Sonya's team?

Carambo: No I'm not sorry.

Nico: Okay then.

Me: I take it you heard about what Frieza did.

Carambo: That's right and I will tear that monster apart for his crimes against the Saiyans and our planet!

Me: Get in line. All the Saiyans want to make sure that tyrant suffers for his crimes.

Carambo: Good. I haven't had any free time because I was looking for more of my race out in space.

Me: Well they are all here on Earth.

Nico: And I'm leading them on the road to Redemption too.

Me: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her orange and blue clothes like those of Goku and she looked great.

Carambo: I look awesome.

Me: You sure do. Also can you go Super Saiyan like Nikiya too?

Carambo: Yep. Watch.

Then...

WHOOSH!

She went SUPER SAIYAN!

Me: WHOA!

She was intensely powerful and her power level was amazing!

Tien: WOW!

Yamcha: WOW!

Tien: That is amazing how she can generate that much power!

Yamcha: Mindboggling!

Me: WOW! Carambo your power is amazing!

Carambo: I get that a lot. Sorry I roughed up May and Horsea like that Bokrua.

Nico: It's okay. You weren't in control. It happens to them.

Qin: Yeah.

Nico: Let me heal you two.

Nico then used Dende's power for healing and made them better.

May: WHOA!

PIccolo: That was Dende's healing power!

Me: I remember Master Goku and Gohan seeing Dende do that.

Goku: (LAUGHS) Yeah that was true and awesome.

Me: Yeah.

Nico: It sure is.

Megan Blickensderfer: I still don't understand how my sister can be like this.

Syd: Seems pretty straightforward to me. Becky joined up with Anti Monitor and is now wanting to kill us!

Me: I think it goes deeper than that. She might be under the influence of Dark Chase Young.

Jared: That's my theory too.

Camie: We'll find out later.

Maria hugged Horsea.

Horsea: I am so sick and tired of being attacked like this. If I get attacked by one more gene-slammer I am GONNA GO INSANE!

Double D: Why don't you try to avoid the attacks then?

Horsea: (Sighs)

Me: Come on guys.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his fifty massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Becky, the other dodgeball bullies, Artie, and Trent starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Becky Blickensderfer, Dodge and the Dodgeball bullies of Great Lakes City, and Chandler's former minions, Artie and Trent, they're in Great Lakes City and are causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud!

Eli: Was that...?!

Lincoln: Yep. It's time.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Becky Blickensderfer, Dodge and the Dodgeball bullies of Great Lakes City, and Chandler's former minions, Artie and Trent, they're in Great Lakes City and are causing havoc.

EVERYONE GASPED!

Chandler: My old friends? Oh man!

Me: Haven't seen Trent and Artie in a while.

Lincoln: I know.

Becca: We better get going and fast. If that little monster and the rest of those jerks hurt one hair on my family's heads, I'm gonna shove them into piles of elephant poop.

Nico: YUCK!

Me: GROSS!

Ronnie Anne: She's not kidding, and we can't let those jerks keep running loose.

Lincoln: Not to worry, I've got a special kind of punishment in store.

Nico: Awesome, since they're just kids, killing them is off limits. But, they have nasty histories from the past: terrorizing Great Lakes City, bullying Ronnie Anne and her friends, and helping Chandler when he had that monster, Dark Chandler inside him in causing havoc in Royal Woods and trying to kill you, Lincoln. They don't deserve any rehabilitation at all, this time, it's war. Alright, team, let's get going to Great Lakes City.

Lincoln: We've got a few dodgeballs with your names on them, you pests! And you're done terrorizing Great Lakes City. (Deep Sapphire Eyes turn red) And you're going to regret coming back again for revenge, Artie and Trent, all the trouble and chaos you two caused alongside Chandler when he had that repulsive Dark Side inside him in Royal Woods can never be forgiven. You're going to pay dearly for everything you've both done.

The previous group came.

Spymaster: Can me, Deadwood, Black Lance, Number 7, Zs'Skayr, Dark Spicer, Griffin, Mr. Mittens, Roxy Rocket and Madame Masque go with you guys?

Deadwood: (To May) We heard about what happened at the Zoo. Are you two okay?

May: We'll be fine.

Horsea: If I get attacked one more time I'm going to blow someone's HEAD OFF AND EAT THEIR BRAINS! (SCREAMS)

Me: Whoa whoa whoa! Easy Horsea. Easy.

Maria: Calm down Horsea.

Nico: And to answer your question, yes you all can come with.

Deadwood: Awesome!

Threatpack: Nico, which Gene Slammer do you think you'll meet next?

Nico: Evil HERO Destroyer of Light next.

Me: WHOA!

Nicole: Scary!

Qin: I know!

Camie: That is for sure.

Ymir: No kidding.

Iormu: But it will be interesting to see.

Lola: I agree.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and thirty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was our old enemy, Mirage, she's come back from the dead and that evil Queen of Chaos still wants revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that Mirage?!

Lincoln: Yep, she's come back from the dead and that evil Queen of Chaos still wants revenge.

Iago: Not again! She's mean! She's beyond mean! She invented mean!

Aiko Kajima: And at the worst time, she shows up. We'll deal with her later.

Lincoln: Right, Aiko.

Nico: That evil Queen of Chaos has lived for too long, and she'll get her just desserts. Alright, team, let's go, we're heading for Great Lakes City. Becky Blickensderfer, you and your entourage of chaos are gonna get it big time.

Lincoln: You lot are in big trouble now, and you're gonna get pelted with dodgeballs big time, and once we get done with those terrors once and for all, you're next, Mirage.

Aiko Kajima: You chose the wrong time to return and cause havoc, now you're about to face the consequences, Mirage, after we take care of our pest problem.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us are headed out to Great Lakes City to take down Becky, the other Great Lakes City dodgeball bullies, and Chandler's former minions, Artie and Trent, and once we got done with them, Aiko Kajima and Lincoln are going to destroy Mirage and send her to The Black Abyss for good.

We were off to the Gym.

We arrived.

Me: Boy this is gonna be the ULTIMATE Dodgeball game.

Xenia: Yeah!

Jared: I'm ready!

Megan Blickensderfer held out a locket that she had with her and in it was a picture of her and Becky back in 2016.

Megan Blickensderfer: Hold on sis. I'll save you.

Number 7: I suggest we call Gator Ghoul.

Me: I was gonna say that.

We did so.

Gator Ghoul came.

Gator Ghoul: I'm here and I brought the U-Foes too because it's Syd's day too with her mother.

Me: Good reason.

Vector: We're glad to help out.

Megan looked at her locket.

Me: Megan what happened that lead your sister to become so dangerous?

Megan Blickensderfer: (SIGH) It was a long time ago. I was in high school when it happened. Me and My sister were best friends and loved each other so much. We did it all together. We both were the dynamic duo of both Dodgeball and Lucha Libre Wrestling.

Lynn: Whoa! You like Lucha Libre too? That is awesome.

Megan Blickensderfer: It sure is. I heard Ronnie Anne likes it because of La Tormenta. She is one of my idols too.

Ronnie Anne: Wow! We have so much in common.

Me: You sure do.

Megan Blickensderfer: Yeah but then one day my sister came home REALLY EVIL! I saw her eyes glowing red and she was PLAYING REALLY VIOLENTLY and destroying EVERYTHING in her path and causing trouble. I sensed that something was seriously wrong with her.

Me: Oh man!

Megan Blickensderfer: She hurt SEVERAL of her psychologists and many more because of it. I don't know what it was that was doing this to her but it was not normal! I am doing my best to help her out and I will never give up on her. I tried reasoning with her but something made her this way against her will.

Blaster Tron: A close scan will determine the cause.

Tussel Sprout: I think Megan's right. There has to be a logical explanation for why she's doing all this

Syd: She's doing it becuase she's mean and evil and we should have just slit her throat while we had the chance!

Anna Anyanova: I agree with Tussel Sprout! I knew Becky before I became part of Lincoln's guardian angels and she was always a sweet and caring and loving girl. Something made her this way and I have a strong feeling it's Dark Chase Young.

Me: I have that same feeling too.

Megan Blickensderfer: I do too. Also I called my mom. She is coming to help us.

Dark Spicer turned into Splitlife.

Splitlife: (makes clones) We're ready for this!

Me: That's the spirit Dark. But also Syd we are not going to kill Becky. She is just a kid and you know it goes against our code.

Camie: Yeah!

Syd: Okay you're right. I'm sorry.

Me: It's okay.

A car pulled up and out came Mrs. Blickensderfer.

Mrs. Blickensderfer: I got here as soon as I could.

Megan Blickensderfer: Hey mom.

Mrs. Blickensderfer: Megan!

They hugged.

Megan Blickensderfer: I'm not giving up on Becky mom.

Me: We think it might be Dark Chase Young responsible for it.

Mrs. Blickensderfer: That monster that is out to kill Lincoln!?

Me: And is responsible for over 1,500 years of terrible atrocities to countless others over the centuries!

Mrs. Blickensderfer: Oh man!

Me: That's why we're going to take her down in the sport she is REALLY Good at.

Camie: Dodgeball.

Mrs. Blickensderfer: I'll help too! I used to be great at dodgeball too.

Megan Blickensderfer: But mom you haven't played Dodgeball in like a long time.

Mrs. Blickensderfer: I will gladly help though.

Me: Okay.

Strike Man: I might like baseball. But I can play dodgeball too

Lynn: Cool!

Nico: Nice.

Black Lance: This is nothing elemental dodgeballs won't fix

Me: I like it.

Qin: Cool!

Xenia: Nice!

Jared: I agree there.

Quake Woman: You sure dodgeball is the way to do this?

Me: Yep. Dodgeball is what she is good at. Now it's time for us to fight fire with fire and play dirty.

Camie: Yeah!

Quake Woman: Okay then.

Ymir: I'll have some fun in this.

Varie: Me too.

Me: We always have fun.

Kick Buttowski: I'm ready for it too.

Griffin: Can't argue with that

Me: Yep.

But then Lincoln gasped.

Lincoln: WHOA! I just had a premonition! The next Akuma coming is Queen Crocodile! The hypothetical Akuma of Becca Chang and she is half woman with a crocodile body! She is a master of fire, nature and crocodiles and animals. She is the queen of life. She was made because of Becky killing Syd, Adelaide and Stanley with huge boulders as dodgeballs that crushed them into pulp and she vowed to kill that terror and make her pay!

WE GASPED!

He showed us a sketch of her and it was a beautiful girl with green hair and her legs were a full crocodile!

Me: WHOA!

Becca: That is a cool one!

Me: And she was made because of Becky killing Stanley, Syd and Adelaide!? That's nuts!

Starlight Glimmer: I agree there!

Gator Ghoul was in love.

Blast Off: You okay?

Me: Ohohoho! I think I see what is going on. Gator Ghoul is in love.

Hearts were popping out of him.

Gator Ghoul: (Purrs) She is beautiful.

Me: I'm no matchmaker but she is more suited for Tick Tock. And also she looks like she has a big and voracious appetite like he does.

Nico: I wonder if she likes the taste of Captain Hook as much as Tick Tock.

Gator Ghoul: It was a good try anyway!

Me: Okay okay.

Laney: Look!

We saw QUEEN CROCODILE!

Me: WHOA!

Queen Crocodile: Hey guys.

Me: Wow! You look cool as a crocodile girl.

Queen Crocodile: I sure do. I'm hungry for some codfish.

Long Haul: Becca? Is that you?

Queen Crocodile: Yes it's me.

Me: And you must be really hungry.

Queen Crocodile: Oh I am hungry! For that little brat!

Me: She is just an appetizer. How about we skip to the main course for you?

Queen Crocodile: Like how?

Gator Ghoul: If you calm down, I'll take you on a date.

Queen Crocodile: Deal. But only if you help satisfy my appetite.

Me: That can be arranged. I got just the meal for you.

I snapped my fingers and beamed Hook over to us and then I tied him up.

I then sprinkled him with herbs and spices and then covered him in barbecue sauce and pineapples and put an apple in his mouth.

Me: MWAH! Captain Hook Fricassee A La Mode.

Nico: OOH! Nice!

Me: Bon Appetit!

Kairi: He goes into the Book of Vile Darkness until my big day.

Me: I know. But it's always fun to have him turned into crocodile chow.

Queen Crocodile: LETS EAT!

They went and ate him!

CHOMPING AND MAULING!

BLOOD, GUTS, LIMBS AND INARDS WERE SPLATTERING ALL OVER AS THEY ATE HIM UP!

YUCK!

Me: YUCK!

Nico: NICE!

Queen Crocodile and Gator Ghoul were STUFFED!

Gator Ghoul: Ahh! Boy Tick Tock was not kidding. He tastes like chicken.

Queen Crocodile belched!

LOUD BELCH!

Queen Crocodile: Ahh I am stuffed!

Me: Glad you liked it!

Queen Crocodile: That was great! (LOUD FART) Oops sorry.

Me: (LAUGHS) Funny but no worries.

Syd: Sorry we have to fight mom.

Queen Crocodile: No worries kiddo.

Syd fired waves of leaves and blasted her all over.

Gator Ghoul charged at her. And blasted her with his eyes.

Me: Yeah!

Queen Crocodile: Better do this first.

LOUD BELCH!

She belched up his spirit and I sent him to the Book of Vile Darkness dimension.

Me: There.

Queen Crocodile: My turn!

She went at us and we dodged her.

We blasted her all over and knocked her down.

Me: There. And also we'll have to have a good meat factory make good meat like Captain Hook.

Madame Masque: Is she out?

Me: If you mean out cold then she is in a food coma.

She is sleeping.

We saw her sleeping.

Nico: She is sleeping.

Qin: Yep.

Nico: Alright, now to get after that pest.

Lincoln: But, first. Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Becky Blickensderfer, the other Great Lakes City Dodgeball bullies, Artie, and Trent are at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Becky Blickensderfer, the other Great Lakes City Dodgeball bullies, Artie, and Trent saw it, and they let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, you pests!

Nico: Okay, now we can get after the pests without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Becky Blickensderfer, the other Great Lakes City Dodgeball bullies, Artie, and Trent raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate.

Lincoln: That's right, keep at it, you're done going on a rampage, you little pest!

Suddenly, the spirits of animals appeared and they attacked Becky

Blickensderfer, the other Great Lakes City Dodgeball bullies, Artie, and Trent and they really thrashed them all over the place showing him no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Becky Blickensderfer, the other Great Lakes City Dodgeball bullies, Artie, and Trent even more pissed off than ever.

Nico: You got some nerve coming back again, Becky Blickensderfer!

Me: I thought we were finally done with you! But, you just don't know when to quit, do you?!

Lincoln: After what you and the other dodgeball bullies have done in hurting Ronnie Anne and her friends along with constantly breaking out of prison to get revenge on us, you really don't know when to quit! And as for you, Artie and Trent, I've been waiting a long time to hand down your punishment as well for everything you two have done when Chandler had that monster in him years ago.

Becky Blickensderfer, the other Great Lakes City Dodgeball bullies, Artie, and Trent: SHUT UP! SHUT THE FUCK UP AND DIE!

Becky Blickensderfer, the other Great Lakes City Dodgeball bullies, Artie, and Trent ran at Lincoln to kill him, but Lincoln formed and fired a barrage of dodgeballs of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions at Becky Blickensderfer, the other Great Lakes City Dodgeball bullies, Artie, and Trent, and they got pelted by them.

WE LAUGHED HYSTERICALLY AT THEM!

Becky Blickensderfer, the other Great Lakes City Dodgeball bullies, Artie, and Trent were mega enraged at them for that, and they also got out dodgeballs as well and threw them at Lincoln, Girl Jordan, and I, but we used our parkour skills and dodging skills, and we dodged them all!

Becky Blickensderfer, the other Great Lakes City Dodgeball bullies, Artie, and Trent: NO! IMPOSSIBLE! YOU IDIOTS DARE TO EMBARRASS US LIKE THIS! WE'LL DESTROY ALL OF YOU AND FORCE ALL OF GOTHAM ROYAL YORK AND GREAT LAKES CITY TO BOW BEFORE US! ALL WHO DEFY US WILL DIE A HORRIBLE DEATH!

Caleb Maxwell: WHY, YOU MISERABLE LITTLE...! (DEMONIC SCREAM)

CALEB MAXWELL RAN AT BECKY, THE OTHER GREAT LAKES CITY DODGEBALL BULLIES, ARTIE, AND TRENT AND HE BRUTALLY BEAT THEM UP IN A MASSIVE FIGHT CLOUD AS WE HEARD THE SCREAMS OF THOSE TERRORS AND THE DEMONIC SCREAMS OF CALEB! WHEN CALEB WAS DONE AND THE FIGHT CLOUD DISAPPEARED, THE TERRORS LOOKED LIKE THEY WERE BADLY PUT THROUGH THE WRINGER!

Now, you can either surrender, or if you put up a fight, you're gonna be in a world of pain. Either way, you're finished.

Me: That's right!

Suddenly, the full moon appeared behind Andre Lupescu as darkness fell upon Great Lakes City only lit by the full moon and clusters of ice formed on the ground as we heard the sounds of wolves howling in the distance.

Me: You heard him, it's payback time!

Nico: The howling of the wolf means that justice is coming for you!

Lincoln: After what you lot have done, you deserve it.

Chandler: Hello guys.

Trent: Chandler!?

Artie: Why are you with them!?

Chandler: I've had a lot of growing up to do.

Megan went up to her.

Becky Blickensderfer: Megan!? What are you doing here!?

Megan Blickensderfer: To save from this monster you turned into!

Konan: You okay now, Horsea?

Horsea: I sure am!

Becky Blickensderfer: I don't need saving!

Megan Blickensderfer: I will not give up!

Me: Then lets get it on!

I threw a Dodgeball and it hit Trent!

WHAM!

Girl Jordan and Clyde threw a bunch of dodgeballs and bashed both Artie and Trent all over!

Becky Blickensderfer: Lets see you last with me!

SHE THREW A POWERFUL THROW AND I DODGED IT AND THEN...

KRASMASH!

IT SMASHED A HUGE HOLE INTO THE WALL!

Nico: HOLY SHIT! WHAT A POWERFUL THROW!

Xenia: YIKES!

Ronnie Anne: She has had a POWERFUL Throw on her!

Roxy Rocket: I'm up!

She threw a ball and Becky dodged it!

Becky then threw MANY BALLS AT ME!

I dodged them with amazing acrobatic moves and stunts! I ran up the walls and she threw many balls and smashed holes in the walls! I did flips and moves and dodged them. Then I threw NUMEROUS BALLS! Megan, Mrs. Blickensderfer, Jared, Kick and Girl Jordan, Lincoln, Ronnie Anne, Rusty, Zach, Liam, Stella and Clyde threw a massive numbers of balls and she was outclassed and we HIT HER ALL OVER WITH A MASSIVE METEOR SHOWER! THEN...

EXTREMELY MASSIVE AND POWERFUL FIERY SMASHING EXPLOSION!

She was down. But not beaten! She got up an roared!

Buffo: It's Buffo's turn now!

He fired a ball and bashed her.

Becky Blickensderfer: MY TURN!

She threw it with the intense force of a massive cannon at me and I caught the ball and it pushed me back with intense force and I stopped myself and massive walls of fire came out of my feet as I stopped it!

Me: HOLY SHIT!

Nico: HER STRENGTH IS JUST ABSOLUTELY PREPOSTEROUS!

Mr Mittens: Two can play at that game!

Me: Like this!

I held the dodgeball in my hands.

Me: NOVABULLET DODGEBALL KAMEHAMEHA!

I FIRED THE BALL AND IT WENT FAST AS A LIGHTNING BOLT AND IT SLAMMED INTO BECKY AND BASHED HER IN HER FACE WITH DEVASTATING FORCE AND KNOCKED HER DOWN AND KNOCKED OUT MANY OF HER TEETH! SHE WAS KNOCKED DOWN BUT NOT OUT!

Nico: WHOA! NICE ONE!

But Becky got up and had blood dripping from her mouth!

Me: She really is tenacious I'll give her that!

Megan Blickensderfer: Yeah she has that in her.

Deadwood: I want a turn too!

He threw a ball and bashed her.

Becky then threw a powerful throw and it slammed into Nico and EXPLODED ALL THE WAY THROUGH HIS STOMACH AND EXPLODED OUT THE BACK!

IT LEFT A MASSIVE HOLE ALL THE WAY THROUGH HIM!

Me: HOLY CRAP!

May: NICO!

Me: WHOA!

Nico: (BELCHES OUT BLOOD!) Man! I've been wanting to lose some pounds but NEVER like this!

I then saw a shining thing and went over and saw the bomb that was inside Nico. I picked it up.

Me: So this was the bomb inside you!

I then got an idea!

Dusk: Make sure to put it back in!

Me: Well the only way for Nico to do that is to swallow it.

Danny Phantom: Allow me.

Nico: First this.

He regenerated his wound.

Danny put it back in him.

Me: Nice! Okay NO MORE MISTER NICE GUY!

I took off my coat and weighted clothes and folded them up!

I tossed them aside and then...

THUNDEROUS CRASH!

When the dust cleared there was a huge crater!

Becky Blickensderfer: WHAT THE!? How many pounds was all that?

Me: You wouldn't believe me if I told you. (Cracks bones and loosens up) Now the gloves are off!

ZOOM!

I ran fast and picked up lots of balls and threw them and bashed Becky all over the place with incredible force with them!

Zs'Skayr: Now you see me. Now you don't!

He went invisible and threw NUMEROUS BALLS and bashed her all over!

Becky tried to hit him with balls but all she did was SMASH NUMEROUS HOLES into the walls!

Me: GEEZ!

I threw balls and they hit her!

Me: Lets get her!

Me: Not yet. I'll tell you when.

Gator Ghoul: Okay.

Becky: HEY NICO! YOU ARE A BIG UGLY FATASS!

Ed Cowart: Ok, bitch, you get yours!

Ed Cowart proceeds to insult Becky the ugliest dodgeball noob.

Ed Cowart: Holy shit, just when i thought I've seen some ugly, you took first place in ugliness! Were you born this ugly or did you have to work on it? Actually, you know what don't answer that, I think it was obvious. While we're at it, Squilliam, Helga Pataki, and Ed called, they want their unibrow back as I think it was obvious you stole it from, you eyebrow thief! You're so ugly, you make even the Yajuta and the Xenomorphs look hot! and one last thing?

THEN...!

RIP! SCREAMS!

ED COWART RIPPED OFF BECKY'S UNIBROW VIA HOT WAXING IT AND RIPPING IT OFF, AND THEN, HE KICKED HER ASS INTO A TRASH CAN!

Then, Cattleya bonked her head with a vase, then Nabiki threw Becky into a fence which flattened her into an ironing board, Then, Ed Cowart tied a hose around and stretched it, then, he released it which sent Becky onto a hose faucet which then exploded and sent her right into another trash can, then Cattleya hit her head with a frying pan, then a pipe, and then, a wooden rod. Then, Kyu Sugardust threw Becky into a fence, this time, Becky's head is popping out. Then, Ed rolled Becky into a pile of crates and a mop which then the mop fell on her head. Then, Nabiki bonked her head knocking Becky out cold while Beli poked her ass with needle then smacked her with a wood plank, making her fall and hitting the stairsteps with her head all the while cursing like Yosemite Sam only to hit a rubber band flew her right into a railing which sent her down the vents to the basement.

Then, Nabiki hit her head with a shovel then the hands. Then, Kyu punched Becky straight to a mailbox, and then, she clashed trash can lids on her head. Then, Ed Cowart bonked her head, and then, he slammed a book closed on her face. Then, Nabiki punched her left eye, and then, he fired her shotgun at her, which sent straight into a bear trap which bit her ass. Then, Ed Cowart bonked her head several times, then, he broke all her teeth then he pushed her into a field of golf clubs which she stepped on one which hit her face then another then another until she fell onto a coconut cream pie which turns out she's allergic to it. Then, Kyu sprayed her with spit, water, and other liquids.

Then, to finish all off, they gave Becky a complete makeover complete with a beautiful face, long hair, a girly pink dress, and pink slippers, thus making Becky look like a princess, which Becky really hates with an extreme passion.

Becky Blickensderfer: (SCREAMS WITH RAGE) GROSS! WHAT DID YOU DO TO ME!?

Ed Cowart: (Smirks) What do you mean? We made you look better instead of ugly.

Artie: YOU PILES OF SHIT! DIE!

Artie and Trent went after us, but Lincoln fired a barrage of elemental forces which hit the two jerks and sent them into a sewer, and when they came out, they were covered head to toe in sewage and they now smelled like Dark Chandler.

Lincoln and the girls fired elemental dodgeballs at Becky Blickensderfer, the other Dodgeball bullies from Great Lakes City, Artie, and Trent, and they exploded as they hit them!

Lincoln and his harem: Now, for the grand finale. We've had it with you and the rest of those pests running loose, Becky Blickensderfer. Stay out of our lives and out of Great Lakes City and Gotham Royal York forever! DODGBEALL FINAL SMASH: DODGEBALL EXPLOSION!

Lincoln and his harem fired a massive barrage of explosive dodgeballs at Becky the ugly bitch, the other Dodgeball bullies from Great Lakes City, Artie, and Trent and they exploded with incredible power as they hit them.

Becky spun around and on the back of her neck was a FAMILIAR SYMBOL! IT WAS THE SYMBOL OF CHASE YOUNG!

Me: (GASP) IT IS CHASE YOUNG!

Jared: I KNEW IT!

Suddenly, Lincoln fired a beam of light that separated Becky from the dark force inside her, and it transformed into Dark Becky, and brought Becky Blickensderfer to us. Then, Dark Becky, the other Dodgeball bullies from Great Lakes City, Artie, and Trent slowly got up, but it was too late.

MIDAS STYLE NINJA ART: PRISON OF GOLD!

Lincoln fires gold energy blasts at Dark Becky, Dodge and the other dodgeball bullies from Great Lakes City, Artie, and Trent, and they were forever turned into gold statues for eternity never ever to be released, and Lincoln beamed them to The Charon Prison where they were to remain there forever, but before that, Lincoln removed Dark Becky's soul and sent her to The Black Abyss as an added good measure.

We cheered as we holstered our weapons and we powered down.

Nico: See you never, you pests!

Me: And we freed Becky from Dark Chase Young's darkness.

Lincoln: So, that explained why she was like this. Dark Chase Young, you really are nothing more than a monster of chaos, when Kimiko's big day comes, you're dead. Now, there's one last thing to do and one last loose end to tie up: Mirage.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of magic and the magic blasts were absorbed into us and it made us even stronger than ever.

Lincoln: (Caught the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here right now, Mirage.

A figure came out, and it was none other than Mirage.

Lincoln: I knew you'd also show up here again, Mirage, and if you're back, that also means the other old enemies of Agrabah are also back as well, and of course, I'm gonna enjoy giving them Hell when I see their ugly faces again. And you're next, Mirage.

Mirage: You will not live to confront the others, for you will all be destroyed!

Caleb Maxwell glared at Mirage with hatred.

Caleb Maxwell took out a dagger and slashed Mirage right in the mouth! OUCH!

Aiko Kajima: Okay, I think it's time we put you down for good.

Suddenly, Aiko Kajima's blue eyes turned neon blue and she was surrounded by a black and white, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, light, cats, phoenixes, and angels, and as she approached Mirage, she left black and white, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, light, cats, phoenixes, and angels with every step.

Aiko Kajima: It's bad enough with our old enemies returning to show up to cause trouble, now you return to cause us even more grief. We already got enough of that with those walking piles of sludge, Dark Sebastian and his minions, now I think it's time we got rid of you for good, Mirage.

Lincoln, Aiko Kajima, Nico, and I went after Mirage, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Mirage, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Aiko Kajima did the same by firing black and white, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Aiko Kajima, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Mirage even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and forty-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Mirage and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Mirage's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into Mirage's chest, and then, Lincoln began absorbing Mirage and he grew stronger and he assimilated Mirage's Tremendous dark powers, Omnipresence, Dark sorcery, Control of illusions and shadows, Control of monsters and everything evil, Interdimensional travel and Teleportation, Enchantment, Seduction, Shape-shifting, Glamour, master illusionist abilities, and illusion casting, Flight, Enhanced strength, Elemental manipulation, Potions, spells and evil artifacts, High intelligence, Trickery, energy attacks, and Cunning, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Mirage except for her clothes and Lincoln drained Mirage's soul completely dry of energy and power and sent her to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

We cheered wildly as we holstered our weapons and powered down and Aiko Kajima's new body, clothes, weapons, jewelry, Third Eye, longer cat tail and longer cat ears, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large black and white planets orbiting around her legs, thirty-five smaller black and white planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and white planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Aiko Kajima: And this is goodbye and good riddance forever, Mirage. Thank you for helping me destroy Malcho for good, Linky. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Aiko.

Me and Nico: Our pleasure, Aiko.

Suddenly, Aiko Kajima wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aiko Kajima's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Aiko Kajima sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: And that is that for Mirage.

Lincoln: Yep. Now, we're rid of her for good.

Nico: That evil cat got what she deserved.

Me: That's for sure. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw light shining down from the skies and glass figurines and stained glass windows form and we saw the crest of The Witchcrafter Duel Monsters in the skies.

Lincoln: The Crest of The Witchcrafter Duel Monsters along with light and glass figurines and stained glass windows.

Selene Arcangela: There's only one person who has glass and light as part of her specialty in The Witchcrafter Artisans Guild: Estelle Madison, Avatar and Gene-Slammer of Witchcrafter Madame Verre.

Emily Edelstein: I knew it was her, and you guys are going to love meeting her, Estelle Madison, Avatar and Gene-Slammer of Witchcrafter Madame Verre, is Lincoln's Guardian Angel from Michigan and she's a powerful master of light, glass, and magic. She's the Glassmaker of The Witchcrafter Artisans Guild, a group of girls who are talented artisans and have a specialty in each craft that's associated with The Witchcrafter Duel Monsters: gems, sculpture, painting, drawing, photography, clothing, glassmaking, painting, pottery, blacksmithing, and creative thinking, and they've made some of the most beautiful masterpieces that've made the front page on every newspaper around over the world and have been featured in interviews with their masterpieces featured in news interviews, and they're also powerful witches and masters of magic. Estelle Madison met Lincoln, and this one time, she and Lincoln created amazing glass sculptures using tempered glass, and they also made amazing and beautiful stained glass windows to put up in churches all over the world and The United States. Plus, she really helped him with mastering the powers of light which she saw that he was born with, along with teaching him how to master the powers of light, glass, and magic, and he mastered all of them, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lola with a blazing passion because she tried to destroy the many glass sculptures and stained glass windows they've made and taken out of spite to satisfy her need to cruelly humiliate and torture Lincoln, and the rampaging pageant she-demon got thrown in a cage for a month with no desert.

Nico: Lola, what the heck?!

Qin: Jeez.

Laney: I was so pissed that Lola tried to destroy their massive collection of glass sculptures and stained glass windows just because she can't stop humiliating, torturing, bullying, and harassing Lincoln for her own sick and twisted amusement.

Luna: That just proved her Dark Side was an absolute rampaging condescending she-demon who thinks she's better than everyone and gets away with whatever she wants.

Caleb Maxwell: Kendra was the same, but unlike Lola who learned from her mistakes, Kendra didn't, and look where that got her.

Allie Maxwell: Yep, you killed her and sent her to The Black Abyss. I'm surprised that she didn't also bring her quartet of trashy sluts with her.

Caleb Maxwell: I'd have killed them as well and sent their souls to join that bitch in The Black Abyss if I saw those sluts as well.

Nico: Jeez, your ex-girlfriend really pissed you off big time.

Allie Maxwell: You don't know how close you are to the truth. Caleb wanted to save her from the very path her parents went on, but instead of showing any gratitude, she chose to betray Caleb and she was also cheating on him with Drake and she was just like her parents in every way: condescending, monstrous, two-faced, trashy, evil, and an absolute bitch. That along with discovering that she was cheating on him with Drake made Caleb so angry and furious, he wanted blood, he wanted revenge on her and her gang of trashy sluts. I still remembered it all too well, Caleb had blood tears coming out of the corners of his eyes and he was really really angry and furious.

Marlene Maxwell: We may have our famous and fiery temper, but what Caleb had was far darker and far more horrific: this was pure hatred to the core.

Jack Howard: Even the NYPD Nightshift stayed clear of him when that happened to him.

Captain Whitten: I couldn't forget it. Drake's constant ruthless behavior towards Caleb that one time in NYU caused him to cry blood tears and he glared at the asshole with absolute hatred. If looks could kill, Drake would wind up dead.

We gulped in fear.

Me: Ooh boy.

Nico: Yep. The more we find out about Caleb, the deeper and blacker his ex-brother's sins become.

Duff Killigan: What's with you and biting off hands?

Gator Ghoul: It's a common thing for us gators, alright?!

Tchang Zu: Can't argue with that.

Leap Frog: Croc does the same thing.

General Schwarz: But that's another of Anti Monitor's goons down.

Me: Yep.

Becky woke up and she had a REALLY HORRIBLE HEADACHE!

Becky Blickensderfer: (Groans) What happened?

Megan Blickensderfer: Becky?

Becky Blickensderfer: Megan? What happened?

Megan Blickensderfer: Ugly story.

We told her everything and it was awful!

Becky Blickensderfer: (GASP) (BREAKS DOWN CRYING)

Megan hugged her.

Metal Sonic: How shall we celebrate?

Me: Dante's Hellfire Hole.

Nico: I could go for some spicy food.

Lynn: Me too.

Nico: Great job everyone!

Syd: (To the viewers) Now Becky is reformed and cured. Dark Chase Young will pay for his crimes.

Me: Big time.

We went to Dante's Hellfire Hole and had a spicy meal.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we took down Becky

Blickensderfer, freed her from her Dark Side put in her by Dark Chase Young, and sent Dark Becky, her fellow dodgeball bullies, Artie, and Trent to prison forever after I turned them into gold statues, destroyed Ivan Ooze for good, foiled another of Dark Chase Young's plans, sent Louie Carmine to Hell, and pissed off Dark Sebastian and those pathetic snakes again.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan.

Lincoln: (Seductive Voice) (Smirks) You guessed it.

Lincoln used his fifty massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

See you all next time.

STAR WARS DAY 2024 FUN

May the 4th Be With you

Happy Star Wars Day

IN HONOR AND MEMORY OF JAMES EARL JONES

In the early morning hours of 3:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to Planet Exegol, but as he was flying, he saw someone he hoped never to see again: it was our old enemy, Palpatine, and he also saw other figures there as well: Darth Maul, Jango Fett, General Grievous, Tarkin, Darth Vader, Jabba the Hutt, Snoke, Kylo Ren, and Evil Anakin 2. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: We got some serious trouble.

Lincoln explained everything, and his harem were horrified.

Naria Naboo: You've got to be kidding. So, Palpatine has finally returned, along with Darth Maul, Jango Fett, General Grievous, Tarkin, Darth Vader, Jabba the Hutt, Snoke, Kylo Ren, and Evil Anakin 2.

Lincoln: Today is May 4th, and we know what that is: Doomsday for Palpatine. I knew this day would come, now we can finally put an end to Palpatine for good.

Selena Mendez: Everyone's going to be shocked about this when we tell them.

Lincoln: Yep.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to Planet Exegol.

Then, Lincoln went on to explain that as he was flying, he saw someone he hoped never to see again: it was our old enemy, Palpatine, and he also saw other figures there as well: Darth Maul, Jango Fett, General Grievous, Tarkin, Darth Vader, Jabba the Hutt, Snoke, Kylo Ren, and Evil Anakin 2.

Me: (GASPS) Oh man!

Nico: I knew the day would come, now we can make Palpatine pay for what he's done.

Lincoln: I had this list made of who we're going after and which planet we'll be heading to.

Lincoln got out the list.

Darth Maul - Planet Tatooine

Jango Fett - Planet Kamino

General Grievous - Planet Mustafar

Tarkin - Planet Scarif

Darth Vader - Planet Bespin

Jabba the Hutt - Planet Endor

Snoke - Planet Jakku

Kylo Ren - Planet Crait

Evil Anakin 2 - Planet Kef Bir

And Palpatine - Planet Exegol.

Eli: Well organized.

Lincoln: And we're going to banish them all except Jabba the Hutt, Tarkin and Jango Fett to The Black Abyss, the Darth Maul, General Grievous, Darth Vader, Kylo Ren, and Evil Anakin 2 are clones, and we're also going to send them to The Black Abyss. Jabba the Hutt, Tarkin and Jango Fett are going to the M.O.E.

Eli: That's good. But, wait, isn't there also a clone of Count Dooku included as well?

Me: A clone of Count Dooku as well?

Lincoln: Yes, there is, but we'll be facing him on an Ambassador mission.

Naria Naboo: But, there is no doubt we'll be facing Evil Anakin.

Nico: I just hope we face him on Mustafar, I want to slash his right arm off along with his legs before I push him into the lava.

Lincoln suddenly felt something with The Force.

Lincoln: Afraid you won't be doing that, Nico, I used The Force and sensed for him. Bad news: he's on the planet, Naboo.

I DID A SPIT TAKE!

Me: WHAT THE?!

Nico: Oh crap!

Naria Naboo: What?! (GROWLS)

Selene Arcangela: Uh oh, when we get to Naboo, there's gonna be trouble.

Eli: Without a doubt. None of the Keyblade Knights of the planets Anakin travelled to aren't going to like hearing their home planets are being attacked by Palpatine and his cronies.

Lincoln: You said a mouthful. (Thinking) And I'll also show the rest of the team my extra surprises, but I know Nicole and Sunset Shimmer already know about it, but not the others. They'll keep this a secret until my rescue. (Out Loud) Alright, we better finish breakfast, so we can head to Naboo and kill Evil Anakin and fast.

Nico: Right. This'll be an explosive start to our final showdown with Palpatine.

Me: Today, we avenge the galaxy and the billions of souls who'd fallen victim to Palpatine, and he will forever meet his end!

Eli: The Galactic Republic will make sure of that! He will pay for everything he's done!

Anakin woke up to see Venipede staring at him.

Anakin: Oh morning Venipede.

Venipede: Morning Anakin and Padme. Time for breakfast. Happy Star Wars Day!

Padme: Oh it's our day today!

Anakin: It sure is.

They went and got dressed and went to the table.

Me: Morning Anakin and Padme.

Ahsoka: Morning Master Skywalker.

Anakin: Morning Snips.

Ahsoka: I am excited for this.

Me: Me too Ahsoka. We're ready. May the Force be With Us.

We gave them breakfast. We were eating meats of all kinds.

We finished our breakfast, and we headed out to Naboo to deal with Evil Anakin: an explosive start to our final showdown with Palpatine.

Me: Planet Naboo is so beautiful.

Ymir: It sure is.

Qin: I think it's beautiful.

Padme: It's good to be home again.

Lola: It sure is beautiful.

Varie: Yeah.

Nico: I agree there.

Lola: Yeah.

Nico: Flame Stag, I want to thank you Giant Slime Princess, and your teams for coming

Flame Stag: Anytime Nico. This is gonna be fun.

Great Prince: I'm just glad to be included in this.

Qin: We are too.

Iormu: That is for sure.

Nico: Great Prince, thank you for watching over Bambi

Great Prince: It was my pleasure Nico. My son turned into an amazing force of good in and outside the forest.

Me: You're a great father too.

Ronno (X-Squad): HA! HE IS STILL A WORTHLESS PUNK AND A FREAK!

Me: SHUT UP RONNO! Nobody asked you!

Ymir: What's his problem?

Me: Ronno has always been EXTREMELY jealous of Bambi because he's the son of the Great Prince but also he took his mate Faline.

Sora: Bambi also helped me on my first journey

Me: I remember that Sora. So cool.

Great Prince: And you have my thanks for having him help you and for watching over him.

Sora: It was my pleasure.

Camie: Yeah.

Lynn: Yep. MAN What a dodgeball game!

Girl Jordan: That had to be the most destructive game we've ever seen and played in!

Nico: I can't believe Becky's ball blasted all the way through my stomach!

Gira: HOLY CRUD! She had ONE POWERFUL ARM!

Horsea: She sure did!

Nico: And Megan, Jared and J.D.'s suspicions were spot on. Dark Chase Young is responsible for making Becky like that.

Me: That monster!

Lincoln: YEAH NO KIDDING!

Qin: What a monster!

Me: Yep.

Nico: Yeah no kidding. How is Becky?

Me: Still distraught. She has been crying hard since yesterday and

Megan has been comforting her. She started having terrible nightmares.

Nico: Poor Kid.

Me: Blame Dark Chase Young.

Qin: Yeah.

Yanma: That monster is pissing us off.

Me: He's PISSING EVERYBODY OFF! He's made COUNTLESS Enemies out of so many of our allies from all over the universe.

Camie: Yeah he sure has!

Maria: Are you feeling better, Horsea?

Horsea: Yeah I am.

May: Me too.

Me: I can't believe you and May got MERCILESSLY THRASHED like that!

Nico: I know!

Maria: That was crazy!

May: Yeah no kidding! Now we know how Ash felt when he had a Primeape.

Me: Ouch.

Lana: No kidding. Also Becca's Akuma was awesome!

Me: Yeah!

Nico: That was funny feeding her and Gator Ghoul Hook like that.

Me: Looks like Tick Tock and Queen Crocodile are gonna have a lot of competition.

Nico: How well do you think their date is going to go?

Me: We'll find out. But it'll be good.

Qin: Yeah.

Lola: That was funny though.

Me: It sure was.

Horsea: It sure was.

NIco: You guys ready for Star Wars action?

Me: ALWAYS ready for some action!

Eli: Me too!

Lincoln: Okay, guys, we're here for one dangerous and deadly battle, we're here on Naboo, and just as I said, Evil Anakin is here.

Me: Yep.

Nico: This is gonna be one explosive start to the final showdown with Palpatine.

Eli: I already told the rest of The Galactic Republic about this, soon they'll be mobilizing once we set out.

Maria: It'll probably be like back when we went after Palpatine years ago on the planets.

Me: I was about to say.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent a general after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another demon general after us?!

Nico: And now that those snakes are freed from Hell, they're free to come after us once again.

Lincoln: We're more than ready for those pack of snakes, and we'll send them running back to Hell for good by absorbing their next demon general and drain his soul and send him to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his fifty massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed

into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Evil Anakin) AHA! Gotcha! I just spotted Evil

Anakin, he's 20 yards away, but he's heading right for us!

Me: No doubt in a fit of rage.

Nico: Let's get that son of a bitch!

Lincoln: (Sensed the next demon general) And the next demon general sent by those snakes is also coming right for us, but the best part, those snakes are going to watch as their next demon general is also absorbed by me.

Me: (Smirks) That'll piss them off big time.

Nico: (Smirks) Here's hoping they get another asskicking while trapped in Hell.

Hay Lin heard a Pokemon cry.

Hay Lin: Hey look!

We saw a Fearow!

Me: Whoa a Fearow!

Ash: I hope it's friendly. When I met one it and a bunch of Spearow tried to kill me.

Nico: GEEZ!

Fearow: Don't worry I won't hurt anyone.

Hay Lin: Here.

She gave it food.

Fearow: Thanks.

She ate it.

Hay Lin: Wanna come with us?

Fearow: I would be honored.

Me: Cool!

May: That's awesome!

BUT THEN...

SPLAT!

A TONGUE HIT MAY AND LICKED HER AND COVERED HER ALL OVER IN SUPER STINKY SPIT!

Me: OH YUCK!

May: EW!

Me: Man someone REALLY DRENCHED you.

Laney: It came from that!

We saw a Lickitung!

Me: A Lickitung! No wonder.

Nico: How did that get here?!

Me: It must be one of Dark Gale's work.

George Beard: Lets see here.

George and Harold used Telepathy and gasped!

Harold: Oh man! It's Kelly Krupp!

Nico: Mr. Krupp's daughter?!

George Beard: Yep!

Me: Lets go help out.

We went to face her.

George Beard: Kelly it's us George and Harold!

All she did was walk up to Horsea and lick her

SPLAT! SLURP!

SHE COVERED HER IN SPIT AND DROOL! YUCK!

Horsea: (SPIT) YUCK! SAY IT DON'T SPRAY IT!

Poliwag: You're not going to go insane now, are you?

Horsea: Nope! I only said that because I was fed up with it.

Me: Okay then.

But then...

SPLAT!

Lickitung licked Nico and drenched him from head to toe in spit!

Nico: EW!

Me: Boy this is one disgusting drool bucket!

Jessie: Brings back memories of my Lickitung.

Nico: No kidding.

Me: Lets get it.

We fired waves of lightning and blasted it down.

I snapped my fingers and she reverted back and was a girl with pink hair and pink eyes and pink wings and had Lickitung on her forehead and had an anti-Jerome Horwitz Elementary School symbol for a cutie Mark.

We wrapped her in a blanket and brought her over.

Harold: Kelly also HATES Melvin Sneedly with a vengeance and also she HATES ALL OF JEROME HORWITZ ELEMENTARY SCHOOL WITH A VENGEANCE and she is part of a rebel group whose goal is to destroy that school! It's a menace to all kids everywhere! She even vowed to bring all the staff to prison and make them face punishment for their crimes against children! She is known as the Guardian Angel of Jerome Horwitz Elementary.

Me: HOLY SHIT!

Qin: WOW!

Nico: Yeah we destroyed that school for good.

She woke up to see Horsea's stern gaze

Kelly Krupp: Huh?

Horsea: You covered me in spit!

Kelly Krupp: Oh a Horsea?

Maria picked up Horsea.

Maria: Calm down Horsea.

Harold: Hey Kelly.

Kelly Krupp: Harold and George!

She hugged them.

Kelly Krupp: I'm glad you're both okay.

George Beard: Me too.

Me: You were turned into a Lickitung by Dark Gale.

Kelly Krupp: (GASP) I remember!

She was in a pick suit and injected and then turned into a Lickitung and ran out.

FLASHBACK ENDS

Kelly Krupp: It was awful.

Me: I know but we destroyed Dark Gale forever.

Kelly Krupp: Good. Also I head that the school was destroyed.

Me: Yep. It was. 5 years ago. We destroyed that entire school and sent all those teachers there to jail. Also the people of the town went and Burned down all their houses and destroyed everything they owned.

Kelly Krupp: Good.

Horsea: Your dad's okay though

Kelly Krupp: He is?

Me: Yep. He works as the janitor at the elementary school in Gotham Royal York.

Nico: Yea.

Kelly Krupp: Janitor is better than a principal.

Me: It is. Melvin is in the Uranus prison.

Nico: Yep.

Kelly Krupp: Good I hate that jerk.

Camie: Who?

Me: His name is Melvin Sneedly and he is an evil kid. Long story.

Luan: Yeah it sure is.

Ymir: We'll have to face him soon.

Me: Yeah.

Nico: Yeah. What is your role in Sonya's team?

Kelly Krupp: I am the Psychic and Fire Master of the team and use my powers to burn our enemies. Outside the team I help destroy evil schools like Jerome Horwitz Elementary.

Me: Wow! That place HATED Fun.

Horsea: And your dad changed his ways.

Kelly Krupp: I'm glad he did.

Nico: Yep.

Me: Also you're on the planet Naboo. It's Star Wars Day for us and we're making this day special.

Kelly Krupp: Cool! Love Star Wars Day.

Me: Yeah!

Rarity: Lets give you new clothes darling.

The Fashion Brigade gave her new pink clothes and she had a Tongue Twister Magisword!

Kelly Krupp: I look awesome!

Me: You sure do.

George Beard: Still know the handshake?

Kelly and the boys did their handshake. Hand waves and claps and elbow fives and raspberries.

They laughed!

Nico: Good handshake.

William: Let's get ready. No telling what Dark Anakin has up his sleeves!

Me: I was gonna say.

We then took off into the air to destroy Evil Anakin and send him to The Black Abyss and send the next demon general sent by The

Order of The Dark Universe and The Dark Church of Malphas to The Black Abyss as well.

We were flying in the air, and we saw our target: EVIL ANAKIN!

Me: There's Evil Anakin now!

Suddenly, we saw something manifest: they were Forsaken Soldiers, demon soldiers from Bujingai: The Forsaken City.

Nicole: Oh crud, Forsaken Soldiers, the foot soldiers of the demons from Bujingai: The Forsaken City!

Sunset Shimmer: Oh, that is not good.

Lincoln sensed the time had arrived. Suddenly, we saw something appear holstered horizontally on Lincoln's waist: it was a longsword with a wolf etched on the 7'5" double-edged silver blade, phoenix wings for the crossguard, long midnight black handle, and ring-shaped pommel with a gold ring.

Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim God Phoenix God Archangel Justice in his left hand and had that mysterious longsword in his left hand.

Lincoln: Time for you demons to vanish. (ECHOING VOICE) Gouenken!

Lincoln thrusted his longsword forward and fired a massive blast of fire that hit the Forsaken Soldiers and all of them got burned and they exploded into a mess of paper Chinese fulu talismans.

Me: Whoa, what the?!

Nicole: Those were one of the seven spells from Bujingai: The Forsaken City. How did Lincoln learn them?

Lincoln's Guardian Angels just smiled.

Selene Arcangela: I knew he'd unveil that surprise.

Lincoln then went at Evil Anakin and he slashed at him with both greatsword and longsword and we saw an awesome dance of swordplay in action.

Nico: What on Earth? Just how many more sides of Lincoln are we going to have to uncover?!

Lincoln: The revelations are going to keep coming, Nico! (To Evil Anakin) Okay, now to give you some more pain.

Suddenly, water surrounded Lincoln as he had both his greatsword and longsword ready.

Lincoln: (ECHOING VOICE) Souryuuken!

Lincoln spun like a drill with both his greatsword and longsword pointed outwards with two streams of water surrounding him and he charged at Evil Anakin hitting him with full force and doing a double slash that sent him flying into a rock formation. He got back out, but boy was he mad, but the show was just starting!

Sunset Shimmer: That was fire and water down.

Lincoln: Now, for this. (ECHOING VOICE) Dankuuken!

Lincoln spun downwards and he unleashed powerful shockwaves from his greatsword and longsword which hit Evil Anakin and he was slashed again.

Lincoln: (ECHOING VOICE) Ryouseiken!

Lincoln used his longsword in his left hand and fired homing arrows that hit Evil Anakin.

Eli: Whoa.

Lincoln: (ECHOING VOICE) Tenseiken!

Lincoln used his longsword in his left hand again and summoned a single powerful arrow that shoots up into the sky and rains down multiple arrows of light on Evil Anakin.

Me: Unreal!

Lincoln: (ECHOING VOICE) Jinbuken!

Lincoln summoned several swords that surrounded him, and Evil Anakin tried to attack him with his lightsaber, but the swords slashed at Evil Anakin, and Lincoln sent them right at Evil Anakin and he got pierced all over.

But, then, we saw Droids appear and they surrounded Lincoln.

Lincoln: (ECHOING VOICE) Senranken!

Lincoln spun like a tornado and summoned a powerful sky blue whirlwind around him, and they blew the Droids away, but that didn't end there. We also saw bolts of lightning rain down and they also destroyed the Droids.

Then, Lincoln holstered his massive greatsword on his back and his longsword holstered horizontally.

Andre Lupescu unholstered his massive Andre Lupescu's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Dark Night Arctic Ice Snow Storm Fury Wolf Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Dark Night Arctic Ice Snow Storm Fury Wolf Seraphim Phoenix God Archangel Justice and transformed into Super Seraphim God Archangel-Wolf Warrior-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Dark Night Arctic Ice Snow Storm Fury Wolf

Andre Lupescu charged down with his greatsword raised into the air, and as he landed...!

SLAM! KRABOOM!

ANDRE LUPESCU SLAMMED HIS MASSIVE GREATSWORD HARD ONTO THE GROUND AND A RIPPLE OF BLUE WOLF FIRE ERUPTED FROM THE GROUND AND HITS EVIL ANAKIN AS HE WAS SENT INTO THE AIR AND HE ALSO GOT BURNED BAD!

Andre Lupescu came back to us before Evil Anakin could recover quick and he was super pissed off and we landed.

Me: Long time no punch, betrayer of The Jedi.

Nico: You've got a lot of nerve coming back again, you're a headache that just won't go away.

Lincoln: Palpatine had some nerve bringing you back, but of course, you'll be the first to go.

Evil Anakin: I will never stop not until I have finally killed all of you and destroyed The Jedi forever!

Me: Not on our watch Anakin!

Evil Anakin : You're with him! You brought him here to kill me!

I fired a blast of Force Lightning and sent Evil Anakin flying.

Me: It's over Anakin!

Evil Anakin got up and he saw us.

Evil Anakin: You all turned her against me!

Obi-Wan: You have done that yourself!

Me: You will pay for your crimes! And you're still gnawing away at that bone!? How pathetic!

Evil Anakin: You will not take her from me!

Obi-wan: Your anger and your lust for power have already done that. You have allowed this Dark Lord to twist your mind until now you have become the very thing you have sworn to destroy.

Me: That's right.

Evil Anakin: Don't lecture me Obi-Wan. I see through the lies of the Jedi.

Me: The Jedi aren't the liars, Palpatine is.

Evil Anakin: I do not fear the Dark Side like all of you do.

Me: You should fear it.

Evil Anakin: I have brought peace, freedom, justice and security to my new empire.

Obi-Wan: Your new empire?

Evil Anakin: Don't make me kill all of you.

Me: Your new empire is a tissue full of lies.

Obi-Wan: Anakin, my allegiance is to the Republic. To democracy!

Me: That's right. Your empire will destroy everything in the entire galaxy!

Evil Anakin: If you're not with me, then you're my enemy!

Me: I'll handle this Master Obi-Wan.

Obi-Wan: Of course.

I stood ready.

Me: Only a Sith deals in absolute. I will do what I must.

I had my lightsaber ready.

Evil Anakin: You will try.

I ignited my lightsaber and Anakin 2 did the same and we clashed violently as sparks were flying all over the place at an incredible level and setting much of the whole planet on fire. I kick him in the face and punch him in the stomach and he went flying!

I fired a massive energy blast and it hit him and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMMMM!

I ran after him and fire Force Lightning and he deflects it and it hit a rock and exploded!

KRABBBBBBBOOOOOOOOOOOOMMM!

Fearow charged at him and blasted him with energy and pecked him on his head!

I kicked Evil Anakin!

Me: I don't understand you Anakin. How can you believe all of Palpatine's lies so easily? Are you really that gullible?

Evil Anakin: He told me that the Jedi were trying to take over.

Me: That is a total crock of pure bullshit! Palpatine is evil in its purest form. He's the Devil Incarnate.

Evil Anakin: From my point of view the Jedi are evil!

Me: How fucked up are you!?

Nico: The Jedi are NOT EVIL! YOU ARE!

Maria: Your mom would be ashamed!

Me: YEAH! How can you stoop so low! YOU KILLED THOUSANDS of innocent people in cold blood all because of the lies that you believed by Palpatine! He was a monster! And you became the very monster you swore to destroy!

The blasts combined and they hit Evil Anakin and exploded with incredible power!

KRABBBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blew off his left arm and his legs and sent him rolling and he was by a mud puddle. He was groaning in excruciating pain and he looked at us and his eyes were flooded completely with the Dark Side of the Force.

Obi-Wan: YOU WERE THE CHOSEN ONE! IT WAS SAID THAT YOU WOULD DESTROY THE SITH! NOT JOIN THEM! BRING BALANCE TO THE FORCE, NOT LEAVE IT IN DARKNESS!

Me: That's right Anakin! You brought all of this on yourself. Now you will have to share the fate of all Jedi when they come here.

I took Evil Anakin's lightsaber.

Evil Anakin: I HATE YOU!

Our auras flared up with incredible intensity!

Obi-Wan: You were my brother Anakin. I loved you!

Me: Anakin you are a TRULY LOST SOUL!

I gave Ymir his lightsaber.

Me: You deserve it more than him.

Ymir: Thank you.

George and Harold snapped their fingers

SNAP!

Then Mr. Krupp turned into CAPTAIN UNDERPANTS!

Captain Underpants! TRA LA LA!

He floated up.

Evil Anakin: Tra la la this! (charges at him)

Me and Captain Underpants went at him and punched him.

Me: You should be lucky we're not on Mustafar! You would have been burned bad!

I fired waves of energy and blasted him.

Me: So many people died because of you Anakin!

I fired a Force Lightning Judgement Blast and electrocuted him!

Nico: Anakin you are a heartless and STUPID MONSTER for believing the lies of Palpatine!

Lola: And you're still getting burned anyway!

Me: Because that is gonna be your permanent mark for your utter defeat at OUR hands!

Poromon: And this too! (PECKS HIM)

POINK POINK POINK POINK POINK!

Poliwag slapped him.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Horsea squirted ink and blinded him.

Manaphy headbutt him!

SMASH!

Hippowdon: CANNONBALL!

He smashed onto Evil Anakin's back and broke it with a sickening crunch!

Mevya belched in his face!

LOUD BELCH!

Jirachi used his powers and bashed him with anvils!

Poromon then poured beer down his throat and smashed the bottles on his head.

SMASH SMASH SMASH SMASH!

Qin: Take that!

Caleb Maxwell: You were once a hero of The Force, The Jedi's greatest hero. But, you let Palpatine manipulate you and you were easily seduced by the power of The Dark Side of The Force and you fell from grace. Now, all you care about is bringing destruction to The Jedi, and all those innocent people also fell victim to you. Too many innocent lives have been lost thanks to you and the puppet master behind it all. Understand this, your madness ends here together with your life!

Evil Anakin: SHUT UP! SHUT UP! SHUT UP!

Evil Anakin went at Caleb Maxwell. But, then...!

BANG! BANG!

SCREAM!

HE SHOT HIM RIGHT IN THE SHOULDERS!

Nico: Nice.

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a 12'5" extremely muscular male demon with curved horns on his head and massive black fallen angel wings and dressed only in black shorts and loincloth and carrying a massive demonic greatsword came out along with many other demons.

Cocytus Malefic: Oh great, they sent another demon general of Hell to attack us, and he also has his army with him.

Lincoln: Time to put an end to this.

The demon general charged at us, but Lincoln charged at him and he really trashed the hulking demon general as he punched and kicked him and slashed at him all over the place, and he was really working up a sweat, and finally, he knocked the demon general down.

Then, Lincoln morphed the tips of his fifty massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of the demon general, and he began absorbing him and he assimilated his massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and forty-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the demon general except for his loincloth and shorts and Lincoln drained the demon general's soul of energy and sent him to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Me: Nice one, Lincoln!

Nico: Way to teach that demon a lesson.

That made the demon general's men angry, but then, Lincoln's massive white angel wings and fifty sets of large white angel wings underneath his massive white angel wings spread out, and then...!

Lincoln: (SAVAGE LOUD WOLF ROAR)

Lincoln let out a savage loud wolf roar and that caused the men to slit their own throats and they killed themselves and they were sent back to Hell.

Me: WHOA!

Nico: Oh man, Lincoln caused them to commit suicide and they were sent back to Hell by roaring at them! Talk about intimidation to the core!

Back in Hell, seeing what happened to their next demon general getting taken down and absorbed by Lincoln and the soldiers of Samael committing suicide and sent back to Hell royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, Maacah Necroshade, Michael Ondrushko, Quentin Hargreaves, Reagen Lestranfe, Owen Thatcher, Alex Creighton, Windsor Grimm, Ryan McCabe, Aragon Cochran, and Nergal Glaphyra!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC AND CAUSED SO MUCH HAVOC IN HELL, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Then, the barrier deactivated and Caleb then lands and rejoins us.

Evil Anakin was riddled with bullets.

Anakin: Ouch, you turned him into swiss cheese.

Evil Anakin: AGH! YOU LITTLE...!

Lincoln roared at him with bestial fury and fired blasts of energy from the eyes on the shoulder blades of his massive white angel wings and forty-nine sets of massive white angel wings underneath his massive white angel wings and they hit Evil Anakin and he got pulverized.
